THE MESSIAH. — Attention is called to the advertisement of the Handel and Haydn Society, announcing the production of the "Messiah" next Sunday evening at the Theatre. The list of soloists will be recognized as among our most prominent musicians and their unbounded success heretofore is a guarantee that their efforts on this occasion will be no exception. The work being a Christmas oratorio, purely sacred in character, is eminently fitted to be presented at this time: the Society has, in a most considerate manner, restricted the business detail to this week, and attention is directed to the notice in relation to the purchase of tickets.

EVENING NEWS.

Wednesday, - December 22, 1875.

Local and Other Matters.

THERMOMETER 52 degrees F. in the shade at 1 p.m. to-day. Beautiful day.

Lovely.—What lovely mornings we are having just now.

Sunday School Party.—We acknowledge an invitation to attend a Sunday School party, at the 11th Ward new Schoolhouse, on Monday evening, Dec. 27th.

Christmas Matinee.—All the juveniles in town are getting half crazy over that coming gift Matinee on Christmas day.

After Them.—The police authorities are after those saloon keepers who sell without license and who do business on Sunday, contrary to the ordinance in such cases made and provided.

Not He.—We are requested to state, for the benefit of the numerous relatives, friends and acquaintances of Dr H. McMaster, son of W. A. McMaster, of the 11th Ward, that it was not he who was killed at Bingham by an explosion yesterday.

Croyden.—To-day we were called upon by Brother John Toone, lately in on a visit from Croyden, Morgan County, where he resides. We learn from him that the last season's crops of that settlement were the best for twelve years past; a new schoolhouse, 40 x 26 feet, has been built, and the people are generally prosperous and happy.

Addresses Wanted.—Mr. Clark Bell, of the firm of Bell, Bartlett & Wilson, 120 Broadway, New York, is desirous of communicating with the following parties, who can address as above—Bishop Sanborn; Danon, Thomas and Lewis; James Brown; Nye, Colson & Co.; John Keane, E. W. Winters, S. F. Michels and Thomas Mulloy.

Re-union Ball.—Before us is an invitation to attend a re-union ball to come off on Christmas Eve, Friday evening, in the Seventeenth Ward Hall, under the auspices of the ladies of the Relief Society of the Ward. The affair is complimentary to Bishop Nathan Davis, a worthy gentleman. The committee are Misses M. Carrington, C. Smith, S. Pack, M. Dunford and V. Clayton.

In Town.—This morning we received a call from Mr. H. S. Woodruff, Jr., who represents the firm of L. M. Rumsey & Co., of St. Louis. This house has been doing a very satisfactory and extensive business in this section of the country for some years. They manufacture fire engines, and every variety of pumps, and always keep on hand a large supply of all kinds of material used by plumbers and gas-fitters. Mr. W. is staying at the Townsend House and will remain in town several days attending to the business interests of this firm, which is one of the most honorable and reliable firms in the country, we having had opportunity of speaking advisedly with regard to it.

For the East.—This afternoon Elder William C. Staines left this city for Ogden, with the intention of leaving the latter place for New York to-morrow morning, for the purpose of there attending to the Church emigration business.

He is accompanied by Mrs. Geo. Q. Cannon and daughter, whose destination is Washington, where Mrs. Cannon, with her daughter, will rejoin her husband, the honorable delegate from Utah.

Persons having business relations with Mr. Staines, and wishing to communicate with him, should address him at Box 3357, New York City.

Theatre. — There was another large audience at the Theatre last evening to see and hear the Tennessee Jubilee Singers, and right heartily did the audience applaud. One gentleman especially, in one of the lower circles, laughed consumedly, and his unreserved cachinnation proved exceedingly infectious.

These singers have an utterly different style to that of the ordinary "minstrels." The performance consists entirely of negro sacred music, with an occasional sentimental song. The solo parts of the various pieces, sung or chanted, are usually of a very peculiar kind, often plaintive and always odd and quaint. The refrains or choruses are exceedingly well performed, the harmony being delightful, showing diligent drill, careful culture, and considerable ability. The great amusement in the performance arises from the odd expressions in the pieces sung. Otherwise there is nothing farcical in the entertainment. On the contrary, it is most sober and decorous, which increases the effect. This is the last night. To-morrow a matinee. They are well worth hearing.

