Local and Other Matters.

FROM WEDNESDAY'S DAILY, JUNE 30.

Returned.—President Brigham Young and party returned last evening from their Southern trip.

Twentieth Ward Institute.—There will be a meeting of the members of the 20th Ward Institute to-morrow night.

Committed to Jail.—Yesterday Davis, brought in from Evanston, by Sheriff Taylor, pleaded guilty to stealing a mule, and was committed, in default of \$500 bonds, to await the action of the grand jury.

No Fire Crackers.—In accordance with the petition of the fire insurance agents, the city authorities intend carrying out strictly the ordinance relating to the setting off of fireworks in celebrating the Fourth. A portion of the law will be found in another part of the NEWS.

Bound Over.—This morning Mrs. Capes had a preliminary examination, before Justice Pyper, on a charge of stealing a watch and a quantity of jewelry from Madame Davis, resulting in the accused being bound over in the sum of \$500, to await the action of the grand jury.

Large.—The hailstones that fell in a late storm, in a portion of Pine Canyon, measured three inches in circumference, being about as large as pigeon eggs. In one small settlement the melon vines were mashed into the ground, the corn was cut, stripped, and seriously damaged, and most of the young chickens were killed.

New Building.—F. Aderbach & Bro. have removed into their new store, No. 55 East Temple Street, which is one of the most elegant and complete establishments in Salt Lake City. The wholesale department is on the first floor, the basement is for general storage, and the ground floor for retail purposes, all being admirably adapted for their respective uses. These enterprising merchants are thus now well prepared for a large and growing trade.

Want to See the Elders.—Bro. Wm. Hill writes from Toms Creek, Surry County, N. C., May 24, and states that he and about twenty others are the remnants of the Plate Mountain branch of the church, in the counties of Stokes and Surry, and they are very anxious for the branch to be reorganized, thinking that a good work can be done in that region. They would be very glad to hear from the Elders sent into the Southern States, and learn of their whereabouts.

A Match Game.—Mark Lindsey has had made a fine large appropriately engraved silver medal, which he will present to the champion croquet player of Utah. The medal will be played for, at the Lindsey Gardens, to-morrow, and the winner, lady or gentleman, who will hold the trophy will hold him or herself ready to respond to chal-

lenges from other parties who may desire the championship, the matches to be played on the same grounds at every contest.

Handel and Haydn Society.—The Handel & Haydn Society will resume rehearsal meetings at the 13th Ward Assembly Rooms to-morrow (Thursday) evening at 7.30 o'clock. All the members of the Society are requested to attend, punctually, and bring along their copies of "The Messiah."

Ladies and gentlemen, "lovers of music," not belonging to the Society, are kindly invited to attend and become members.

CHARLES SMITH,
Secretary.

Firemen's Excursion.—The Firemen's excursion to Ogden on the 5th promises to be (numerically) a success. Our citizens are taking advantage of excursion rates to visit their friends on that occasion. We are requested to announce that there will be a special train leave Ogden for this city immediately after the torchlight procession; about ten p.m. This will not interfere with the arrangements already made by those who wish to remain until the next day—it is only for the accommodation of parties who are compelled to return the same day. The committee desire all those who wish to participate, to secure their tickets by Friday night.

City Council.—The Council met last evening, Mayor Wells presiding.

G. F. Culmer & Co. were granted the privilege of piling building material on the street opposite their premises, during the erection of their new store.

Petition of H. W. Lawrence and other fire insurance agents of this city, asking the prevention of the practice of exploding fire-crackers, and the setting off of fireworks during the coming Fourth of July; referred to the Marshal, with instructions to publish the ordinance relating to the subject.

The committee on streets and alleys reported favorably on the petition of R. H. Robertson and others, asking that the supervisor be instructed to repair Second South Street, east of Second East Street; report adopted.

