**Rush Valley Reservation Bill Passed.**

WASHINGTON, 23.—The bill for the sale of the Rush Valley military reservation, Utah, was objected to by Durrell, who declared that the proposed method of disposing of these reservations would practically take away the land from the men who wanted to get it for farms. When the military reservations were no longer needed they should revert to the public domain, and be subject to homestead and pre-emption laws; the bill passed.

**Writ of Mandamus Against the U. P. Road.**

CHICAGO, 23.—In the U. S. Circuit Court, at Des Moines, Ia., yesterday, Judge Delong rendered a decision in the case of the U. S. ex-relation J. E. Hall and others, against the Union Pacific R. R. co., praying for a writ of mandamus to compel that company to operate the road as one continuous line from Council Bluffs westward, and to desist from operating its bridge over the Missouri River at Council Bluffs as an independent line. The opinion sets forth that two leading objections have been urged against awarding the writ, the one relates to the jurisdiction of the court, the other to the form of proceedings. Whether the cureuit court of Iowa is the proper circuit court to hear and determine the case need not be now determined, the Judge says, and he accordingly reserves any decision as to the question of jurisdiction until the character of the service of the writ upon it is known. The objection to the form of proceeding, is that the law officers of the U. S. have the sole right to apply to the court for a writ, and that private persons can only move for a writ of mandamus when it is to enforce some individual right; that there is no legislation of Congress making it the duty of the United States officers to institute proceedings like the present, when the duty said to be neglected is one which the company owes to the public, and when individuals who suffer from such neglect complain of it, must the court refuse the writ solely because the Attorney General does not move for it? This question must, upon principle and authority, the court concludes, be answered in the negative. The judge cites numerous authorities in support of this position, and concludes as follows: "Reserving, as we do, all questions which concern the merits of the controversy, and in order that the merits may be better understood, we think our discretion will be more wisely exercised by awarding than by refusing the alternative writ, particularly, as in this way, the opinion of the Supreme Court may more certainly be obtained than if the writ was denied."

**Mr. Swing will Resign.**

Dr. David Swing, to-day, publicly announced his determination of applying to the Chicago Presbytery for a letter of dismissal from the ministry of the Presbyterian church. He will remain in the fourth Presbyterian Church, however. He preached to-day to an overflowing house, hundreds being unable to obtain entrance. A collection was taken after the service to pay off the church debt; it amounted to twenty thousand, the whole amount.

**The Chandler Libel Suit—Funeral of Gen. Dyer.**

WASHINGTON, 23.—In the Supreme Court of the District of Columbia to-day, the case of Buell, correspondent of the Detroit *Free Press*, on a charge of libel, by Senator Chandler, came up on exceptions to the overruling by the lower court of the motion to dismiss the *certiorari* to the police court. After argument the court decided that the case properly belonged to the criminal court, where it could be tried by a jury, thus sustaining the judgment of the court below.

The funeral of Gen. Dyer took place this afternoon and was largely attended.

**David B. Mellish Dead.**

David B. Mellish, Representative from New York, who was removed to the government asylum for the insane about two weeks ago, died this p.m.

**Lost at Sea.**

NEW YORK, 23.—From the London *Telegraph* of the 12th of May it appears that there is scarcely a doubt of the loss, with all on board, of the African mail steamer *Liberia*, which sailed from Liverpool on the 11th of April for Madeira and the west coast of Africa. She should have arrived at Madeira by the 18th ult. The steamer *Volta* of the same line, which arrived at Liverpool on the 11th of May, reports having picked up casks and packages, that were undoubtedly on board the *Liberia*, and which are known to have been stowed so low in the hold that they could only have got loose by a complete break up of the vessel.

**Not Mortally Wounded—Captain Hyde to be Compensated.**

Panama advices to the 15th report that Gonzales, commandant at San Juan de Guatemala, was not mortally wounded while attempting to escape on board the steamer *Arizona*, after flogging the British consul Magee. The *Arizona* passengers strongly condemn U. S. consul James for not interfering to protect Magee from the cruelty.

The authorities of Chili have decided that international law does not justify them in the imprisonment of Captain Hyde for the loss of the English steamer *Tacna*. He has been liberated and returned to England. The government offers to pay his passage and to compensate him for false imprisonment.

**Another U. P. R. R. Lawsuit.**

BOSTON, 23.—A preliminary hearing was had to-day, in the U. S. court, before Judge Lowell, on a petition against the Union Pacific Railroad Company, filed by Henry W. Golding, of New York, to determine whether the order of notice to show cause shall issue. Counsel for the petitioners claimed that the road was bankrupt, and that the legislative enactment under which it sought to evade the operation of the bankrupt laws was unconstitutional. The latter point was the question mainly at issue. The Judge reserved his decision.
