

# ELKS PLAY BALL AT OGDEN TODAY

Big Delegation of Salt Lake B. P. O. E. Boards Train for Junction City.

EVENT OCCURS THURSDAY.

Ben Heywood, as Marshal of Auto Parade, Takes a Disastrous Trip Spin On His Motor-cycle.

A herd of 150 purple adorned Elks inclusive of the baseball team which is to do things to the Ogdens today at 1 o'clock today for the Junction City. They went to Ogdens for the sole purpose of wiping up the diamond with a bunch of alleged ball tossers under the direction of one Judge Horne. Unfortunately the result cannot be stated until the corner views the remains and the smoke of battle has cleared away. The Salt Lake delegation was met at the Ogdens depot by the antierd herd of the Junction City. The antierd herd was headed by a brass band. The visitors were marched to the Elks' clubhouse and from there were transported to the ball ground where the Elks' ball game and all that goes with it is for the mutual benefit of the Elks' purple day at Ogdens and Salt Lake.

WILL TAKE 60 PER CENT. The Ogdens, with a keen eye to business, made the suggestion that the game receipts for the ball game be divided 60 and 40 per cent; that is, 60 to the winner and 40 to the loser. Whether or not the Ogdens were thinking of a prize fight when these terms were suggested does not appear, but at an enthusiastic meeting held at No. 85's clubhouse this morning it was unanimously decided to take 60 per cent.

THREE EVENTS IN MIND.

Local Elks have three things in mind. The ball game today, the big automobile parade on the 14th and the Elks' day on the 20th, and if there is not a dish for all who participate in the latter, it will not be the fault of James C. Leary and the committee.

BEN HEYWOOD MARSHAL.

As to the automobile parade on the 14th, the lid will be blown off, and every "benzene buggy" in the town will be in use. There will be no restrictions as to size, gear or capacity to the machines, and it is expected that every store selling a machine will be used. Even motorcycles will be used, but in this connection, trouble has been caused by the committee, and the trouble is the fault of one Ben Heywood, who was sentenced to be grand marshal of the parade. He was instructed to ride a motorcycle. Ben at once secured a machine and named it "Olympus," and immediately started out to master the mysteries of the same.

The committee felt that all was well and congratulations were being extended right and left until this morning, when Heywood kicked over the traces and created a machine named "Olympus," and immediately started out to master the mysteries of the same.

HEYWOOD BALKS. "Look-ee here!" roared Ben this morning. "If you fellows think I'm going to ride that ding-busted-ago-the-bunch-of-scraps-iron, dignified by the title of 'motorcycle,' you're a way off. I'll ride anything that wears hair on a buck, but none of these here newfangled contrivances for me."

TRY-OUT IN PARK.

It was reported to the committee that Marshal Heywood went down to Liberty park to try out a spin on the motor but the machine balked, contrary streak and after Mr. Heywood had vainly tried to unroof several of the largest and finest trees, and had mutilated several yards of iron fence, he gave up the job rather than give up the ghost. How he managed to get up town to report to the committee he did not say. But the parade will go on just the same and Heywood will be grand marshal of the same.

MERCHANTS DECORATING.

In connection with the parade and purple day at Saltair it may be said that particularly the merchants are getting busy with their decorations. Scores of pretty designs in Elks colors were to be seen today and many more are being prepared. The local clubhouse will in a day or two be stripped of the magnificent emblems of the order by merchants who will borrow them. This is a reason for this. The Elks will boost for Salt Lake City. In fact they will boost for the whole state.

During the day of the parade the clubhouse will be open to all. Capt. C. H. Reed, chairman, P. H. Irwin, Frank L. Gardner, E. C. Penrose and F. Bergerman, constituting the house committee, announce that the courtesies of house will be extended to those participating in the parade and ample preparations have been made to entertain the visitors.

PURPLE DAY THURSDAY.

The 20th. That's the big day. It's purple day and the program arranged for a fine one. There is entirely too

much of the program to print it in full. But just think of a dancing drill of Dutch couples. Then there is the "dance diva" and a novelty called "weaving the white and purple chain." J. C. Leary declares there will be 1,125 participants in this glittering galaxy. On the main floor of the pavilion there are to be several other marvels of mystery, mirth and "monkey business." The whole thing is billed as a "Saltair Saunter" and ought to be good.