The committee to whom was referred the petition of W. Hickenlooper and others, asking that the canal passing through the 5th and 6th Wards, be sufficiently protected to prevent accidents, reported that they found it as safe as other canals and ditches in the city, but recommended the placing of foot-bridges across it, opposite the middle of the blocks alongside of which it passes; report adopted.

The Supervisors quarterly report was reported correct, and placed on file.

Five hundred dollars was appropriated to Z. Snow for legal service to the City, during the last six months.

FROM THURSDAY'S DAILY, JULY 1.

Stormy.—Wind, dust, thunder, and attempt to rain, this afternoon.

A Merino Ram.—An unshorn two and a half years' old merino ram was exposed for sale on the street, to-day, at \$55.

Mortuary.—Sexton's report for June: Males 21, females 11; of these, adults 20, children 12. Causes of death as reported: Killed accidentally 8, lung disease 6, heart disease 4, dropsy 3, psora abscess 1, typhoid fever 1, cancer 1, erysipelas 1, tonsillitis 1, paralysis 1, marasmus 1, not reported 4; total interments 32.

JOSEPH E. TAYLOR,
Sexton.

Unlicensed.—A number of persons were before Justice Pyper to-day to answer for keeping unregistered dogs. Some of them were fined and others discharged. People who have dogs for which they have not paid license should either have them registered or put a quietus upon them. Either way is cheaper than having to appear in Court and be fined, and then have to do one or the other afterwards.

Sevier County.—A gentleman from Monroe informs us that the crops look more promising the present season than any years since that part of the Territory was settled.

A tannery for the County, in connection with the United Order, has been built and is in operation, at Glenwood.

About eight hundred acres of land have been sown in grain by the "Order" in Monroe, and other settlements have done similarly in proportion.

Fine Young Potatoes.—This morning Brother Thomas E. Jeremy, of the 16th Ward, brought to this office some fine specimens of "Early Rose" potatoes, which were planted on the 15th of April. They are the largest by far we have seen this season, thirteen of them turning the scale at seven pounds.

Brother Jeremy takes great pride in cultivating roots and vegetables, and has imported the most valuable kinds of potatoes from England and the States, paying for some as high as three dollars a pound, which he paid for the Alpha. Bro. Jeremy's is good, rich, moist, alluvial, bottom land.

An Important Decision.—The decision of the Supreme Court of Utah, delivered yesterday, in the case of Cora Conway vs. Jeter Clinton et al., will be found in to-day's NEWS. As it might have been expected, it is favorable to the appellants, defendants in the suit, and the decision is another of the numerous proofs of the incapacity of the late Chief Justice McKean for the position he held for a number of years, and is another evidence of the necessity that existed for his removal from so important an office, that he might no longer obstruct the proper and unprejudiced administration of law and justice.

Drowned Yesterday.—R. H. Smith writes from West Jordan, July 1, as follows—

"A very sad accident happened at this place yesterday, George A. Allen, son of sister Eliza B. Allen and the late D. R. Allen of American Fork, Utah Co., aged nine years, was drowned in Jordan River, about five o'clock p.m.

"He was sent on an errand by his sister and while away was enticed to go in bathing, in company with one man and two boys, about half a mile north of the Bingham Canyon R. R. Bridge, when he was carried down by the current. As yet his body has not been found, but the community will make every effort to recover it to-day.

"Much credit is due Bro. Samuel Babman, as also many others, in their energetic efforts to recover the body. The bereaved family and friends have the deepest sympathy of the community."

Excursion Party.—About a hundred of the members and friends of Argenta Lodge No. 3 went by special train yesterday on an excursion from this city to Farr's Grove, Ogden. The party left the U. C. Depot here a few minutes to 10 o'clock in the morning, and reached Ogden about twenty minutes to 12. Vehicles were in waiting to take the excursionists to the grove, where the day was spent in dancing, croquet playing and other amusements, the general expression being one of entire satisfaction with the trip. They left Ogden at eleven o'clock last night, and reached this city all right at 1.

