

GLOIDE WEAVER MURDERS MOTHER

When Officers Went to Arrest
Him He Opened Fire and
Killed Deputy Sheriff.

SHOT HUSBAND AND WIFE.

Used Fast Shot to End His Own Mis-
erable and Wicked Ex-
istence.

Greensville, O., Nov. 29.—After mur-
dering his mother and a deputy sheriff
who had attempted to arrest him and
probably fatally injuring another
woman and her husband, Gloide Weav-
er, 24 years old, committed suicide
this afternoon.

Weaver was declared by physicians
to be afflicted with exaggerated ego
and was under suspended sentence from
the probate court. At 2:30 this after-
noon, Sheriff John D. Haber and
Deputy Sheriff William H. Farra went
to Weaver's house to arrest him.

The appearance of the officers seemed to
drive the man violently insane. He
opened fire upon them from an upper
window and Farra fell wounded.

A moment later Weaver's mother ran
from the house, crying "I'm shot," and
fell dead at the feet of the sheriff.

While Haber was trying to revive the
woman, Weaver crawled from the house
carrying a revolver. He went to his
wood shed where Farra had crawled
and fired twice at the wounded officer,
killing him. He then jumped into the
buggy in which the officers had come
to the house and drove to the home
of Levi Minich, a neighbor, from
whom he demanded protection. When
Minich hesitated to allow him to enter
the house, Weaver drew his revolver
and shot Minich through the back.
Weaver then turned on Mrs. Minich
and shot her twice.

A large posse quickly surrounded the

house, and two deputy sheriffs broke
through the door. They discovered the
body of Weaver under a bed. He had
used his last bullet to blow out his own
brains.

The condition of Mr. and Mrs. Min-
ich is critical.

**FARMER MAKES MURDEROUS
ASSAULT ON HIS MOTHER**

Aurora, Ill., Nov. 29.—Albert Marclay,
a farmer, was arrested today charged
with a murderous assault upon his
mother, Mrs. Elizabeth Marclay, Sun-
day night at his home a few miles
west of town.

Marclay is declared to have struck
his mother on the head with an iron
bar after he had returned home late
and found her sitting up awaiting his
arrival. He fled to this city, where he
was arrested at a theater.

When farmers heard that Marclay
had been arrested at Aurora threats
of lynching were made.
Emmity, it is said, arose between al-
bert Marclay and his mother over the
disposition of property. The widow
was sole beneficiary of a \$12,000 estate.
It is feared the woman will die.

**PATRICK RAFFERTY
MURDERS HIS WIFE**

New York, Nov. 29.—Patrick P. Rafferty
killed his wife in their Brooklyn
home early today by cutting her throat
with a razor. Frank Ohland, a brother-
in-law, attempted to interfere, as did
Mrs. Margaret Kelly, mother of Mrs.
Rafferty. Ohland was severely cut and
Mrs. Kelly's skull was fractured by a
blow from a broomstick. Rafferty ran
into the yard and attempted to kill
himself by cutting his own throat with
the razor he had used on his wife. Mrs.
Kelly and Rafferty are in the hospital,
where it is believed both will live.
Rafferty had been staying out late
at night, according to relatives and
when he returned this morning, his
wife remonstrated with him.

**FAVORS REVISING INTER-
STATE COMMERCE ACT**

Washington, Nov. 29.—Following a
lengthy conference at the White House
today, it was announced tonight that
the administration will exert all its in-
fluence toward securing a comprehen-
sive revision of the interstate commerce
law by the incoming Congress. A rough
draft of the proposed amendments to
the law was submitted by Atty.-Gen.
Wickersham.

The president had as his advisers the
attorney general, Commissioner Lane of
the interstate commerce commission and
Senators Elihu and Cummins.
Frank B. Kellogg, special "trust bust-
er" of the department of justice, and
Secretaries Wilson and Dickinson also
gave their views.

While the president has not yet made
his selection of the men in Congress
who will be entrusted with the task of
putting the legislation through, there
are said to be a large number of can-
didates anxious for the honor of ap-
pearing as champions of the White
House.

DEXTER SMITH DEAD.

Boston, Nov. 29.—Dexter Smith, 30
years ago a well known musician, critic
and author of several popular songs, is
dead. Smith was born in 1879. Among
his songs were "Put Me in My Little
Bed" and "Cross and Crowned."

**MRS. STOKES INTERESTED
IN SHIRT WAIST STRIKERS**

New York, Nov. 29.—The striking girl
shirt makers in this city have en-
listed the sympathy of Mrs. Rose Pas-
tor Stokes, wife of J. G. Phelps Stokes.
In their contest with their employers,
Mrs. Stokes spent some time talking
with the strikers in a hall on the East
side after which she said:

"My object was to advise the strikers
to work in concert and do nothing that
could be construed as a breach of the
law. I learned that the girls were
driven to strike by miserable wages
and conditions of work. From this
time I shall take an active part in
aiding the strikers."

