EVENING NEWS.

Monday, September 11, 1876.

PRICE OF GOLD.
Corrected daily by Deseret National Bank. SALT LAKE CITY, September 11, 1876. Buying at \$100; selling at \$110.

Local and Other Matters.
THERMOMETER 75 degrees F. in the shade at 1 p.m. to-day. Partially cloudy.

Frost.—The Beaver Enterprise says there was frost in Beaver on the night of September 6, killing the vines.

Provo Goods.—During the past few days Mr. Robert Kirkwood, of Provo, has been in the City, having with him a number of samples of woolen goods produced at the factory there. The specimens are excellent, and embrace a large variety of cloths, flannels, and linens. The prices, too, are below those of eastern goods of similar quality.

Second District Grand Jury.—The Beaver Enterprise gives the following as the grand jury for the Second Judicial District, present term—Richard H. Ashby, Lewis Root, William Davis, P. T. Farnsworth, Jr., W. G. McMullin, Michael Powers, S. O. Crosby, Wm. Meek, Michael Mahoney, F. H. Flah, H. S. Cady, C. O. Behr, Thomas Parkinson, D. H. Hickox, foreman John N. Smith.

Pisciculture.—Spencer F. Baird, Esq., having written from the Missouri River Fish Agency, to Hon. A. P. Rockwood, asking how many impregnated California salmon eggs were wanted for distribution in the public waters of Utah, the latter gentleman has ordered 25,000, which will probably arrive shortly.

Mr. Rockwood has also received an invitation to attend a two days' session of the American Fish Culturists' Association; to be held in the Judges' Hall, Centennial grounds, Philadelphia, October 6th and 7th. On the last named day arrangements have been made for those who attend to be regaled with a dinner composed entirely of fish.

Tabernacle Meeting.—Yesterday afternoon Elder Orson Pratt delivered a discourse on the setting up of the Kingdom of God in the latter times. He was followed by Elder George Q. Cannon, who spoke on the character of the phenomenon of a people reared according to varied customs and speaking different languages, being gathered together from nearly every part of the globe, and forming, with these diverse elements, a homogeneous whole. Such a people are the Latter-day Saints, and the speaker explained the causes that produced such a wonderful result, ascribing it to the power, wisdom and the operations of the Spirit of God, in the accomplishment of his divine purposes.

The European Mission.—The following are from the *Millennial Star*, Aug. 21—
"THE FOURTH COMPANY."—The fourth and last company of this year's emigration is expected to sail October 25th. We request that the names and ages of all intending to sail with that company be forwarded to this office, so far as possible, not later than one week before sailing. No deposit is called for, we merely wish to secure before the requisite to be taken, provisions, etc., for the better accommodation of all concerned. All who are unable to notify us as requested, will be held as defaulting, and will sail as late as Oct. 25th.

DEPARTURES.—Elders Wm. B. Barton and T. Harris, returning missionaries; Enoch Stones, emigrant, from Nottingham; Elders Henry Florence and Wm. Jennings, Misses Jane and Priscilla Jennings, Mrs. S. P. Teasdale and Miss Sarah Teasdale, all of Utah, who have been visiting friends and relatives in England, left Liverpool for New York in the steamship *Idaho*, on the 16th inst., at 4:30 p.m. All were in excellent health and spirits. We wish them a safe and pleasant journey home.

Sheffield Conference.—A local conference of the Saints was held at New Brunswick Hall, Spital Street, Spital Hill, Sheffield, Sunday, July 23, when, according to the *Millennial Star*, the following Elders from Utah were present—Albert Carrington, Pres. of the European Mission; Peter Barton, Pres. of and Wm. C. A. Smoot, Jun., traveling Elder in the Sheffield Conference; David McKenzie of the Liverpool office; Wm. B. Barton, Pres. of the Liverpool Conference; Wm. L. Binder, Pres. of and Wm. Paxman, traveling Elder in the London Conference.

Meetings were held at 10:30 a.m. and 2:30 and 6:30 p.m. The congregations were addressed by Elders Paxman, W. B. Barton, Binder, and McKenzie, and President A. Carrington.

