

Lieut.-Governor, Commissioner of Pensions, President of the District of Columbia Board of Health, and Commissioner to the Australian Exposition, died at 9.30 last night. Dr. Cox was a man of fine literary attainments. He leaves a widow, a son in California, and a daughter, a wife of Mr. Dawson of the Interior Department.

Denver, 26.—This morning, while the train from Leadville was near Canon City, Ham Sheppard, of Manchester, Virginia, stepped into the water closet and shot himself. He had been suffering from brain fever, and was en route east for medical treatment.

Chicago, 27.—Hamilton, Ohio, special: Louis D. Campbell, prominent in State politics, and for many years chairman of the Ways and Means Committee in Congress, but lately retired from public life, died yesterday.

New York, 26.—John Tobin, ex-president of the Hudson River railroad, and at one time a power on Wall Street, was arrested for drunkenness. He was locked up in the 1st Precinct Station, and was yesterday before Justice Morgan, at the Tombs police court, who discharged him with a reprimand. He was formerly a millionaire, and a man whose figuring set the Stock Exchange in uproar, and influenced speculation all over the country. He has become an utter wreck, physically and financially. In the days of his prosperity his speculative schemes were on the scales of Vanderbilt and Daniel Drew, and he dealt in shares by the hundred thousand. Now he is little better than a beggar, and the police say he is rarely seen sober.

CHICAGO, 28.—The local papers are calling the attention of Mayor Harrison to the fact that a large number of gambling halls are running in the city. The names of places and the numbers are given with great circumstantiality, but the mayor professes to know nothing of any such illegal places. Universal praise is accorded the police superintendent for his late raid on the Hankins den, and he is urged to eradicate the whole unlawful nest.

It is stated fast trains are contemplated between here and St. Paul to be put on next summer, by the Northwestern & Milwaukee and St. Paul roads, leaving Chicago at 8.30 in the morning and arriving at St. Paul at 9.30 the same evening. It is authoritatively stated that C. C. Wheeler, of the Atchison Road declines to become arbitrator of western pools.

The iron men of this city declare that there is not a particle of foundation to the story recently published that a Bessemer Steel ring exists in the west.

A Joliet special says: The trade and labor council boycotted two newspapers of this city, and all merchants who patronize them on account of a denunciatory article in the papers, directed at the Unions.

A Lincoln, Neb., special says: The count of the vote for regent of the State University shows a majority for Gere, republican, of 279. The democrats have claimed that their candidate was elected.

A Madison, Wis., special says: The official State vote on congressmen, shows democrats 103,546, republicans 94,652, prohibition 14,116. Democratic plurality 8,894, republican, last year, 11,957.

A New York special says: Sullivan, the pugilist, unexpectedly appeared at Tom Allen's benefit last night and made a speech amid loud applause, saying he would always be ready to give one third of the gate money to a man who stood up against him for four rounds. He goes to Chicago to fight Elliott.

BATON ROUGE, 28.—General Andrew S. Herron, congressman elect in the 6th district, died very suddenly last night, of heart disease.

EVANSVILLE, Ind., 28.—On Sunday the family of Thomas Hughes, living near Spottsville, Ky., 18 miles from here, went to church, to be gone all day, leaving an infant in charge of a colored girl. The girl went to a neighbor's leaving the child on a pallet on the floor, and was also gone all day. When the family returned they found the child dead and most horribly eaten by rats.

CHICAGO, 28.—The clearing of the country for the week ending Nov. 25th amounted to 1,554,000, an increase of 30,000,000 over the previous week, and probably the largest recorded.

After December 1st, the Union Pacific Road will be open for business to Los Angeles.