A number of prizes will be given for the best decorated automobiles. The awards will be \$50, \$25, \$15, \$10. Then there will be prizes for the best decorations about town and the big stores like Z. C. M. Walker's and Keith O'Brien's are hustling to make the best showing.

AUTOS TO BE DECORATED.

It goes without saying that a feature of the big parade on the 19th will be the children who took part in the minstrel show. The ladies' committee has arranged for a parade of this feature and they have been hard at work for several days, and they promise to have something decidedly unique and pleasing to the eye. If every machine in town is not suitably decorated with purple and white ribbons it will not be the fault of E. R. Wheeler who is in charge of the automobile parade, but of the children.

RIGHTS TO MAKE THE PARADE A SUCCESS.

Others who are working energetically for the success of the parade and purple day, and also for the Philadelphia trip are Elmer Ruler Cooper, Percy Raybold, Thomas Homer, G. R. Cleveland and all the officers and members of the lodge.

HARRIS SUCCESSFUL.

Commercial Club Secretary Lands Big Convention for Salt Lake.

In June, 1908, the National Association of Credit Men will assemble in Salt Lake for their annual convention. This is because Fisher Harris, assisted by a staff of members from the Utah Credit Men's association, went to Chicago with the avowed purpose of winning the convention for next year.

It is now two years since the Manufacturers and Merchants' association and the Commercial club began concerted action towards making Salt Lake a good reputation as a convention town. Since then the committee has been recording consequent to committee actions in behalf of Salt Lake.

The credit men will bring here about 1,000 people, and the convention will last three days. Many of its members are among the highest salaried office men in the country.

FISHER HARRIS IS NOW ON HIS WAY TO CHICAGO.

Fisher Harris is now on his way to Chicago for the next convention of the Travelers' Protective association, and after that he will visit the Elks' day where he will arrange for Utah day, and will then go to New York to arrange for the community advertising of Salt Lake City in the big magazines.

FUNERAL OF MRS. CANNON.

The Last Rites Were Paid at the Family Residence Yesterday.

Very sad, but most beautiful and impressive, were the funeral services over the remains of the late Elsie Ritter Cannon, which occurred at her former home on east First South yesterday afternoon. The terrible strain of three weeks under which the family had labored since the first news of her death in Germany had been received, had left some of them almost in a state of prostration. Mrs. Cannon's mother, Mrs. R. W. Cannon, her mother, the following especially the keenness of the blow. The services were conducted by Bishop Williams of the Twelfth ward, and the remains were committed to the earth by the Rev. Mr. R. W. Cannon, who was a most feeling and consolatory nature. The music was rendered by Messrs. Cooper, Whitney, Ensign, Spencer and Edward P. Kimball. Several brothers of the bereaved husband, Tracey Y. Cannon, acted as pallbearers, and at the grave, which was decorated by Elmer Ruler Cooper, a final hymn was sung by the quartet, "Rest, rest for the weary soul."

FUNERAL OF GRACE M. NELSON.

Funeral services over the remains of little Grace Marie Nelson were held at the residence of the parents in Sugar House ward on Sunday, June 16, at 12 o'clock, Bishop John M. Whittaker presiding. Musical selections rendered were "We thank Thee, O God, for a prophet," "O My Father," and "Prayer is the soul's sincere desire." The opening prayer was offered by Elder Peter Erickson, and the closing prayer by Elder Seymour B. Thompson and William Nisbet and Bishop John M. Whittaker. The floral offerings were many and beautiful. The grave was dedicated by Elder William Nisbet.

RELEASED FROM JAIL.

David C. McLean, a federal prisoner, was today released from the county jail, after serving a term of about six months. McLean was arrested March 26, 1906, on a charge of using the United States mails for blackmailing purposes. He was in jail from that time until the grand jury indicted him, in November, 1906, and when he was finally convicted, Judge Marshall took into consideration the fact that he had been in jail nearly a year, and McLean was sentenced to five months' imprisonment. He served that period and 20 days of the sentence of the \$100 fine imposed. Today McLean took the oath of impecuniosity before Commissioner Charles Baldwin, and was released from custody.

