IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the last two years the road bed has been put in admirable condition, and almost the entire line has been relaid with steel rails.

The Depot in Chicago is central located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making East ern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—

The Chicago and North-Western.

You will find on all its through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

EVENING NEWS.

Monday, October 11, 1875.

Local and Other Matters.

THERMOMETER 82 degrees F in the shade at 1 p.m. to-day. Fine.

Tietjen.—In the list of missionaries called on Saturday, for Ernest *Fitcher* read Ernest *Tietjen.*

Third District Court.—The October term of the Third District Court opened this morning, Associate Justice Boreman presiding.

Runaway.—This afternoon Dr. Hamilton's buggy horse ran away and collided with and knocked Dr. White's horse, and also did the same by a boy, but did not hurt him much.

Big Cauliflower.—This morning Mr. H. Smith, seedsman and florist, brought into our sanctum a very fine solid cavliflower, nine and a half inches in diameter, quite a meal for any person of moderate appetite. It was grown in the 16th Ward.

Stray Colt.—On Saturday afternoon Mrs. Butterfield, living southwest of this city, beyond Jordan, came into this office and related that a bay horse colt followed Levi Bectel's team on Friday night, and would not be dissuaded therefrom, out of the city to Mr. Dahl's homestead, Taylorsville, eight miles south of the city and west of Jordan, where Mr. Bectel resides. The colt could there be found.

Sharp Thieving.—On Friday night R. Miles, of Smithfield, who had come to the city to attend Conference, lay down in his "little bed," in a wagon, and when he arose on Saturday morning he discovered that he had been visited, during his nocturnal slumbers, by a sharp thief, who had carried away his hat, coat and boots, necessitating a visit, in dishabille, to a clothing store to get a new outfit.

Burglary.—Some time between Saturday night and Sunday morning the upholstery shop of Mr. H. Dinwoodey was broken into by thieves, who gained ingress by removing the fastenings of the back door. They wrenched open the desk of Mr. Neve, who has charge of the establishment, and ransacked and tumbled the contents about, but failed to find the object of their search—money, and they probably left in disgust, taking nothing for their pains.

SALT LAKE CITY,
October, 11th, 1875.

Editor Deseret News:

Last night, about 9 o'clock there was a crowd of boys, numbering about a dozen, running around the middle part of the 20th ward, making themselves obnoxious, by throwing large rocks at board fences and barns, hooting, yelling, and disgracing themselves, their parents and the Ward generally. It is a pity but some policemen had not been there. Those bops need attention from the proper quarter.

PEACEFUL.

Terminated Fatally.—Joseph Rands, who was severely hurt by an accidental fall, some weeks since, while at work in the Z. C. M. I. new building, died from the effects of his injuries at half-past 12 o'clock this morning. Brother Rands was forty-eight years old, was born in London, England, and came to Utah seven years ago this Fall. He leaves a wife and five children, and bore an excellent character as an industrious and respectable citizen.

The funeral services will be conducted at the late residence of deceased, at 4 p. m. to-morrow.

Theatre.—The Alleghanians had a pretty good house on Saturday evening, and the performance on the bells, the musical glasses, the silver horns, also the humorous and sentimental concert pieces, and the comical eccentricities of Mr. Sam Collins constituted an excellent evening's entertainment, which drew forth much applause.

On Thursday evening Mr. Chas. Vivian will have a complimentary benefit, on which occasion the public will have the opportunity of seeing and hearing that talented gentleman in a number of his clever songs and character delineations.

Cedar City.—This morning we were called upon by our old friend, Bishop Henry Lunt, of Cedar City, who arrived in town on Wednesday evening, in company with President Wells and party. He informs us that prosperity and a good feeling prevail in his settlement. He baptized ninety persons for a renewal of their covenants before he left. At Cedar there is probably the best co-operative sheep-herd in the Territory, comprising about nine thousand head of fine, healthy animals, free from scab or other disease. The rabbits, which appear to be innumerable, made considerable havoc among the crops this season, but enough has been saved for bread and considerable to spare. Corn has been unusually good this season. The rabbits are getting to be as much dreaded by "grangers" as the grasshoppers formerly were.

