Louisiana—Doings of the Returning Board.

NEW ORLEANS, 24.—The returning board met this morning; present, Palmer, Trumbull, G. R. Smith and Julian, for the democrats; Stoughton, Hale, Van Allen, White and McGrew for the republicans.

Governor Wells stated that he had received a communication from the supervisors of Nachitoches, stating that the names of no electors had been left off the tickets. The report from the supervisors was read, in which it was stated that in Ward eleven the vote for Hayes electors was 542, Tilden electors 178, that it was thought necessary to count only the vote for electors at large and electors for the fourth congressional district.

Zacharie asked whether the returns could be corrected by outside testimony.

Gov. Wells answered it was not tistimony of outsiders, but commissioners of election.

Zacharie inquired if the statement was in the returns when opened.

Wells replied, no.

Zacharie asked if the democratic counsel would be offered an opportunity to contradict the statement.

Wells said it would, but the statement could only be contradicted by the ballots themselves. They would telegraph for them.

Mr. Daponte made application on behalf of the newspaper correspondents who presented application for admission.

Gov. Wells referred him to the special sent on the 19th to the Cincinnati *Enquirer*, from New Orleans, denouncing, in unmeasured terms, the board. He was firm in the determination to exclude correspondents.

Daponte protested that the whole fraternity be not blamed for the action of one judge.

Trumbull and Smith condemned this article.

Col. Zacharie pressed the election of Kennedy to fill the vacancy on the board, but Governor Wells said he had decided that the clerical force was full. If there was a vacancy the democratic recommendations would be considered. The board had not determined to appoint Kennedy.

McGlain read a petition of citizens and candidates for representation on the board. Both were refused.

Governor Wells fixed Monday as the date for examining East Baton Rouge returns. St. Martin's and Quachita will be considered today.

On application of Judge Spafford an officer was dispatched to search for the returns from Morehouse. The board then went into executive session.

Meeting of the Cabinet.

WASHINGTON, 24.—There was a full cabinet meeting, to-day, lasting two hours. A general consideration of affairs in Louisiana, Florida, and South Carolina, and questions growing out of the presidential election, received attention and discussion. Statutes touching the points recently raised and opinions of the Attorney General upon the questions of the rights and duties of courts in instances similar to those in South Carolina and Florida were referred to, but no formal action was taken by the government.

Internal Revenue Receipts.

The forthcoming report of the Commissioner of Internal Revenue will show the internal revenue receipts, during the last fiscal year, as follows; Alabama $97,000; Arizona $12,000; Arkansas $63,000; California $3,034,000; Colorado $73,000; Connecticut $656,000; Dakota $12,000; Delaware $417,000; District of Columbia $115,000; Florida $177,000; Georgia $363,000; Idaho $17,000; Illinois $23,699,000; Indiana $5,567,000; Iowa $1,212,000r Kansas $150,000; Kentucky $7,654,000; Louisiana $528,000; Maine $91,000; Maryland $2,570,000; Massachusetts $2,744,000; Minnesota $248,000; Michigan $2,650,000; Mississippi $83,000; Missouri $2,973,000; Montana $21,000; Nebraska $502,000; Nevada $63,000; New Hampshire $260,000; New Jersey $3,772,000; New Mexico $22,000; New York $14,158,000; North Carolina $1,670,000; Ohio $16,568,000; Oregon $48,000; Pennsylvania $5,970,000; Rhode Island $222,000; South Carolina $106,000; Tennessee $592,000; Texas $241,000; Utah $33,000; Vermont $47,000; Virginia $7,313,000; Washington Territory $20,000; West Virginia, $431,000; Wisconsin $3,308,000; Wyoming $15,000; total $110,001,138.

Beet Sugar-Making Machinery.

PHILADELPHIA, 24.—A meeting of gentlemen interested in memorializing Congress to remove the duties on beet sugar-making machinery, was held in the California State Building, on the exhibition grounds, to-day. Hon. J. A. Johnson, of California, presiding.

Florida—The Injunction and Mandamus Cases.

TALLAHASSE, 24.—Arguments in the injunction and mandamus cases were continued, to-day, before Judge White, Mr. Sellers and Judge Biddle, of Philadelphia, in speeches, and Governor Brown, of Ga., by written argument, appeared for the democrats; and Gen. Barlow and Judge Emmons for the republicans. The Court will possibly decide to-night, but certainly to-morrow. The situation is unchanged, with three counties yet to hear from. It will be Monday before all the returns are in, possibly later. The result from the face of the returns will be very close. It is very probable that unless the cases now pending should go to the Supreme Court, the canvass will begin on Monday or Tuesday. If an appeal is made before Thursday, the canvass will probably run up to the 5th of December, no matter when it is opened.

Letter from A. S. Hewitt to Wade Hampton—Wisdom and Patience in the Hour of Trial.

NEW YORK, 24.—Tilden and Hendricks were closeted for two hours, to-day, Hewitt being also present. To-night Hewitt publishes a letter to Wade Hampton as follows—

"National Democratic Com.,
"New York, Nov. 24.