KILLS HER FOE OF 20 YEARS.

"The most merciless enemy I had
for 20 years," declares Mrs. James
Duncan of Hayneville, Me., "was
Dyspepsia. I suffered intensely after
eating or drinking and I could scarcely
sleep. After many remedies had failed
and several doctors gave me up, I
tried Electric Bitters which cured
me completely. Now I can eat any-
thing I am 70 years old and am
overjoyed to get my health and
strength restored. For indigestion,
Loss of Appetite, Kidney Trouble,
Lancet Back, Female Complaints, etc.
unequalled. Only 50c at Z. C. M. I.

**CITIZEN'S VESTED RIGHTS
CANNOT BE DISTURBED**

Washington, Nov. 29.—The supreme
court of the United States today upheld
the finding of the supreme court of
Idaho in a case involving the question
as to whether a city has the right to
buy out streets so as to encroach upon
private property.

This action was brought to compel
Louis E. Butler to remove buildings
which encroached four feet on a street
in the town of Lewiston. It was shown
that the property had been occupied by
Butler before the town was laid out,
and the Idaho supreme court held that
under those conditions the streets could
not be run by the surveyor as to
deprive the occupants of vested rights.

FIFTY YEARS A TEACHER.

Chicago, Nov. 29.—Fifty years a peda-
gogue. That is the record of Cyril T.
Bright, superintendent of district No. 4
of the Chicago public school system.

The activities of any one man in any
profession seldom span such a gap be-
tween the past and the future, but Mr.
Bright still is in the service. Half a
century ago, almost to a day, Orville
T. Bright took charge of a little country
school at Spring Prairie, Wis. Since
that time he has filled important posi-
tions in the educational world. He has
been connected with the schools of
Chicago for 40 years. Mr. Bright was
born in England, Oswego county, New
York, on April 22, 1839.

**DARING HOLDUPS IN
COLLINS, MONTANA**

Great Falls, Mont., Nov. 29.—The lit-
tle town of Collins, a line of the
Great Northern, north of Great Falls,
tonight about 8 o'clock was the scene
of a sensational holdup, or rather three
distinct holdups. Three men entered
the store of the Roorman Lumber com-
pany at the place, made two employes
and four customers hold up their hands
and range themselves in a row, made
one of the employes go to a safe and
deliver \$1,000 which had just before
been received by express from Great
Falls, went through the six men who
were in the store, getting what money
they had in their pockets, which was
not a great deal. While they were op-
erating another customer came in and
he, too, was lined up and robbed, but
he only had 75 cents.

ZEPPELIN'S FIRST VOYAGE.

Burgert's New Symphony Will Be Pro-
duced at Coblenz Wednesday.

Berlin, Nov. 29.—August Burgert's
new symphony, "Zeppelin's First
Voyage" will be produced under the
direction of Prof. William Rees at
Coblenz Wednesday. The work is dedi-
cated to Count Zeppelin and furnishes
another indication of the modern spirit
of music by introducing the automo-
bile horn as an orchestral instrument.
The theme develops the prepara-
tions for the count's ascent in his first
dirigible balloon, the smooth flight,
the applause of the multitudes, the
mountains and valleys, the cities the
thunderstorm, the landing and finally
the destruction of the aero-craft by fire.
Gustav Mahler's latest symphony
will be ready for production early
in the new year.

**GOOD COUGH MEDICINE FOR
CHILDREN AND GROWN
FOLKS, TOO.**

"We could hardly do without Cham-
berlain's Cough Remedy," says Mrs.
Flora Despain of Elroy, Ky. "I found
it to be so good for the group and have
used it for years. I can heartily recom-
mend it for coughs, colds and croup in
children and grown folks, too." The
above shows the implicit confidence that
many mothers place in Chamberlain's
Cough Remedy. A confidence based on
many years' experience in the use of it.
No one need hesitate to use this reme-
dy for it contains no chloroform, opium
or other narcotics and may be given to a
child as confidently as to an adult. For
sale by all druggists.

Health And Beauty Helps

BY MRS. MAE MARTIN.

Miss Anxiety: It is a bitter con-
fession for our sex to make, but we have
to admit that the girl who takes the best
care of her complexion and general ap-
pearance has the best chance of getting
a good husband. You should not be so
careless about those blackheads and
large uneven pores below your eyes. If
you wish to get rid of these troubles, get
an ounce of skin cream from your druggist
and dissolve it in 1/2 pint of cold water
and add 2 teaspoonsful of glycerine. Stir
briskly and use as usual. Apply as you
could use complexion cream. I have had
friends tell me it is splendid for re-
moving wrinkles. It is unequalled for
massaging the face and will leave the skin
smooth and pliable. This cream contains
no oil or anything that will promote a
growth of hair on the face, and I rec-
ommend it for chapped face and hands,
also for removing tan and freckles.