The following will be the rates from Omaha or Kansas City to Los

Angeles or intermediate points: First class, \$155.50; first class limited, \$100; second class, \$78; emigrant, \$47.50. From Kansas City or St. Joseph to San Francisco the rates will be the same as from Omaha now. The rates from St. Louis to San Francisco will be, first class \$105.85; second class, \$82; emigrant, \$52. W. G. Swan, general traffic manager; J. T. Clark, general manager; A. V. H. Carpenter, general passenger agent of the Chicago, Milwaukee & St. Paul Road, have gone to California. Swan, who was accompanied by Mrs. Swan goes for his health, the others devote their time to business. Commissioner Midgely gives notice that the tariff circular or advices of the Southwestern Railway Association, the Iowa Trunk Line Association, and the Colorado Traffic Association, issued prior to Jan. 1st, 1883, naming the classification or rates of traffic embraced in either or all of said associations except California business, will be null and void on and after that date. Tariff circulars, etc., are to be issued taking effect Jan. 1, 1883, that will contain all the information necessary in regard to rates of classification, etc., to be applied on shipments made on and after that date.

Henry L. Hazen, of the signal service, predicts the coming winter will be mild. The prediction is based on a thorough examination of the indicators in the possession of the signal office.

Gen. Raum's internal revenue report shows the net receipts of the fiscal year 1881-2 were \$138,884,000, of which the distillers of spirits furnished \$69,000,000, tobacco \$47,000,000, fermented liquors \$16,000,000. Illinois paid twenty per cent. of the whole revenue.

#### FOREIGN.

LONDON, 27.—The Mark Lane Express, in its review of the British grain trade the past week, says progress is helplessly late with wheat sowing.

Hannibal Hamlin, United States Minister to Spain, going home on a furlough, sailed to-day.

Clevedon Hall, the residence of Sir Arthur Elton, near Bristol, is burned. The library, the most valuable in England, was partly burned.

In Commons, Trevelyan, chief secretary for Ireland, asked the House to remember there is a difference between the general state of Ireland and the crimes and violence of Dublin.

In Parliament to-day, Trevelyan stated the conflict between the Dublin police and organized lawlessness seemed inaugurated. The government was determined to use all the resources at its disposal to put down the latest developments of disorder. Trevelyan added the number of crimes in Ireland this month aggregated under 100, which was not the case in any month for 28 years. Trevelyan also said the recent speech of Redmond at Cork, in which he advocated boycotting and revolution was under the consideration of the government.

The train of the North Scotland Railway from Macduff this afternoon, fell through a bridge at Fivie, Aberdeenshire. Fourteen persons were killed and many injured. The engine had passed in safety.

At the wool sales to-day, 9,000 bales were disposed of comprising New Zealand and Victorian. Prices unchanged.

The steamer *Cabronne*, belonging in Nantice, was sunk by a collision in the British Channel to-day. Three persons drowned.

Dublin, 27.—Five more suspects were arrested this afternoon in connection with the murder of detective Cox. Dowling or Dolan is progressing favorably. In the police court to-day, the men Devine, Woodward and Ryan were arraigned and charged with the murder of Cox. Detective Eastwood identified Devine, but was not sure about the other two. The prisoners were remanded.

The municipal election resulted in the return of five nationalists, two unopposed. The successful candidates take the place of liberals.

Sunday evening a party of moonlighters attacked a farm house near Cassel County, Tipperary. The occupants of the house beat them off, and they pursued and captured the whole gang.

Dublin, 28.—Davitt, in a speech at Mavan last evening, eulogized the active Irish party. Action in Ireland, he said, must always be paramount to work in Westminster,

Referring to the threatened famine in West Ireland, he declared the tenant farmers could not starve. In case they were unsuccessful in getting the Government to do its duty, he proposed to make the landlords support the people. If Gladstone did not apply the surplus arrears estimate to save the people, then no rent should be paid. From November until May, a portion of the arrears surplus should be placed as a National relief fund to save the people from starving. In 1848 Archbishop Hughes declared in New York that a man threatened with hunger would be justified in seizing bread upon the altar; how much more justified would the Irish be in feeding their destitute from the tribute they are compelled to pay felonious landlordism.

