

FLOATING FRAGMENTS.

"Colleen Bawn" to-night. People flocking into the city from every direction, for Conference.

The Calendar Minstrel will open at the Opera House to-morrow night.

A Young People's Conference will be held in the Assembly Hall on Sunday night.

The funeral of Mrs. Betsy Green, of American Fork, was conducted in that town, to-day.

Z. C. M. I. has a superb, full and complete stock of goods in endless variety, which are being sold remarkably cheap.

Do not forget the entertainment, under the auspices of the Sunday School, in the 10th Ward Meeting House, to-night.

The benefit concert tendered to Brother George Dent, in the 21st Ward Meeting House, last night, was an artistic and financial success.

Mr. Thomas W. Jennings is closing out his entire stock of children's, ladies' and misses' shoes, clothing, hats, caps and gents' furnishing goods. See his advt.

Dr. J. W. Culbertson, oculist, Auditor and Surgeon, formerly known here for his skillful treatment, is to-day at the Continental Hotel. He will remain a couple of weeks.

The teachers of Weber County have tendered resolutions of appreciation of the services of Prof. L. F. Munch, on the retirement of that gentleman from the position of County Superintendent of District Schools.

At Littleton, Morgan County, last Saturday, an Italian named Beteroh, was thrown from a wagon, causing a dislocation of the shoulder. The Jordan Herald states that he suffered great pain until Monday, when Dr. Condon arrived and adjusted the joint in proper shape.

Brother Walter Reynolds has commenced the manufacture of an excellent article of herb beer. It is not only delightful to the taste, but makes claims medicinal properties for it. It is on sale at J. W. Simpson's, opposite the Valley House.

City people who wish to give their Conference friends an enjoyable treat should take them to see "The Great Lines of England" and "Pique" to be rendered to-morrow, Friday and Saturday evenings at the Theatre, by the Home Dramatic Club. This sale of seats at the old cheap prices is now going on.

THE FAREWELL.

Notwithstanding the unfavorable weather and the existence of other attractive amusements in the city, Independence Hall was well filled last evening, on the occasion of Miss Thomas' farewell entertainment. Her readings were rendered with exquisite finish, the accomplished lady entering fully into the sentiment and spirit of each piece. Miss Thomas will shortly depart for the Pacific Coast, and will doubtless take with her many pleasing memories of her visit here as she will the good wishes of a host of friends she has made by the manifestations of a kindly disposition and uniformly courteous manners.

FROM NORTH CAROLINA.

Yesterday afternoon we received a visit from Elder W. H. White, of Beaver, who had just returned from a mission to the Southern States. He left here October 25th, 1881, and proceeded to western North Carolina, to which field he was appointed, and where he labored until his release. The field is somewhat hard one, being comparatively new, there being no Church members in that part of the country when he went there. About twenty had been added since, however. The Elders met with very kind treatment, not only from people who had identified themselves with the Church, but also many who had no connection with it. Among the latter he made special mention of Squire McCall, whose hospitality and kindness was particularly striking.

NEW ART BAZAR.

MR. C. E. SAVAGE HISSES PHOENIX-LIKE, AND WILL OPEN HIS NEW BUILDING TO-MORROW.

The public have scarcely recovered from the effects of the late fire and explosion on the Council House corner, when an advertisement appears in this day's issue that our friend and sufferer by that calamity, Mr. C. E. Savage, is again before the community with an entirely new and greatly improved structure on the site of the old one. By his invitation we walked through the building to-day. It is 38 x 110 feet, having a splendid cellar, with asphalt floor, extending the whole length.

The ground floor is tastefully arranged, but not entirely finished, as many of the necessary items to make it complete have not yet arrived. In the center of the floor an elegant stairway leads to the second floor, which is entirely devoted to the fine arts and photography. The reception room will be the art room. It is 25 wide by 40 feet long. It is the design of the proprietor to allow our Utah artists to exhibit their works in this spacious room. In connection with this apartment are two elegantly appointed dressing rooms, with all the modern conveniences. The operating room is 42 by 19 feet, and has a new skylight, differently constructed from any we have ever seen. Spacious dark rooms, retouching rooms and printing rooms are closely connected. When all the different materials arrive that are to be used in completing this finely appointed atelier, it will not be inferior to any in the country.

We notice a heavy stock of goods in the cellar and every indication of a determination to win a large share of public patronage.

Some twenty years ago the first effort to build a photograph gallery on the same spot was started by Mr. Savage. Our chief engineer of the Fire Brigade was afterwards associated with him as partner from 1866 until 1870. He then "padded his own canoe" until he pulled down the old one and built a much finer gallery in 1871. This was destroyed on the 21st of June last. The present building has been erected in about two weeks. The architectural designs and construction have been all managed by Cleton Dallas, one of our Utah boys; the mason work by the Watson Brothers. Everything that could be procured of Utah's products has been used; the iron columns and white lead being native.

The photograph department is in the capable charge of Mr. Ralph Savage. His assistants are young men reared in Utah. The development of home talent is one of the hobbies of the live proprietor of this latest Utah creation.

