All doubts as to Mr. Kruger's inten-All doubts as to Mr. Kruger's inten-tions of proceeding to Europe are now at rest. In reply to a telegram sent by the Express, the Transvaal consul-gen-eral stated that the object of Mr. Kru-ger's proposed European trip was per-sonal and not political. The voyage was to be made for the sake of his health. Mr. Kruger declined to say whether the moment was opportune for a statement of a molitical character.

of a political character. Horrible Arizona Murder.

Phœnix, Ariz, Sept. 17.—Some time last Tuesday night Fermina Ochoa, a Mexican woman, about 50 years of age.

was murdered in a horrible manner a Yuma. He body was sound the follow Yuma. He body was sound the follow-ing morning in front of the house where she had taken lodging the night before. Her skull had been fractured by a blaw on the forehead and a piece of cloth torn into strips and twisted in-to a rope was tied around her throat so tightly as to produce strangulation. There was also a deep knife wound in the body. Suspicion was directed to-ward Guillermo Lisaldo, with whom

ward Guillermo Lisaldo, with whom she had come from Fortuna the night before. Part of his clothing was found in her room.

A dispatch says Lisaldo is at Lergo Colony, 50 miles below the international boundary line.

amounted to over \$250. Dickel had ap-parently been struck with a blunt in-strument and 'evidences of a fierce struggle are plainly visible. The mur-derers have not yet been arrested.

## Brave Policeman Dead.

Chicago, Sept. 17 .- Police Lieutenant dward J. Steele died suddenly early oday.

ed the police up Desplaines street to the scene of the Haymarket riot, his the scene of the haymarket riot, his company being at the head of the col-uran that advanced to disperse the an-archists who were making the speeches. He was prostrated by the force of the bomb exclusion, and had one of his wrists broken. Nine out of 24 of his company were seriously injured. rain was missed by train the mob H. Leiby and

# Bolivia-Chile Dispute.

New York, Sept. 17,-A special to the Herald from Washington says:

Bolivia has formally communicated to the United States an argumont in support of its claim to a port on the Pacific ocean in case the pravinces of Tacna and Arlea are decided to belong to Chile.
In view of this fact, state department officials believe that there is truth in the report published several days ago that chile has formally dealed her liability to cede a port to Bolivia in the subject:
T do not think Mr. Lamberi's coint is state emphatically that the dispute is not one they would favor any change of libits in the creater is interface. The general assembly will under no circumstances interfere. It probably would go to the extent of the during its good offices to avert wae, but should Chile decline to accept them that would end American action. Bollvia has formally communicated Manila, Sept. H.-General Wright, of the Philippines commission, is prepar-ing a bill for harbor improvements here It contains an appropriation of \$1,000,000 gold for the conteruction of protective

nicipalities will introduce a change in the derivation of revenue which will hereafter come largely from land instead of industrial taxation. This will involve the raising of questions of th validity of the exchange of land titles and will form a decision as to the ex-

tent to which the investments of religaffices to avert war, but should chile de-cline to accept them that would end American action.
