No Fire Crackers.—In accordance with the petition of the life insurance agents, the city authorities intend carrying out strictly the ordinance relating to the setting off of fireworks in celebrating the Fourth. A portion of the law will be found in another part of the NEWS.

Bound Over.—This morning Mrs. Capes had a preliminary examination, before Justice Pyper, on a charge of stealing a watch and a quantity of jewelry from Madame Davis, resulting in the accused being bound over in the sum of \$500, to await the action of the grand jury.

Messrs. Savage and Ottengen, and the committee.

Large.—The hailstones that fell in a late storm, in a portion of Pine Canyon, measured three inches in circumference, being about as large as pigeon eggs. In one small settlement the melon vines were mashed into the ground, the corn was cut, stripped, and seriously damaged, and most of the young chickens were killed.

Handel and Haydn Society.—The Handel and Haydn Society will resume rehearsal meetings at the 13th Ward Assembly Rooms on Monday evening, (Thursday) at 7.30 o'clock. All the members of the Society are requested to attend, punctually, and bring along their copies of "The Messiah."

Ladies and gentlemen, "lovers of music," not belonging to the Society, are kindly invited to attend and become members.

New Building.—F. Auerhahn & Bro. have removed into their new store, No. 55 East Temple Street, which is one of the most elegant and complete buildings in Salt Lake City. The whole building is on the first floor, the basement for general storage, and the ground floor for retail purposes, all being admirably adapted for their respective uses. These enterprising merchants are thus now well prepared for a large and growing trade.

Want to See the Elders.—Bro.

Wm. Hill writes from Tom's Creek, Surrey County, N. Y., May 24, and states that he and about twenty others are the remnants of the Plate Mountain branch of the church, in the counties of Stokes and Steuben, and they are very anxious for the friends to let them know, thinking that a general assembly in the fall would be very glad to hear from the Elders sent into the Southern States, and learn of their whereabouts.

President's Excursion.—The Firemen's excursion to Ogden on the 25th promises to be (numerically) a success. Our citizens are taking advantage of excursion rates to visit their friends on that occasion.

We are requested to announce that there will be a special train leaving Ogden for this city immediately after the torchlight procession, also made by those who wish to visit their friends on that occasion.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

Closely connected are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburgh, Fort Wayne & Chicago, Kanawha Line and Panhandle Routes, for all points, EAST and SOUTH.

If you are going to Chicago, or East, you should, by all means, purchase your tickets b the Old Pioneer Route.

Personal.—We received a pleasant call to-day from A. J. Jordan, Esq., representing the firm of Friedmann & Haeseling, of New York, manufacturers and importers of fine cutlery and proprietors of the celebrated "Electric" Razor. The goods manufactured and sold by this firm are extensively used in this Territory and, judging by the frequent visits of Mr. J. must be becoming very popular.

"Electric" Razor, of which they are the sole proprietors, is said to be without a rival.

Accompanying Mr. Jordan was J. R. Williams, Esq., President of the Burgess Steel and Iron Works, Portsmouth, Ohio. This gentleman represents one of the largest firms in that section of the country, employing nearly 400 hands. This is Mr. W.'s first visit to this city in a business capacity and he expresses himself very favorably impressed with it. Both gentlemen will remain in town a few days and are staying at the Townsend House.

Bound Over.—This morning Mrs. Capes had a preliminary examination, before Justice Pyper, on a charge of stealing a watch and a quantity of jewelry from Madame Davis, resulting in the accused being bound over in the sum of \$500, to await the action of the grand jury.

The committee to whom was referred the petition of W. H. Hickenlooper and others, asking that the canal passing through the 5th and 6th Wards, be sufficiently protected to prevent accidents, reported that they found it as safe as other canals and ditches in the city, but recommended the paving of foot-bridges across it, opposite the middle of the blocks alongside of which it passes; report adopted.

The Supervisors quarterly report was reported correct, and placed on file.

Five hundred dollars was appropriated to Z. Snow for legal services to the City, during the last six months.

In the course of its recent thorough revision, the American edition was edited with the special view of supplying the wants of American readers. IMPORTANT TO THE TRAVELLING PUBLIC.

It is the duty of all persons having starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The following talented artists are in the cast—William, Mr. Castle, "Lothario," Mr. Peacock, "Laertes," Mr. Bernard, "Flina," Mrs. Rosevald, "Frederick," Miss Annandale.

Those who have failed to see the opera should embrace this last opportunity, if they have any taste for that order of amusements.

A Match Game.—Mark Lindsey has made a fine large appropriately engraved silver medallion, which he will present to the champion croquet player of Utah. The medal will be played for, at the Lindsey Gardens, to-morrow, and the winner, lady gentleman, who will hold the trophy will hold his stripes for them when getting up on horseback to go out and take a ride.