A new two story building is being erected for a co-operative store. The general health of the people is good.

The Bishop leaves for home by Wednesday morning's train.

Our Country Contemporaries,

Ogden *Junction*, Oct. 9—

Mr. Hyrum Frodsham, who was stabbed by Enos Lish some time ago, at Call's Fort, died last Thursday. Deceased was a son of Mrs. Frodsham, of this city. The man Lish is in irons at Salt Lake City.

Last night Miss Adelaide Low, of this city, was searching for a crotchet hook in one of the rooms of the house with a lighted match in her hand, and holding the light up to a shelf, which was decorated with fancy paper, ignited it, the blaze coming in contact with a curtain which the young lady tore down, causing her left hand to be seriously burnt.

Crops—The U. O.

RICHFIELD, Oct. 2, 1875.

Editor Deseret News:

We are blessed with a good soil and a good climate for raising vegetables of all sorts. Last Spring our gardens looked rather bad, on account of the late frost we had, but nevertheless we have some fine things. Potatoes grow remarkably well here. We have planted in June one of the Compton Surprise potatoes and therefrom realized 55 pounds of very fine seed, also other varieties do as well according to their size. Cabbage, cauliflower and onions do well. We have onions of the California Silver Skin that can rarely be excelled in the Salt Lake market.

The U. O. is progressing very well and we have by the help of God raised a most splendid crop of grain. It keeps our farmers busy harvesting the grain and taking care of it. Our tannery is also progressing and we shall have the first lot of leather in about a month. People feel very well in the Order and feel encouraged to go ahead in the good work.

Travels in Canada, etc.

MARION, Ohio,
October 4, 1875.

Editor Deseret News:

On the 14th of Sept. I started on a visit to some Latter-day Saints who live in Western Canada. I traveled through portions of the counties of Essex, Kent, Elgin, Lambton and Middlesex. I found members of the church in each of those counties, and I distributed among them such church publications as I could spare. We had some precious seasons together, and I spoke to them words of encouragement, as far as I had power.

On Sept. 25th I arrived in Marion, Marion Co., Ohio, where Bro. H. J. Hill now resides.

A little company, consisting of Sister Spears, Bro. Hill, Sister Hill, and myself, with perhaps one or two others, hope to gather to Zion early in the Spring.

Yours in the Gospel,
J. H. WARD.

THE FAMILY!

Twenty-five years in successful use and still the popular Family Machine! The beauty of its work and wide range of application on all kinds of material, sewing with either cotton, silk or linen thread, and its never getting out of order, have made it the pride and joy of nearly

ONE MILLION HOMES!

Its claims for simplicity of construction, ease of operation and management, quietness of movement and durability, are beyond controversy. Give it a trial and you will buy no other. Thorough instructions given in its use.

The No. 7.

This machine is especially designed to fill a want long felt by manufacturers of Clothing, and is constructed upon the same principle as the No. 6. It is capable of higher rate of speed than shuttle machines, is lighter running and can be regulated for work quicker than any machine heretofore used by

TAILORS.

By a simple change of the presser foot it can be used for all kinds of Family Sewing or Dressmaking. Like the No. 6, it will speak its own language, and we solicit from the TAILORS of Salt Lake an examination of its merits.

WHEELER & WILSON SEWING MACHINES!

The No. 6.

The attention of Shoemakers, Harness Makers, Glove and Trunk and Travelling-Bag Manufactures, and others requiring a machine for leather work of any description, is respectfully called to this

NEW

production of our company. After experimenting for fifteen years to construct a machine upon the rotary hook principle, we offer to mechanics representing the above industries, this recent and improved invention, confident that it possesses qualities long sought for by them. The machine will speak for itself. An examination and trial are all that we ask.
