Miss Mary Allce Spry, the eldest daughter of Governor and Mrs. Wil-liam Spry, was chosen Wednesday afternoon at a meeting of state officials to be sponsor for the new bat-tleship Utah, which will be launched about Dec. 23,1909. The meeting was called by Governor Spry when he received a communication from Geekman Winthrop, assistant secretary of the navy, who informed him that the battleship would be ready

yards at Camden, N. J. Miss Spry is 18 years old and made her debut about a year ago among the younger society set in Sait Lake. She is a charming young woman and has attended many functions given by Governor Spry since his election. When the state officials were called together, they decided that Utah ought to follow the custom establish-ed years ago that where the governor was fortunate enough to possess a daughter who could name the bat-tleship, that she should be chosen. Miss Spry was the only one mention-ed to represent the state. Governor Spry amounced that the official Utah party would consist of himself, the congressional delegates, the state elective officers, the three justices of the supreme court, the governor's official staff and the presi-dent of the senate and speaker of the house of representives. The shipbuilding company wired Governor Spry last night to know the spronsor and was informed by tele-graph last night, Mr, Winthrop was also notified of the choice made by the state officials.
