#### YESTERDAY'S RECORD.

Lowest ...... IN PRINCIPAL CITIES.

Chicago, March 31 .- 7 a. m. temperatures: New York and Boston, 38; Philadelphia, 42; Washington, 44; Chicago, 50; Minneapolis, 36; Cincinnati and St. Louis. 62.

Goshen conducting the service, and the remains were deposited in a vault at Mt. Olivet, preparatory to shipment to Newburg, N. Y., for interment, Edward Gridley of New York, cousin of Dr. Garrison, arrived yesterday, to be pres-ent at the funeral, and to look after matters connected with the estate of the depensed.

Building Inspector F. W. Lewis says that he intends to strictly enforce the ordinance of the city in regard to the construction of buildings with a view to decreasing the fire risks. Chief Bywater of the fire department will assist the building inspector in keeping a watch on buildings in process of construction to see that there is no faulty construcon work going on. Contractors would probably save considerable trouble by reading up on the building ordinances of the city if they are not already familiar

with them. Ex-Sheriff Virgil Kelly of Millard county, is here from Fillmore. He says there have been refreshing rains in that section of the state in the last two weeks, but that up to that time It was extremely dry; and to the south it has been bone dry all winter. He reports an extended feeling of discourage ment all over the southern part of the state, and farmers, ranchmen and stockmen are getting ready to remove to Idaho and Alberta, where more fa-vorable conditions obtain, and where the fight for life is not so hard. There is no snow in the southern mountains.

At yesterday afternoon's meeting of the world's fair commission the secretary was directed to pay \$1,208 to Di-rector General Whitaker for Utah building furniture, and to wire Mr. Whitaker for plans for the educational department for approval by the commission. A letter from Mr. Whitaker stated that work was at a standstill because the painters were on a strike, and the lack of furniture. Naming a director for the educational department was left with the state board of education, and the appointment of other employes was left until April 6 next.

Dun's Review, after giving Salt Lake a rest of several months, has conclud-ed to restore it to its place in the weekly trade report, and says of business conditions here, for the week end ing last Saturday evening, "Trade, both wholesale and retail, is rather quiet, and to some extent is retarded by continued unfavorable weather and bad roads. Some country buyers also withhold orders, pending their visit to market during conference the early part of next month. Collections are slow, but compare fairly well with last year. Money is tight and in good demand."

The Elks held their annual election last night, with some 300 members present, and the following officers were chosen: Exalted ruler, P. P. Christen-sen; esteemed leading knight, W. W. Hall; esteemed loyal knight, J. C. Bar-thell; esteemed lecturing knight, D. F. Halm; secretary, A. W. Raybould; treasurer, J. N. Sharp; tyler, A. A. Headberg; trustee, W. H. Dale; representative to the grand lodge, J. C. Leary: alternate. A. W. Raybould. A list of 50 delegates to the Provo convention was selected by the exalted ruler. There was a lunch and social at the close of the evening.

We pay 4 per cent interest per annum on \$1 to \$5,000. Zion's Savings Bank & Trust Co. Joseph F. Smith, Presi-dent: George M. Cannon, Cashier.

# DESERET EVENING NEWS: THURSDAY, MARCH 31, 1904.

# BRIGHAM U. S. YOUNG. Man Named After "Mormon" Leader Visiting in Salt Lake.

Mr. Brigham U. S. Young, a resident of Apsley, Ontario, Canada, is in the city. Mr. Young is not a member of the "Mormon" Church, neither is his father nor any of his family, as his name might lead many people to suppose. He states, however, that his father was so strong an admirer of the late President Brigham Young and Gen. U. S. Grant, that he determined his son should be named after them. This conclusion is endorsed by the son him-This self, who this morning called at the Bureau of Information and Church Lit-

erature and proudly registered as "Brigham U. S. Young." The gentle-man is much impressed with his visit to this city and his appreciation of President Young, whose namesake he s, is certainly refreshing in these times of hatred and opposition.

HELD FOR GRAND LARCENY Big Lucille Will Have to Stand Trial

In the District Court.

"Big Lucille," the woman who was given a preliminary hearing on the charge of robbing Frank Adair of \$600, will abve to face the charge of grand larceny in the district court. An account of her hearing was published in last evening's "News." The hearing was concluded yesterday afternoon, and Judge Diehl took the case under advisement until 10 o'clock this morning. He then ruled that there was probable cause to believe the defendant guilty as chargd, and ordered her held to await the action of the higher court. In default of \$500 bonds, she was taken to the county jail.

BEFORE DIEHL.

#### Daniel Grow and Jerold Budd Arraigned On Charge of Incorrigibility.

Judge C. B. Diehl had several state cases before him this morning. Two boys, Daniel Grow and Jerold Budd, charged with incorrigibility, entered pleas of not guilty and their cases were set for April 6 when they will be given a hearing. They were released on their own recognizance.

Joe Brown, who carly yesterday morning, made an assault with a butcher knife on Burt Leroy in a lunchroom on Second South street, was charged with assault with a deadly weapon with intent to do bodily harm. His hearing was set for April 1, at which time he will enter his plea. He was unable to furnish \$250 bonds, and was taken to the county jail. The case of the state vs C. H. Moore, charged with being a fugitive from justice, will be heard on April 7, at 10