Dennis Field, juror in the case of Hanes, hanged for the murder of Heber Daugherty, was met in Frederick Street on his way home to dinner to-day by a car containing two men, one of whom jumped off and stabbed Field in several places with a sword. Field is dying.

Field's assailants drove off in the direction of Turcombra. Field is still alive, but his condition is precarious.

Another stabbing case is just reported. A bailiff named Thomas Mallon, serving a writ to-night on Gardiner in this city, received a serious stab wound. Three arrests were made.

A mob to-night attacked the Jervis Street hospital, where Dolan, who shot and killed Detective Cox is, with the object of removing him. The mob shouted, and tried to break open the doors.

BERLIN, 27.—It is generally reported in Parliamentary circles that the Reichstag is about to be dissolved because the government considers it impossible to conduct the public business satisfactorily with the Prussian Parliament conservative and the German Parliament liberal. The government believes a new election would result very favorably for them.

Bismarck, it is expected, will return to Berlin on Friday.

A Cairo telegram from the Governor of Soudan, announces that the rebels were defeated at Deirer with great loss, and much plunder taken.

Monaco, 27.—A dynamite cartridge which had been placed at the entrance to the Mont Carlo gambling saloon, exploded last evening, causing great panic and wounding an officer. An Italian was arrested in connection with the affair.

Berlin, 27.—Bismarck rejected the preliminary draft prepared by the minister of finance of the bill abolishing the four lowest grades of class tax, and has instructed the minister to recast the preamble.

Cologne, 26.—The river Rhine reaches 948 metres, and is still slowly rising. Express trains for Holland are obliged to traverse the left instead of the right banks of the river.

Crossen, Prussia, 27.—Baron Otto Theodore Von Manteuffel, Prussian statesman, is dead.

Paris, 27.—The Madagascar ambassador refuses the ultimatum requiring Madagascar to recognize the French protectorate. The ambassador has started for London.

A bill has been distributed in the Deputies containing, among its signatures those of Gambetta and Paul Bert, giving all persons the right to leave testamentary instructions as to whether their bodies shall be buried or cremated.

Bonnet Deneldire, the well known tragical deputy from Lyons, is dead.

Two thousand members of the French Trades Unions assembled yesterday and extended greeting to 12 delegates from English unions, who came to Paris to represent the views of the latter bodies in favor of the completion of the Channel tunnel.

Constantinople, 27.—Assym Pasha is appointed minister of foreign affairs in place of Said Pasha.

Turkey refuses to recognize the cession of Massowah or any territory on the Red Sea to any power.

Dervish Pasha has been released. Vienna, 27.—Tuad Pasha and Keamil Pasha have been arrested at Constantinople, the former was lately entrusted with a special mission to Vienna.

Quebec, 26.—Yellow fever has broken out at St. Ann de Picard and St. Pacome. It spread from the bodies of persons who died in the United States and were brought home for interment.

Hamilton, Ont., 27.—The death of the Roman Catholic bishop of this diocese is reported.

\$1500 per year can be easily made at home working for E. G. Rideout & Co., 10 Barclay Street, New York. Send for their catalogue and full particulars. w 40 1y

Gray hairs often cause annoyance which Parker's Hair Balsam prevents by restoring the youthful color.

Mothers should new it. Fretful babies cannot help disturbing everybody, and mothers should know how soothing Parker's Ginger Tonic is. It stops babies' pains, makes them healthy, relieves their own anxiety and is safe to use. Journal. w.

How to avoid drunkenness. Forbid intoxicating nostrums and use Parker's Ginger Tonic in your family. This delicious remedy never intoxicates, is a true blood and brain food, and aiding all the vital functions never fails to invigorate. w.

What Women Should Use. Dyspepsia, weak back, despondency and other troubles caused me fearful suffering, but Parker's Ginger Tonic makes me feel like a new being. A great remedy. Every woman should use it. Mrs. Garitz, Pittsburg. w.