The Alleged Delinquencies of the U. S. Marshal.—Yesterday we published a special dispatch from Beaver, relative to the alleged defalcations of the United States Marshal. This morning the Beaver *Enterprise* of the 18th comes to hand as an extra, containing the matter alluded to in the telegram, among which is the following letter from Attorney General Pierrepont—

"DEPARTMENT OF JUSTICE,
"Washington, Dec. 4, 1875.

"In reply to your inquiry of the 25th ultimo, you are informed that the United States Marshal, Geo. R. Maxwell, for the Territory of Utah, received $13,200 to defray the expenses of the United States Court at Beaver City.

"Very respectfully,
"EDWARDS PIERREPONT."

There is an apparent wide discrepancy between the statement of the Attorney General and that of the United States Marshal, which needs explanation, if it be susceptible of such.

The *Enterprise* states, in addition, that affidavits are on the way to Washington, signed by certain parties who assert they have not received various sums of money which the Marshal has sworn to having paid in full and sent the vouchers for; also that vouchers have been forwarded to Washington by the Marshal with the names of certain parties attached who affirm that they never did the signing, and also vouchers for services done by persons who never did the services specified.

These charges are of a grave and important character, and make an impression on the public mind so strong that if they can possibly be refuted or satisfactorily explained there should be no delay in the presentation of the refutory or explanatory evidence.

City Council.—The Council met last evening, Mayor Wells presiding.

Petition of Morris and Evans, for the privilege of burning a kiln of brick at their yard, on the Theatre Block; referred to committee on fire department.

A communication from Col. B. A. M. Froiseth was read. It called attention to the fact that in April last a number of residents of the Fourth and Seventh Wards had donated $180 to assist in defraying the expense of grading Sixth South Street, between East and West Temple Streets, and had petitioned the Council to have the work done, but which had not yet been attended to. The communication asked that the improvement be now made; and the Council instructed the supervisor to attend to it in its order, according to the jobs of a similar nature he had on hand.

Petition of Julia Sandberg, for the privilege of doing a small grocery business for a year without license; granted.

William and T. W. Jennings were granted the use of a portion of the sidewalk in front of their meat market, on which to make a Christmas display.

The committee on finance reported having examined the City Treasurer's report for the year ending November 30th, 1875, and the report of the Auditor for the quarter ending Nov. 30th, 1875, and finding them correct; report received and placed on file.

Various bills for services and supplies at the Insane Asylum, $263.10; allowed.

Bill of Dr. Richards $27, and Dr. Young $45, for professional services in attending men injured by a cave while working in the water pipe drains; referred to committee on claims.

An appropriation of $600 was made to the City prosecuting attorney for services during the six months ending December 31st 1875.

Adjourned till next Tuesday evening, at 7 o'clock.

Those Caucus Preachers. — The Cincinnati *Times* thinks the Salt Lake Methodist preachers, in political caucus assembled, were very hasty brethren, and inconsistent, protesting too much, and hardly knowing what they wanted or were doing. The *Times* says—

"It is evident that the special grievance of these Methodist preachers was not the impropriety of a denomination entering into politics. They have gone into politics too much themselves to make their protest, on that score, of much account."

THE WEEKLY SUN

1776. NEW YORK. 1876

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter; and all of them and everything connected with them will be fully and freshly reported and expounded in THE SUN.

The Opposition House of Representatives, taking up the line of inquiry opened years ago by THE SUN, will sternly and diligently investigate the corruptions and misdeeds of GRANT'S administration; and will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts, furnishing its readers with early and trustworthy information upon these absorbing topics.

The twenty-third Presidential election, with the preparations for it, will be memorable as deciding upon GRANT'S aspirations for a third term of power and plunder, and still more as deciding who shall be the candidate of the party of Reform, and as electing that candidate. Concerning all these subjects, those who read THE SUN will have the constant means of being thoroughly well informed.

The WEEKLY SUN, which has attained a circulation of over eighty thousand copies, already has its readers in every State and Territory, and we trust that the year 1876 will see the number doubled. It will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when unimportant, at full length when of moment; and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are now making room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are also regularly reported in its columns; and so are the markets of every kind.

The WEEKLY SUN, eight pages with fifty-six broad columns, is only $1.20 a year, postage prepaid. As this price barely repays the cost of the paper, no discount can be made from this rate to clubs, agents, Postmasters, or anyone.

The DAILY SUN, a large four page newspaper of twenty-eight columns, gives all the news for two cents a copy. Subscription, postage prepaid, 55c. a month or $6.50 a year. SUNDAY edition extra, $1.10 per year. We have no traveling agents.

Address, THE SUN, New York City.
