The Primary Fair.—The fair of the children of the Primary Association of the 11th Ward opened in the meeting-house at 2 o'clock yesterday afternoon. A fine display of articles made by the children were on exhibition. At 3 o'clock the children were called to order, and after the opening exercises, a neat programme of songs, recitations, essays, select readings, etc., was rendered by the children in their usual creditable style. The meeting was then addressed by Sisters Zina D. Young, E. B. Wells, Ellen S. Clawson, Elizabeth Howard, and Dr. Ellen B. Ferguson. There were also present as visitors: Bishop McRae, Elder N. H. Felt and President George Teasdale. The speakers greatly praised the children for their energy, good taste and skill displayed in the preparation of the various beautiful articles on exhibition. The youngest contributor was Isaac Tuckett, a boy not quite three years old, who made a fancy cardboard bracket; and the youngest girl, Ettie Sears, four years old, exhibited a neatly dressed doll. Among the articles worthy of mention was a box of wool flowers by Elizabeth Livingstone, 13 years of age; a mouse-trap, by John Coulam, aged 11 years; a cradle, by Henry Coulam, aged 10 years; a pair of ornamental paper picture frames, Willie and Charley Tuckett, aged 7 and 8 respectively; 6 blocks of patchwork for a quilt, Emeline McMaster, aged 7; a cross motto with the inscription "Serve the Lord with Gladness," by Louie Felt, aged 4; a hem-stitch lace handkerchief, Thora Peterson, aged 12; a hair pin case, Ettie Penrose, aged 9; a jumping horse, Geo. Terrible Flood.—A ruinous flood occurred in the vicinity of Grantsville, Tooele County, on the evening of the 18th inst., last Monday. S. H. House, of North Willow Ranch, a place about five miles southwest of Grantsville, writes to Joseph Bull, Esq., of this city, giving an account of the damage sustained by himself in the terrific inundation. On the day above mentioned, it rained in the mountains above this place for about an hour, and about 8 o'clock in the evening, the flood came down. The creek which ordinarily held three good irrigating streams, swelled to a tremendous size, overwhelmed the banks and swept everything before it. Mr. House measured it where it was confined within its banks, just above his residence, and found it was 9 feet by 36 in dimensions. It rushed at a fearful rate, and after passing that spot spread out over the farm, taking everything with it, tearing up cottonwoods two feet through, destroying wheat, potatoes, and garden. The morning previous Mr. House says he thought he had two years' breadstuff, now if he saves 10 bushels he will consider himself lucky. The flood lasted about two hours in unabating fury, and then commenced to subside. Mr. House and his wife had time to set the animals at liberty, but afterwards could do no more than stand on the hill above the house and watch the devastation of their property. The water struck their house and they expected to see it go, but the stream split and passed on either side, while immense gravel banks immediately formed and protected the building from the after torrent. The ranch is now scarcely recognizable. Where all was beautiful and green, is now covered with piles of wood, brush and rocks, which will require an immense amount of labor to remove. In some places the soil is washed entirely away. The flood passed on towards Grantsville, and Mr. House states that although he is not aware of the extent of the damage done there, it must have been very great, as it looks as if water had passed through the principal part of town.

Missing Luggage.

A zinc trunk, with wooden slats on the lid, one of which is full of tacks. The address on the ticket must have been rubbed off, but may now be known by the tacks on one of the slats. It was last seen at Ogden, with two other zinc trunks, the directions on each having been lost. The U. P. baggage master says he sent all three to this city. Any one connected with the railway company, or any of the emigrants who came in last Friday night, who can give information of its whereabouts, will confer a great favor on the owner by calling at this office.

Br. Edward Hunter,
Tithing Office.

BE YE LIKE FOOLISH.

For ten years my wife was confined to her bed with such a complication of ailments that no doctor could tell what was the matter or cure her, and I used up a small fortune in humbug stuff. Six months ago I saw a U. S. flag with Hop Bitters on it, and I thought I would be a fool once more. I tried it, but my folly proved to be wisdom. Two bottles cured her, she is as well and strong as any man's wife, and it cost me only two dollars. Be ye likewise foolish.—H. W., Detroit, Mich.

Why submit to the discomfort and humiliation entailed by a local disease of the skin, when Glenn's Sulphur Soap will rid you of it with certainty and dispatch? It is a remedy which never fails to relieve cutaneous disease, and, as a means of banishing defects of the complexion, it is equally reliable. The benefits arising from the use of Sulphur Baths, in cases of skin disease, and of rheumatism and gout, are well known, but the cost is too heavy to be incurred by many persons who would otherwise take advantage of them. Glenn's Sulphur Soap answers the same purpose, and is both inexpensive and convenient. No one need stir abroad in search of a sulphur bath who has this admirable means of providing one in-doors. It is incomparably the best deodorizer and disinfectant of clothing and bed linen in use, and prevents diseases of an obnoxious nature caused by contact. Sores, ulcers, bruises, scalds, cuts and sprains are promptly remedied by it; and its cleanly, healing and soothing properties constitute it a far more desirable remedy for scorbutic ailments than ointments of any description, since such greasy compounds soil the clothing, often aggravate, and very rarely indeed do any permanent good.

Sold by druggists. Price 25 cents per cake. 1 box (3 cakes) 75 cents, sent by mail, post paid on receipt of price. C. N. Crittenton, Prop'r, 115 Fulton Street, New York.

CURED OF DRINKING.

"A young friend of mine was cured of an insatiable thirst for liquor, that had so prostrated his system that he was unable to do any business. He was entirely cured by the use of Hop Bitters. It allayed all that burning thirst; took away the appetite for liquor; made his nerves steady, and he has remained a sober and steady man for more than two years, and has no desire to return to his cups, and I know of a number of others that have been cured of drinking by it."—From a leading R. R. Official, Chicago, Ills.
