HEARINGS IN THE DISTRICT COURT

Judge Chidester Denies Motion For New Trial in Libel Suit—Appeal Taken.

LONG DRAWN DAMAGE TRIAL.

Fictitious Check Men Held to District Court—Stolen Booty Recovered—Arm Broken by Fall.

Ogden, Feb. 12.—There were two court sessions in Ogden yesterday. Judge Chidester came to Ogden to take up the libel suit of C. C. Richards against the Standard Publishing company, or the other libel suit of Dist. Atty. George Halverson against the same defendants, but at the request of the attorneys, the hearings were continued to March 2.

Attorneys Richards and Sken moved the court for a new trial in the libel suit of Olive Lewis Richards against the Standard, Wm. Glasman and Frank Francis, which the jury decided in favor of defendants a week ago. The court denied the motion, and the plaintiff will appeal the case to the supreme court, on the grounds of error in the court's instructions to the jury, the admission of certain testimony which was objected to and the ambiguity of the verdict.

FICTITIOUS CHECK MEN.

Morris Cohen and A. S. Higham Held to District Court.

Ogden, Feb. 12.—Morris Cohen, the young man who was brought back to Ogden from Cheyenne, Wyoming, to answer to two charges of obtaining money by fraud, was given a preliminary hearing before Judge Murphy. The evidence introduced showed that over a year ago young Cohen, who was then a traveling man, got D. Rosenthal and A. Schoenfeldt to cash two checks for him, one for \$50 and the other for \$100. After securing the money, he left Ogden immediately. When the checks, which were made payable on a Denver bank, were presented for payment, they were returned marked "No funds." In the meantime Cohen had been arrested at Cheyenne for a similar offense, and when his sentence there had expired, he was brought back to Ogden. The court bound him over to the district court. In default of \$500 bail he is in the custody of Sheriff Sebring.

Another fictitious check man, A. S. Higham, was arraigned on the charge of forging James Stewart's name on two checks, which he passed on business men. He entered a plea of not guilty before Judge Murphy. A bond

of \$500 for his appearance at the preliminary trial was fixed.

MEN DISCHARGED FROM SHOPS.

More retrenchment in the local railroad yards resulted today in turning out between 40 and 50 men from the shops of the Union Pacific. The reason assigned is that the decrease in traffic makes it easy to keep the cars in repair, and that a small force only is required for the work.

From outlying Weber county points come reports that cattle are being starved, and Sheriff Sebring is investigating. It is the intention to force all people who own cattle to either feed or sell them, or be arrested for cruelty to animals.

The fatally injured are, Thomas O'Toole, burned all over the body, head and arms, and Alexander Smith, McKeesport, burned all over the body, head and arms. O'Toole has died.

A slip in the furnace caused hundreds of tons of iron ore, coke and limestone to drop to the bottom, forcing the heavy steel plates apart. The men ran, but the metal splashed into the air, when it struck the cold floor and the detonations broke all the windows in the plant and for a radius of two squares, causing intense excitement in the town.
