church, all were anxious to see the new prelate and witness the imposing cere-monies. Arrangements were all made under the direction of the Young Catho-lic Friends Society, who were present to the number of several hundred. In the procession following, were bishops Becker, of Wilmington, Delaware; Gib-bons, of Richmond, Va.; Muller, of Erie, Pa.; Wood, of Philidelphis, Pa.; Dominic, of Pittsburg; Persico, of Sa-vannah, Ga.; O'Hara, of Scranton, Pa.; all the bishops of prominence being pre-sent, except those of Wheeling and St. Augustine; archbishop McClosky, of New York, came next in religious state, and was followed by the new archbishop Bayley, and Fathers Me-Manus and Lee, who were deacous of honor. The interior of the cathedrel was

honor. The interior of the cathedral was grand beyond description. The steps of the main altar were adorned with massive vases of flowers. The taber-nacle was surrounded with wreaths of flowers and evergreens and lighted up brilliantly with wax tapers. The side altars were also beautified in a similar

Within the last thirty years, it is said England has lost fifteen bundred mil-lions of dollars by the cattle disease. The workingmen of Italy never strike. There isn't enough of them to

get up a good strike. The experiment of driving ostriches before light buggies has been success-fully tried in Paris.

alony. The Amtrian government has protion of the "Life of James Fisk."

tion of seats.

The chief topics now under discus-sion in England are, how to economise coal, render meat cheaper and provide a substitute for potatoes.

The rise in the price of coals which creates so much unessiness in England is also taking place in France, where, however, it is less keenly feit, and is considered a matter of high import-ance, chiefly on account of the impeters it may afford to attempts toward discov-ering and working the French beds of coal.

Dr. Robert Ponts, the great German literary critic, and generally considered the most brilliant lecturer of his coun-try, left his family, after a most labori-ous and economical life, the pittance of four dollars. His friends subscribed money enough to give him a decent buriel.
