

PARK CITY.

YARK CITY, UTAH, FEB. 2, 1895. SNOW IN THE PARK. Finally this year—Prosperous Redoubt in Price of Coal—Work at the Mine.

During the week Park City has passed through the coldest weather of the winter. The nights and mornings have been excruciating and the morning the mercury was down to 10 degrees below zero.

How has been a number of deaths during the week, and nothing is still up to the top north. The roads to the west are in splendid condition, and the ice has been melted in the streets.

At the Ontario drill tunnel the electric light plant is being completed and it is expected that it will be in operation in a few days.

The Utah Cattle Company has received the week's order for cattle from the Park City stock raisers.

Many teams have been sent out this morning for the week's work, and it is expected that the roads will be in good condition.

The annual meeting of the Park City Chamber of Commerce will be held on Monday next.