CLAIMS BREACH OF CONTRACT.

Suit has been filed in the district court by Perry Kalbaugh against Simon Babin to recover damages for breach of contract. It is claimed that defendant took a contract to quarry rock from plaintiff's quarry but failed to get out the amount of rock required and besides ruined a fine team of horses and destroyed tools belonging to plaintiff.

COURT NOTES.

In the case of Dr. E. O. Jones against the Pioneer Nursery company, Judge Ritchie has rendered judgment in favor of plaintiff for \$80. The case was brought by the nursery company against the doctor in attending one of defendant's employees.

Judge Morris today rendered a decree in favor of plaintiff in the case of Jimmie B. Walker against the unknown heirs of George S. Stittman and about 20 other defendants, quieting plaintiff's title to all of lot 15, block 1, five acre plat A, big field survey.

The Oregon Short Line company has closed its lease on the Deseret News building and according to the papers drawn the railroad company has permission to use the main building and annex, with the exception of the fourth and eighth floors, for a term of years, and the Deseret News editorial and mechanical departments are quartered in the annex and the ground floor of both buildings will be reserved as store space.

Judge Ritchie has rendered judgment by default in favor of plaintiff in the case of H. L. Nelson against J. B. Moore for the total sum of \$334.78. The amount of principal and interest due on promissory note.

A petition for a writ of review has been filed in the district court by S. T. Tucker against Justice of the Peace Charles P. Durand of Hargreaves, in which it is alleged that Durand entered judgment against Tucker in a case against the latter without a summons ever being served upon him. The judgment was in favor of J. L. Hardin and amounted to \$21. It is alleged that because of the failure to serve a summons upon Tucker the judgment against him is null and void and it is asked that a writ of review be granted to investigate the action of the justice. Judge Ritchie issued a writ of review returnable before him on June 22.

# THIRTY TWO CASES UP BEFORE DIEHL

Making a Total of Seventy-three Since Last Saturday Morning.

MAY ESCAPE PROSECUTION.

Men Brought Back From Denver on Charge of Burglarizing Daynes Store May Go Free.

If any one thinks that Judge C. B. Diehl of the criminal division of the city court is not having busy times these days, the doubting Thomas should examine the docket presided over by Clerk George Gutsch. The docket will show that on Saturday morning last 41 cases were disposed of. The Saturday "News" will also show this. Every day is taken up to July 1, and all this in addition to the regular police call when drunks, vagrants and kindred cases are disposed of. The others are state cases. Four state cases were called this morning and the docket for this afternoon's business shows 28 cases.

WELLS HELD.

The first called this morning was that of Edward Wells, the youth who passed a forged check on the Vincent Shoe company for \$12.85. He pleaded guilty to the charge and was held to answer to the district court. He was unable to furnish bonds in the sum of \$30 and was remanded to the county jail.

Brady, accused of grand larceny, pleaded not guilty but waived preliminary hearing and was held to the district court. He was remanded in the sum of \$500 but had no money and was held to answer to the district court. He was unable to furnish bonds in the sum of \$30 and was remanded to the county jail.

FINED \$30 FOR ASSAULT.

Albert Gallant, one of the three young men convicted of assault and battery upon Claude Russell some time ago, appeared for sentence this morning. Judge Diehl stated that there was no doubt as to the guilt of the defendant but he believed that Gallant was not as much to blame as the other defendants. He was fined \$30 which will be paid to-day unless an appeal is taken.

SUSPECTS MAY GO FREE.

There is a chance that Ed Phillips, Fred McFarling and Ed Jennings, the three men brought back from Denver by Capt. Bursage for alleged complicity in the Daynes jewelry robbery, will escape prosecution. Their case was called this morning but did not go on for hearing for the reason that Asst. County Atty. Lyon was not ready. Mr. Lyon stated that he was so busy that he had not time to prepare his case, and asked that the matter go over until Thursday. He stated that, if at that time he was not ready he would discontinue the case. The case was resisted by Atty. Soren S. Christensen and William Newton for the defense. Mr. Christensen declared there was no chance to make a case against the defendants and he would discontinue the case. The case was resisted by Atty. Soren S. MAY STILL WEAR DIAMONDS.