DEATH OF BISHOP ROBISON.

By courtesy of Elder John Morgan, we are enabled to publish the following from a letter addressed to him by Elder B. H. Roberts, written at Chattanooga, and dated Sept. 26th.

It is our unpleasant duty to inform you of the death of Elder Charles F. Robison, of Montpelier, Bear Lake County, Idaho. He died near Whitaker, York Co., N. C., at 1:15 this morning.

The first information we had of his illness was a letter from David Davidson, bearing date 21st of Sept., and received here on the 23d. The information was to the effect that the Elder Robison was suffering with chills and fever, and also had the yellow jaundice. His companion, Elder Miller, had sent for Brother Easton to come and assist him with Brother Robison, as he was worn out with watching. Elders Easton, Miller and Humphries went down to where he was.

Our next information was received to-day, and that was that he had died above stated. A telegram was sent by Elder Easton on the 24th inst., stating the condition of Brother Robison, but it was not received until the message was that announced his death.

We immediately telegraphed Pres. Taylor of the said occurrence. We also telegraphed President Wm. Budge, at Paris, Bear Lake County, Idaho, and asked him to inform the family, as the place where they reside has no telegraph office.

We have instructed Elder Easton to use all diligence to preserve the body, and give directions in relation to dressing it. We have expressed him a metallic coffin, and he will bring the body to Chattanooga and from here will accompany it on through to Utah.

Brother Robison was a High Priest, and started on his mission with the company that left Salt Lake on the 10th of April last. He was faithful and energetic in the discharge of his duties as Traveling Elder in this mission, and had just been appointed President of the South Carolina Conference, succeeding Elder Easton, who had been honorably released to return home.

Boudcault's Plays.—The popularity of Dion Boudcault, the veteran actor and prolific author, has been well exhibited in his reception in this city. On Monday night there was a tremendous house to welcome him to the boards of our Theatre, and last night, in spite of the forbidding weather, another good audience witnessed his play of "The Shaughraun." It was well rendered on both occasions. Mr. Boudcault acted like a young Irish lad in real life, and showed none of the weakness or stiffness of age, and his genuine Irish drama was thoroughly enjoyed. He has some very good actors in his company, and the respective parts were well sustained.

To-night the beautiful play of "The Colleen Bawn" will be presented, closing the engagement. In addition to some of the best scenes from Tryon's brush, some magnificent scenery brought by Mr. Boudcault, will add to the interest of the drama. It should attract a big crowd.

Arraigned and Plead.—The following were arraigned before the District Court this afternoon, to plead to indictments found by the grand jury:

David F. Rich and Rudolph Smith; robbery of Zion's Savings Bank and Trust Company; plea of not guilty.

J. A. Flowers; assault with deadly weapon, with intent, etc.; plea of not guilty. He was the fellow who shot at a man in front of the Theatre Saloon; plea of not guilty.

David Gallant; indicted for the murder of Richard Fowler; plea of not guilty.

C. Verge, embezzlement; sold a cow belonging to Mr. Goldstickler to another person and used the money; Plea not guilty.

Cyrus Moore, grand larceny; stole a mare belonging to Mr. Geo. Crismon. Plea of not guilty.

John Layton, the young fellow indicted for attempting to outrage the person of a young girl on Arsenal Hill. He asked for a brief period of grace, pending the arrival of his attorney, Arthur Brown, Esq., which was granted.

A Southern Visit.—Hon. John T. Cairns

has returned from another tour through Southern Utah. He attended Conference at St. George, Parowan and Beaver, and visited most of the settlements in Washington, Iron and Beaver Counties. He met with and talked to his constituents and had a very pleasant time, being accorded a cordial reception everywhere.

A Suggestion.—We are in receipt

of a communication from Elder Job Hemley, of Sugar House (England) Conference. He appears from his letter to be in good spirits and laboring assiduously for the spread of the Gospel. He suggests that those who have relatives in that part and are desirous of having them visited by the Elders, should send letters of introduction to the President of the Conference, E. H. Nye, 19 Sutherland St., Pimlico, London, E. W., and he could forward them to the Elder laboring in the particular district where the parties reside.

Children's Fair at Grantsville.—A. L. Hale writes:

The Grantsville Primary Fair was held Sept. 28th, under the Presidency of Sisters Lucy Hale and her two Counselors and Sister H. Hale, Primary Stake President and Sister Maria Woolley her Counselor. The Meeting House was open from 10 a. m. till 10 p. m.

A variety was exhibited of specimens made by the children, whose ages ranged from 4 to 13 years. The specimens were highly creditable. The little boys were somewhat behind with samples of their handiwork. It was the first Primary fair ever held in Grantsville, and will probably be improved upon next time.