James J. Eczema, salt rheum, rashes
and similar itching skin diseases are ter-
ribly annoying. The best remedy I know
of is made in this way: Get from your
druggist 4 ounces of Luxor and mix with
4 tablespoonsful of alcohol and a half-
pint of water. Shake bottle, pour small
quantity upon affected surface and let
dry, repeating treatment until eruptions
disappear and skin is restored to healthy
condition. In general, this remedy has
proven very effective.

Katie D.: Never scratch the scalp with
the finger-nails. To remove the dandruff,
stop your scalp from itching and keep
the hair from falling out, shampoo the
hair twice a month with cantrox and
use a hair tonic made by dissolving 1
ounce quinine in 1/2 pint alcohol and 1
pint of water. This is a splendid tonic
for the hair, and if used regularly will
keep your scalp and hair in a healthy
condition. I find it makes the hair glossy
and the scalp moist. It is the best
and most refreshing tonic I know.

Harriet W.: If your eyes feel tired
and are dull and inflamed, you need an
eye tonic. Dissolve an ounce of crystals
in a pint of water. One or two drops of
this in each eye every day is all that is
needed to strengthen your eyes and
make them bright and sparkling. This
tonic will not smart or burn and is a
great aid to those who wear glasses. It
makes the eyes appear brilliant and full
of expression. A friend of mine, who is
on the stage, tells me she keeps her
much-admired eyes beautiful by using
this tonic. I find it very strengthening
to weak, inflamed, dull and tired eyes
and for granulated eye-lids.

Miss G. F.: Your letter really amused
me. You are entirely too fond of be-
ing charming. It is no wonder your sweet-

**INDUSTRIAL CONSPIRATOR
GETS SIX MONTHS**

Spokane, Wash., Nov. 29.—John Pan-
ner, one of the leaders of the Industrial
Workers of the World, convicted of con-
spiracy, was sentenced today to six
months in jail at hard labor. Evidence
was introduced showing that Panner
had come to this city to fight the ordi-
nary regulating street speaking and
that he had sent out telegrams to near-
by towns calling for men "to fill the
jails in Spokane."

Panner appealed from the sentence,
his bond being fixed at \$7,000.
Ten more street speakers were ar-
rested today. More than 30 have been
jailed and have agreed to break rock in
order to secure three meals a day.

IT IS A WONDER.

Chamberlain's Liniment is one of the
most remarkable preparations yet pro-
duced for the relief of rheumatic pains,
and for lame back, sprains and bruises.
The quick relief from pain which it af-
fords is alone worth many times its

Health And Beauty Helps

BY MRS. MAE MARTIN.

heart appears to care so little for you
since you have grown so fleshy. As a
famous actress recently said: "Nobody
loves a fat woman." You ought to re-
duce your weight at least 50 pounds.
Even though other remedies have failed,
try this: Dissolve 4 ounces of parrotin
in a pint of hot water and take a table-
spoonful before each meal. This remedy
is perfectly harmless and does not re-
quire dieting. I am sure it will do you
a world of good and enable you to re-
gain your former stylish, slender figure.

Anna R.: (1) Don't use soap when
shampooing. It does more harm than
good. It makes the hair stiff and leaves
the scalp burnt and dry. Try shampooing
your hair every two weeks with a
teaspoonful of cantrox dissolved in a
cup of hot water. I never use any other
kind of a shampoo. Cantrox soothes
freely and gives a delightful shampoo
that dries quickly. It cleans the hair and
scalp nicely and stops all irritation. You
can get a cantrox shampoo at almost
any shampoo parlor, or you can buy can-
trox from your druggist and prepare
the shampoo at home. It makes the hair
soft and glossy. (2) For a genuinely
good hair tonic, see answer to Katie D.)

Louise L.: Men certainly can't be
blamed for admiring pretty women. The
woman with a clear, fresh-looking,
youthful complexion deserves attention.
If you want to get rid of that shiny,
greasy, muddy look to your complexion,
the best time you go to the drug store,
get 4 ounces of surmax and dissolve it
in a half-pint of hot water and add 2
teaspoonfuls of glycerine. This lotion
will not rub off like face powder, but
will clear up and whiten the skin, make
it soft and smooth, and give you a
beautiful complexion. I find this lotion
excellent for rough, scaly skin, cold
sores, tan, freckles and pimples. It costs
very little and is unquestionably a won-
derful beautifier.

Flora: That tired feeling you have
on arising every morning shows plainly
that your blood is not in good order.
You ought to take a good tonic. The best
tonic I know of is made by dissolving
an ounce of karsin and a half-teaspoonful
of sugar in a half-pint of alcohol, and
adding enough boiling water to make
a full quart of tonic. Take 1 ta-
blespoonful 5 minutes before each meal
and before retiring. It will clear up
your blood, relieve you of that tired,
lazy feeling, give you renewed energy
and remove those pimples from your
face. This tonic will give your blood in
good condition, and make you feel like
a new woman. My experience shows
this tonic an excellent one for clearing
up a sallow complexion, restoring lost
appetite, removing liver blotches, skin
eruptions, and toning up the system gen-
erally.