Judge Lewis has denied the motion of Arnold Wolfe to compel Price Smith to deliver to the sheriff the diamonds she is wearing and which he claims belong to him. The suit is brought against Mrs. Smith and her husband, Will F. Smith, to recover the diamonds valued at \$745 and also \$200 as damages. Wolfe wanted the diamonds returned to him, the sheriff for safe keeping until the case is heard in court but Judge Lewis denied his request and Mrs. Smith will be able to wear the diamonds as long as she wishes.

The man was arrested on Friday for drunkenness, and since that time has been acting in a queer manner. This morning when Ripley was taking the man from one cell to another, Ripley showed his head through a glass window, receiving several cuts about the face and hands. Then he began to yell. "Please let me stab me to death. I will be kept in jail until the 'D. T.'s' are cured."

Miss Babcock in Paris—A letter was received by Gov. Cutler today from Miss Maud May Babcock, chairman of the board of trustees of the Utah school for the deaf, dumb and blind, who is visiting in Paris. She states that she visited the National Institute for the blind at Paris, and that she considers it inferior to the Utah school in every respect, excepting perhaps the study of music. She observed many points at the institute which she believes will be of great benefit to the Utah school.

To Overhaul Buildings—The building and grounds committee of the city board of education will hold a meeting tomorrow evening in the board rooms for the purpose of preparing estimates of the cost of putting all the buildings in good condition for next year. The committee will have a report ready for the next regular meeting of the board.

# MAYOR SCHMITZ IMPRISONMENT

Radical Changes in Executive Branch of San Francisco Government Dependent on It.

HE MAKES A MODEL PRISONER.

When Atty. Langdon Gives the Word, Board of Supervisors Will Appoint Gallagher or Other Supervisor.

San Francisco, June 16.—A radical change in the executive branch of San Francisco's government is contingent on developments in the case of Mayor Schmitz, who is temporarily incarcerated by reason of his imprisonment in the county jail, where he is said to obey orders and is already regarded as a model prisoner.

The date for the passing of sentence on Mayor Schmitz in the extortion cases on which he has been convicted, has been set for June 27. Prior to that date he cannot possibly procure bail, according to the decision of Judge Dunne yesterday, but the law provides that after judgement has been passed the matter of allowing bail is discretionary with any magistrate having jurisdiction. Consequently, if judgement is passed on the date set, Mayor Schmitz will have ground for a new application for bail, and his request may run the gauntlet, not only of the 12 judges of the superior court, but of the appellate justices and judges of the police court as well. Whether Mayor Schmitz will ask for sentence on June 27 or ask for a continuance has not been stated by his attorneys. This has made it impossible for the prosecution to plan its action in this regard.

The conviction of Mayor Schmitz has at last made simple what has heretofore been a complex problem. The charter provision making it incumbent upon the board of supervisors to appoint an acting mayor from their number whenever the mayor becomes temporarily incapacitated from performing the duties of his office, can be taken advantage of because of Mayor Schmitz's imprisonment. When Prosecuting Atty. Langdon gives the word, backed with the power of the supervisors, James Gallagher or some other supervisor will be at once appointed acting mayor. Resignations will be accepted from one or two members of the board who are not only willing but actually clamoring for a chance to become free again and a vacant place will be filled with the man chosen by the prosecutors to take the mayor's chair. Gallagher will then be ordered to resign; the board will be instructed to place the new member in his stead and the new member, as acting mayor, will start by snuffing off the head of Mayor Schmitz and then proceed down the line.

This is the plan which Dist. Atty. Langdon acknowledges has been given the most serious consideration and which he has put into execution within the next few days. The hesitancy in arriving at a conclusion is due to a desire to study every side of the question thoroughly before turning on batteries, the force of which would be tremendous in affecting not only the political welfare of the city but the industrial and economic standing of the city. A serious thought has been given by the graft prosecutors to the identity of the men who would be chosen to carry out this work if the plan is adopted. "What if they come when they are drunk and will form a law partnership with W. D. Livingston and Willard Hansen. Col. Fitzgerald has been appointed attorney for the Sanpete road and the Abraham Land and Irrigation company."