Mining Accident.—While working in the face of the drift east on the 700 level of the Ontario on Wednesday night, James A. Leahy and a man named Gladden suddenly came upon a body of water, which burst out with such force as to wash them and the car out of the drift, carrying them quite a distance. Mr. Leahy's arm was broken and he received other bruises of a painful character, but which are not dangerous. Mr. Gladden also received some bruises, but was more fortunate than Leahy. The cage had just reached the 700 station with a load of men when the burst occurred, and they all received a good ducking, but none were injured. The additional water has not caused any interference with the working of the mine beyond washing of a few timbers at the face of the drift where it occurred.—Park Record.

The Investigation.—"Item" sends this from Chester, about the recent investigation of the Mount Pleasant murder:

The intense excitement consequent upon the cruel murder of L. F. Pritchett on Sept. 26th, is not allayed after three days patient and exhaustive investigation.

Thirteen witnesses were examined thoroughly by the County Attorney and Mr. Jacob Johnson, at the expense of certain "Herald" gentlemen who entered heart and soul and purse for a complete investigation.

The last witness examined gave us the only clue that some person entered the city between 12 and 1 o'clock in the night. She heard his rapid ride, presently two shots and his rapid return.

We had no detectives to help us. Bare handed and alone we have battled with a ghastly and nearly mysterious murder. Great credit is due Mayor Seely and the City Council of Mount Pleasant for presence, aid and sympathy.

Mrs. Pritchett, his divorced wife, divorced just prior to the killing, and her three children live in his newly built home, hers by a decree of the District Court, with an allowance of \$25 per month, but an incumbered estate etc., may impair her alimony.

Meeting at South Jordan.—E. D. Holt writes:

This Ward had a refreshing time on Sunday last, the 30th ult., by the visit of President George Q. Cannon, and A. M. Cannon, President of this Stake, and Elder Edward Snellgrove.

In the morning they visited our Sunday School, which is kept in good running order by Supt. I. J. Ward, with a full corps of teachers. The appropriate addresses were made by Elder Snellgrove and Pres. A. M. Cannon.

The school was then addressed by General Supt. George Q. Cannon, in his usual happy and instructive manner.

We have 300 of "Utah's best crop" in this Ward.

At 5 p. m. the good people of the ward filled the meeting hall. Elder Snellgrove bore a strong testimony to the truth of the latter-day work.

Pres. A. M. Cannon was the next speaker. In a kind, fatherly manner he comforted the diligent and entreated the careless and slothful to arouse and do their duty.

President Geo. Q. Cannon then addressed the assembly, and entreated both old and young not to violate their sacred covenants, and to set a good example before their children. He bore testimony that all that was promised to the Saints would be fulfilled.

The above are the results of neglected and mistreated Catarrh. Below the results of Dr. Van Hummel's treatment of Nose, Ear, Throat and Lung Diseases.

The Doctor has taken an office on West Temple Street, third house South of Valley House, Salt Lake City.

Letter from Judge Wanner, Office over London Bank:

SALT LAKE CITY, UTAH, August 22, 1888.

Dr. Van Hummel: I take great pleasure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid restoration to what I consider permanent good health to the treatment I received at your hands in 1879, and I unhesitatingly recommend your treatment to all afflicted with Catarrh, Throat or Lung Disease. Very truly yours, U. J. WANNER.

Nasal Catarrh Cured. Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can influence others suffering with this dread disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skilled enough to succeed, I think the public should know it.

STEPHEN B. LITBOURN, Corner First South and Third West.

From Mr. Warren Hussey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, Col., August 3, 1878. This is to certify that I have been for many years a great sufferer from nasal and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temporary relief from some, growing gradually worse, until last winter, when I was in a very bad condition, I consulted Dr. Van Hummel and put myself under his treatment. From the first week my head and throat were relieved, and I had a headache. They were the cause of my life—since he began with me, and now I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummel a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully. WARRREN HUSSEY.

The Cure is Permanent. From a prominent capitalist, former owner of the Golden Tera mine, Black Hills.

DENVER, Col., March 6, 1879. Dr. Q. Van Hummel, Dear Sir: I am happy to inform you that the catarrh and throat trouble for which you treated me over a year ago has not returned. I consider the cure permanent.

Yours gratefully, J. W. BAILEY.

Dr. Van Hummel's professional qualifications attested to by one of the first men in America, Dr. J. A. Hendrick.

INDIANAPOLIS, Ind., Oct. 30, 1877. Governor Irwin: Understanding that you will be called upon to fill a vacancy in the State Board of Health, I take pleasure in recommending Dr. Q. Van Hummel for the position. He has been in Indiana a long resident of this city, and a very near neighbor and friend of mine. He makes the treatment of Nose, Ear, Throat and Lung and other Chronic Diseases a specialty and therein has been very successful. It is also well known in his profession generally. He is a gentleman of excellent habits and character, and would prove a valuable member of the Board. With great respect, Yours, etc., T. A. HENDRICKS.

Letter from the right Rev. J. C. Talbot, Episcopal Bishop of Indiana.

INDIANAPOLIS, Ind., Feb. 19, 1874. My Dear Doctor: You are entirely at liberty to use my name as one of your many references.