"The weather was beautiful, the meetings were well attended both by Saints and strangers, the hall being full in the afternoon and evening."

Returned Missionary.—On Saturday afternoon we received a call from Elder Jacob Miller, who returned from a mission to Australia on the 1st inst., having left Melbourne July 29th, in company with Elder Mark Croxall.

He left this city for his field of labor June 19th, 1875, in company with Elders Welling and Steed, going by way of Great Britain, where they remained some time, and where Elder Miller had the privilege of visiting a number of conferences. They sailed for Melbourne in the *Great Britain*, arriving there October the 22nd. On the 6th of November Elder Miller went to the city of Sydney, where he labored alone until the arrival, Dec. 20th, of Elder Isaac Groo and the missionary party accompanying him. On the 26th of January Elder Miller and Elder David Cluff went to Goldburn District, where they found a couple of families, named respectively Clifton and Mayhew, the heads of which had been

baptized into the church eighteen years ago, but who had not seen an Elder for sixteen years. They were joyful at seeing these missionaries, who re-baptized them and baptized the members of their families.

While laboring in that District Elder Miller and his companion did a great deal of preaching and made many friends, not a few of whom are very favorably disposed to the work of the Lord. The health of Elder Miller was very poor while laboring there, yet he never suffered from this consideration to prevent him from filling any appointment. The return sea voyage has improved his condition gradually, and since his arrival home he has been slowly gaining in strength.

Littell's Living Age.—The latest issues of this standard eclectic weekly contain some very valuable articles, among which the following are especially noteworthy—
Lord Macaulay; The Comte de Paris Campaign on the Potomac; by the late Col. Chas. Chesney of the Royal Engineers, being the last paper of that admirable military critic, and especially interesting as an Englishman's review of a Frenchman's account of the Potomac campaign; Sketch of a Journey across Africa, by Lt. Cameron of the Royal Navy; In a Studio; Autobiography of a Vegetarian, a True Narrative of a Successful Career; Modern Warfare, by John Ruskin; Ticknor's Memoirs; A Lady's Visit to the Hergevalian Insurgents. There are also other articles of interest, serials by Mrs. Oliphant and Sarah Tytler, and select poetry and miscellany.

Missionaries for Mexico.—Elders Heleman Pratt, J. Z. Stewart, and Milton Gonzales Trejo, expect to leave on a mission to Mexico some time next week. The two Elders first named were in the country a few months since and are now about to return. Elder Trejo is a native of Spain, and a short time since translated the Book of Mormon and some other church works into the Spanish, a portion of that book having been published in that language.

Sale Postponed.—The sale of property levied on the defendant in the divorce and alimony suit of Young vs. Young, by Marshal Nelson, which was announced to take place to-day, has been postponed till next Saturday.

The property was levied upon by order of an execution issued to satisfy judgment for \$3,000 accrued alimony *pendente lite*, and consists of carriages, mules, wagons, etc. The defendant promises a suit against the marshal for the recovery of the property, and that officer asks the plaintiff for indemnification, which, however, has not yet been given, and that is the way we understand the matter now stands.

The Quarrymen.—"G. A." writes to us from the Wasatch Stone Quarry, Little Cottonwood, where forty-nine hands are at work getting out rock for the Temple. He says—
"I must say that I have never met with a more agreeable lot of men in my life. Peace and good will prevail in our midst, and the most friendly feeling exists amongst us."

Various expedients are resorted to by the workmen during the evenings.

Oregon and Utah Railroad.—Portland, September 8.—The directors of the Portland, Dallas and Salt Lake Railroad met to-day and re-incorporated under the name of the Portland, Salt Lake and South Pass Railroad Company, electing W. W. Chapman president, and authorizing him to open books for subscription. Capital stock \$20,000,000, in 200 shares. The subscription books will be opened in Portland to-morrow.—*San Francisco Chronicle.*

Personal.—On Saturday evening U. S. Grant, Jr., Esq., son of President Grant, accompanied by Archibald Hopkins, Esq., arrived in the city, and put up at the Townsend House. Yesterday Mr. Grant, who we understand is traveling for pleasure, visited President Young. Himself and companion intended leaving this afternoon.