Farr's Grove is a capital place for excursionists. It is in the suburbs of Ogden, perhaps a mile and a half from the center of the town. It covers an area of ten acres, is provided with swings and dancing floor, and is sufficiently wooded to make it cool and pleasant in the hottest weather. By one side of the grove runs the Ogden river, affording a good opportunity for trout fishing to lovers of that kind of sport.

Supreme Court.—The Supreme Court met yesterday. Lowe Chief Justice and Emerson and Boreman, Associates, on the Bench, J. H. Beadle, clerk.

In the matter of the application of Nathan Springer, indicted for murder, to be taken before the

court on a writ of *habeas corpus*, Justice Boreman delivered the opinion of the court denying the writ.

B. Kuhn, respondent, vs. J. D. T. McAllister, appellant; appeal from the Third District Court; judgment of the lower court affirmed. Opinion by Boreman.

Cora Conway, respondent, vs. Jeter Clinton, et al., appellants; appeal from Third District Court; judgment of lower court reversed, verdict set aside and cause remanded for trial *de novo*. Opinion by Lowe, C. J., Emerson, J., concurring; Boreman, J., read a dissenting opinion.

Eclipse Steam Manufacturing Co. vs. J. R. Nichols & Co.; appeal from Third District Court; judgment of lower court reversed and cause remanded for further proceedings. Opinion by Lowe, C. J., Emerson, J., concurring, and Boreman, J., dissenting.

On the report of the examining committee Major Silva and Secretary Black were sworn in as attorneys of this court.

J. G. Hussey et al., appellants, vs. Job Smith et al., respondents, decided last week. Respondents' attorneys filed a motion for a rehearing.

The resignation of Jas. N. Kimball having been accepted, the court granted the application of Harmel Pratt and appointed him to the office.

Charles A. Gould was appointed supreme court clerk, vice J. H. Beadle, resigned.

Court adjourned till Saturday, September 18th, 1875.

Half a Century.—Yesterday Brother Elias Morris was just fifty years old. After he went home last evening and got quietly seated, after the duties of the day, he was told by one of his boys that he was wanted in the parlor, to which he repaired, where, to his intense surprise and pleasure, he was greeted and congratulated by the members of his family and a large number of friends, including the 15th Ward choir, between thirty and forty in all, who had there assembled to pay their respects to him on the fiftieth anniversary of his birthday. Of course he made a pleasant speech, and all sat around the tables which had been bounteously spread for the occasion. The choir discoursed excellent music and a few hours were pleasantly spent in a most sociable manner.

Brother Morris's speech, being considerably original, as well as appropriate, is worth publishing. Here it is—

"LADIES AND GENTLEMEN.—Allow me to thank you, in my wife's name and my own, for this unexpected and therefore doubly welcome visit on this my 50th birthday.

"We live, as you are probably aware, in a surprising age; an age so full of wonders, in fact, that some people profess to have lost the capability of being astonished. This, however, is a species of insensibility I cannot understand.

"I enjoy this surprise you have given us to-night quite as much as if yours was the first party of the kind that ever made a neighbor's household merry. Such off-hand social gatherings as this have infinitely more heart in them than the elaborate fetes for which cards are issued a fortnight beforehand, and where all the guests are too excruciatingly polite and dignified to be happy. The straight jacket of etiquette is, upon the whole, a nuisance, and I am glad to see that its extreme forms no part of your social wardrobe.

"It is a maxim in law, I believe, that a man's house is his castle. He and his have a right to surrender it if they please, and to such agreeable besiegers as have effected an entrance here to-night the family garrison is proud to capitulate.

"Ladies, it is to you that we yield possession; make yourselves at home. To entertain angels is a privilege, but it is a still greater privilege to be entertained by them, especially when they come upon us unawares. As to the gentlemen, I am heartily glad to see them, and beg to congratulate them on their surprising luck, in having selected

as *aides de camp* of the fair invincibles who planned this delightful raid."