"My Dear Sir—Your admirable address to the people of South Carolina is the subject of universal commendation here; in fact, the prudence, forbearance and self-control of your people, under the most exasperating provocations, is beyond all praise. I can only trust that, in the exciting situation in which you will find yourself next week, no outbreak will occur. It is almost too much to expect that there will be no indiscreet man in South Carolina who may provoke a collision; but, nevertheless, the providence of God has so far guided you and your people in all your difficulties, that your friends rest in calm confidence upon the wisdom and good fortune which have so far attended your actions. You may rest assur-

have consecrated themselves to the work of your deliverance, and will never cease their efforts until you are restored to that freedom wherewith you were free by the labors and sacrifices and wisdom of our forefathers and your forefathers. God give you and your people all the wisdom and all the patience needed in this hour of trial, and in this crisis of the destiny of our common country. We have full faith in the justice of the people of the United States, and we do not entertain any doubt of the final verdict which they will pass upon the occurrences of the last two weeks, this verdict will surely vindicate their majesty and re-establish a free government upon a lasting basis.

"I have the honor to be, very respectfully,

"Your obedient servant,
"ABRAHAM S. HEWITT,
"Chairman National Dem. Com."

Billiard Tournament.

Jacob Schaffer, to-night defeated Cyrille Dion, 300 to 198. Garnier defeated Rudolphe 300 to 216. Slosson this afternoon beat Maurice Daly 300 to 285.

Gov. Hendricks is Convinced that Tilden is Honestly Elected.

A reporter says Gov. Hendricks, Gov. Tilden, Ex-Gov. Curtin, Hon. Abraham S. Hewitt and wife, and Mrs. Hendricks dined with Hon. Peter Cooper, to-night. Gov. Hendricks leaves for home to-morrow. The following statement was made by Gov. Hendricks: He did not come here for the purpose of holding a conference. He states that he is so perfectly convinced that the feeling of honest men throughout the country is so general that Tilden has been elected, and the sense of justice of the country, irrespective of party, is so strong, that the corrupt canvassing boards of the South will not dare to set public opinion at defiance, and if they do make the attempt, they will fail in their purposes.

South Carolina—The Board of Canvassers in Contempt—Will Probably Have to Go to Jail.

COLUMBIA, S. C., 24.—The court convened at 4 p. m. In response to the rule issued at the morning session to the board of canvassers, to show cause why they should not be attached for contempt in refusing to obey its mandate issued on Wednesday, U. S. District Attorney Corbin, counsel for the board, introduced an affidavit asking for further time; but he refusing to indicate the line of their defence, or assure the Court that they would obey its mandamus; no further time was granted.

Counsel for the relators were instructed to draw the order, but as a recitation of all the proceedings was required as a preface to the order to commit the board for contempt, they requested until tomorrow morning to file it.

The Court said they hoped the board would, in the morning, obey its mandate, and purge the contempt. If they do not they will be committed to jail.

Counsel for the relators then moved that a peremptory mandamus issue to H. E. Payne, Secretary of State, to issue certificates to all the members of the general assembly, including the counties of Edgefield and Laurens, in accordance with the order of the Court, of Wednesday's session.

Associate justice Willard said the relators ought not to pray this at this state of the proceedings, as Payne was now in contempt, and the Court had no assurance that he would obey, as he had disobeyed their mandate already, intimating that counsel ought, therefore, to await the result of the rule before moving this order.

Judge Willard said, "Here we have just made a solemn decision, in which he (Payne) is a party, as a member of the board of State canvassers and Secretary of State. If the order in that case directed to him, as well as to others on the board, had been obeyed, this question would not have arisen. As the case now stands, an incident has occurred, rare in the history of civilized society—men clothed with civil authority of a limited character, subject to the courts of the land, have placed themselves in defiance of the highest court in South Carolina, and are now jeopardizing the security of justice and the security of peace. They are in an attitude of defiance not only against the abstract law, but against its embodiment in this court. They have brought political death for a moment upon the State and upon the nation. They hold in their hands a firebrand, and they have applied it to the whole structure that covers us. While they are thus standing defying the power of this court, we are now gravely considering the question of issuing another mandate to another member of this board. I cannot believe that when these gentlemen come to consider, when they come to-night to ask favor and ask protection of their God, when they recall the sanctity of their oaths of office, I do not believe they will longer resist the power of this court. This court is clothed with majesty. We do not speak with the voice of men; we speak in judgment, and judgment is the voice of God. Every legal power will be exhausted by the Court to compel from them what their conscience does not yield, and whatever loyalty, fealty, and justice there is in the community, will be exerted to compel by force what the conscience does not yield. What are we doing? What reason have we for believing that this order will be obeyed any more than others? What reason have we to believe this defiance will cease? We should take into consideration the bearings of the question. The action of this board, in my opinion, will do more to call up a generous spirit in the people and forgetful of partisanship, to cause them to unite upon the high ground of justice and truth, than anything that has been done in the history of the country since its first origin."

Tilden Preparing Plans.