Provo.—The *Provo Enquirer* of Sept. 9 says, that city was visited again, the Monday night previous, with a light frost.

The same paper says that on Sept. 4, Cema Alma Nellie, a three year old daughter of Mr. Thomas H. Vincent, of Provo, fell down the cellar stairs, by which her under lip was cut right through.

Not Much of a Joke.—Yesterday afternoon a lady residing in the 16th Ward went to meeting, in her buggy, which she left outside the Temple Block, during service. Meanwhile three small boys, one of whom is only seven years old, got into the vehicle, drove to the Warm Springs, thence south to Cottonwood, where they stayed over last night, coming back into town to-day.

Postmaster Appointments.—The following appointments of postmasters have been made—
James H. Hightower, of Homerville, Utah; Conant, Utah; Jonathan Midgley, Wales, Sanpete County, Utah.

WHY IS THE COUNTRY IN THE SLOUGH OF DESPONDENCY?—Why is it that in this land of plenty—in this great country, where the road to property is so easy—why is it that we are in the slough of despondency and have lost faith in our representative men? The answer is plain, and the people are beginning to feel force.

We have too many offices and too many officeholders. Office is now looked upon as the speediest road to wealth. More than a hundred thousand petty officers are fattening upon the sweat of honest labor, one-half of whom could be dispensed with. But the office seekers and office holders have no sympathy with labor, nor do they sympathize with laboring men, save in the act of flattering them out of their votes.—*San Bernardino Times.*

TO-DAY'S DISPATCHES.
EASTERN.
Recommendation of the Grand Jury.
PHILADELPHIA, 11.—The grand jury in the court of quarter sessions, to-day, recommended the removal of the wooden buildings partially surrounding the Exposition grounds, which are generally disreputable places, and in a portion of which originated the fire last Saturday, that nearly destroyed the Centennial building and imperilled the lives of thousands of visitors.

SPAIN.
Additional Particulars of the Arrest of Tweek.
MADRID, 11.—The following are additional particulars of the arrest of Tweek, Captain General Novell, at Havana, Cuba, which intelligence that Tweek had disembarked at Santiago de Cuba, and notified the authorities there. Before the latter could take action Tweek had embarked on the sailing vessel *Carmen*, bound to Vigo. Captain General Novell telegraphed to the Madrid government, which, in turn, telegraphed to the Spanish authorities obtained and made copies of a caricature in an American journal, representing him as beating a child, supposed to be a Spaniard, in justice. This caricature led the Spanish authorities and reporters of Spanish papers to believe Tweek had been kidnapping children; hence, in the first official announcement received to arrest Tweek, Antelm reported by telegraph the capture of Tweek had been a kidnapping of children. He had been arrested for kidnapping American children. Tweek is confined on the Isle of Saint Simon, where he is undergoing quarantine. He is strictly watched by the Custom House guard. At the expiration of his quarantine he will be sent to the United States representative. As there are no direct steamers between Spain and North America, Tweek will be taken to Cuba, and from there to New York.

Earl Derby and the Bulgarian Atrocities.
Earl Derby, to-day, received two deputations of workmen's societies, and in reply to their addresses said: Government had been charged with indifference to the great crimes committed in Bulgaria. All that had been done in diplomatic manner, and in sending a fleet to Besika Bay, was done, if not before the outrages occurred, at any event before they were known. He denied that the government was in any sense responsible for the outbreaks of fanaticism among the Turkish population. He describes the previous action of the government, and said they had nothing to say and nothing to regret in what they had done. If the Turkish believed all Europe desired to drive them back into Asia, they would break out in excesses prompted by revenge. He believed he believed the conviction that England desired fair play had done more than anything else to prevent the war from assuming the character of a religious war, and to prevent the commission of atrocities in many provinces.