CHICAGO, 24.—The *Tribune's* Washington special says Tilden is represented as busy reading up the constitutional questions on the election of President, law books, congressional proceedings, etc., and is particularly studying the laws of the Southern States now in dispute, and where ineligible electors have been found. He is in constant consultation with prominent politicians and lawyers concerning the possible contingencies affecting his chances. This is believed to be the preparation of plans for democratic congressmen, if the Hayes electors receive certificates in Louisiana and Florida.

PROTECT YOUR BUILDINGS

Which may be done with one-fourth the usual expense, by using our

PATENT SLATE PAINT,

MIXED READY FOR USE.

Fire-proof, Water-proof, Durable, Economical and Ornamental.

A roof may be covered with a very cheap **shingle, and by application of this slate be made to last from 20 to 25 years.** Old roofs can be patched and coated, looking much better, and lasting longer than new shingles without the slate, for

One-Third the Cost of Reshingling.

The expense of slating new shingles is only about the cost of simply laying them. The paint is FIRE-PROOF against sparks or flying embers, as may be easily tested by any one.

IT STOPS EVERY LEAK,

and for tin or iron has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS nor scales. Roofs covered with Tar Sheathing Felt can be made water tight at a small expense, and preserved for many years.

This Slate Paint is

EXTREMELY CHEAP.

Two gallons will cover a hundred square feet of shingle roof, while on tin, iron, felt, matched boards, or any smooth surface, from two quarts to one gallon are required to 100 square feet of surface, and although the Paint has a heavy body it is easily applied with a brush.

No Tar is used in this Composition,

therefore it neither cracks in Winter, nor runs in summer.

On decayed shingles it fills up the holes and pores, and gives a new substantial roof that will last for years. CURLED or WARPED shingles it brings to their places, and keeps them there. It fills up all holes in Felt roofs, stops the leaks—and although a slow dryer, rain does not affect it a few hours after applying. As nearly all paints that are black contain TAR, be sure you obtain our GENUINE article, which (for shingle roofs) is

CHOCOLATE COLOR,

when first applied, changing in about a month to a uniform slate color, and is to all intents and purposes SLATE. Or

TIN ROOFS

our red color is usually preferred, as one coat is equal to five of any ordinary paint. For

BRICK WALLS

our BRIGHT RED is the only reliable Slate Paint ever introduced that will effectually prevent dampness from penetrating and discoloring the plaster.

These paints are also largely used on outhouses and fences, or as a priming coat on fine buildings.

Our only colors are CHOCOLATE, RED, BRIGHT RED and ORANGE.

TO CALIFORNIA.

We don't give this for an *April* accomplishment, but it is very strongly rumored that Council Bluffs is to be the *half-way* station between Chicago and Council Bluffs.

If this is to be, and some experiments have been made to that end, we suppose it is on account of the superior condition of the road. A trip on the steel rails and well ballasted road, is not any more low, as much, wear and, tear on the employés and machinery to a train, from Chicago to Cedar Rapids, 218 miles, as it was on the iron rails from Chicago to Clinton, 143 miles, in the olden time.

It is not necessary for us to say that the C. & N. W. R'y is a first-class road in every particular, that it rides as easy as sitting in a "rocking chair," that its coaches are parlors, that its employes are the most polite and affable gentlemen the traveling public can meet or will meet in a lifetime of travel—the *esprit de corps* of the employes, if we may so say, is at a high standard; we say we need not say this in a newspaper, it is self-evident to every traveler on the road. *But in the future, are to be increased; we suppose the speed will be increased; if possible, the comforts will be more superb; there is to be a more complete, either for comfort or speed, leave the world's commercial metropolis, the* GOLDEN GATE, THAN THE GREAT TRANS-CONTINENTAL ROAD, THE CHICAGO & NORTH-WESTERN RAILWAY—THE ONLY COMPANY RUNNING THROUGH CHICAGO THAT HAS A ROAD SO RELIABLE THAT THEY ARE NOT AFRAID TO RUN AT ANY SPEED CAPABLE OF BEING ATTAINED BY ENGINES OF THE MOST IMPROVED CONSTRUCTION, RUN WITH THE HAND OF IRON NERVE, AND A HEAD OF BRAINS, WITHOUT ANY FEAR OF ACCIDENT OR INCONVENIENCE.

Every employe on the road feels a personal interest in the North-Western in every way; it's the "clipper" road in the West and so far as anything be can do it will continue so to be.

THIS IS THE TRANS-CONTINENTAL LINE FROM THE GREAT LAKES TO THE GREAT MISSOURI RIVER.

The old time traveler speaks with glee of the "ease and comfort" of these days of steel in contrast with the pioneer days of this pioneer road in the days of iron. The *comforts of travel on the North-Western Railway are in every traveler's mouth to the Atlantic to the Pacific.* It must be a proud compliment to the efficient management, and that is the reason every official or employe feels so happy and obliging.

It is with pride we mention these things, and join the general shout along the line. Hurrah for the "OLD RELIABLE."—*Rapids Republican, Aug. 14, 1876.*
