Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are hence especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all forms of FEVERS, COLDS, NERVOUS AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILLIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.

J. E. JOSEPHS,

Marine Insurance and Merchant Shipping Bills.

LONDON, 10.—The marine insurance bill introduced into the House of Commons to-day provides that every contract for conveyance of persons or goods shall contain an implied warranty that the ship is seaworthy. The effect of this will be to place passengers on the same footing as the cargo in regard to the liability of shipowners for their safety. The bill further provides that shipowners shall not be able to relieve themselves by contract of this liability, and lastly, when insurance appears to be unreasonably above the real value of the goods, proceedings may be stopped until their value is ascertained by referees appointed for the purpose.

Norwood, member for Hull, declared that he would oppose the measure.

Read, member for Pembroke, formerly chief constructor of the navy, and Sir John Lubbock, member for Maidstone, spoke in approval of the bill.

Sir Charles Adderley, President of the Board of Trade to-day introduced the merchant shipping bill. He said the temporary act of last year worked so satisfactorily that he proposed to make all its provisions permanent in the new bill. Then an additional clause, providing for the establishment of a court of survey, to which any ship owner charged with despatching an overicaded ship will be enabled immediately to appeal, or he may have a survey made for himself, with the assistance of an assessor appointed by the local marine boad.

AGENTS WANTED!

To sell the New Patent Improved EYE CUPS.

Guaranteed to be the best paying business offered to Agents by any House. An easy and pleasant employment.

The value of the celebrated new *Patent Improved Eye Cups* for the restoration of sight is evidenced in the testimonials of cures, and recommended by more than one thousand of our best physicians in their practice.

The *Patent Eye Cups* are a scientific and philosophical discovery, and as ALEX E. WYETH, M. D., and WM. BEATLEY, M. D., write, they are certainly the greatest invention of the age.

Read the following certificates:

FERGUSON STATION, LOGAN CO., KY., June 6th, 1872.

DR. J. BALL & CO., Coulista.

GENTLEMEN: Your Patent Eye Cups are, in my judgment, the most splendid triumph which optical science has ever achieved, but, like all great and important truths, in this or in any other branch of science and philosophy, have much to contend with from the ignorance and prejudice of a too sceptical public; but truth is mighty and will prevail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of persons testifying in unequivocal terms to their merits. The most prominent physicians of my county recommend your *Eye Cups*. I am, respectfully, J. A. L. BOYER.

WILLIAM BEATLEY, M. D., Salvisa, Ky., writes: "Thanks to you *for the greatest of all inventions.* My sight is fully restored by the use of your *Patent Eye Cups*, after being almost entirely blind for twenty-six years."

ALEX. R. WYETH, M. D., Atoliston, Pa., writes: "After total blindness of my left eye for four years, by paralysis of the optical nerve, by my *other astonishment* your *Patent Eye Cups* restored my eyesight permanently in three minutes."

Rev. S. B. FALKENBURG, Minister of M. E. Church, writes: "*Your Patent Eye Cups* have restored my sight, which I am most thankful to the Father of Mercies. By your advertisement I saw at a glance that your invaluable Eye Cups performed their work perfectly in accordance with physiological law; that they literally fed the eyes that were starving for nutrition. May God greatly bless you, and may your name be enshrined in the affectionate memories of multiplied thousands as one of the benefactors of your kind."

HORACE B. DURAND, M. D., says: "I sold, and effected future sales liberally. The *Patent Eye Cups*, they will make money, and make it fast, too; no small catch-penny affair, but a superb, number one, tip-top business, promises, as far as I can see, to be life-long."

MAYOR R. C. ELLIS wrote us, November 10th, 1875: "I have tested the *Patent Ivory Eye Cups*, and I am satisfied they are good. I am pleased with them. They are certainly by the celebrated inventor of the age."

Hon. HORACE GREELEY, late Editor of the New York *Tribune*, wrote: "Dr. J. BALL, of our city, is a conscientious and responsible man, who is incapable of intentional deception or imposition."

Prof. W. MERRICK writes: "Truly, I am grateful to your noble invention. My sight is restored by your *Patent Eye Cups*. May blessings, health and prosperity guide you. I have been using spectacles twenty years. I am seventy-one years old. I do all my writing without glasses, and I blest the inventor of the *Patent Eye Cups* every time I take up my oldsteel pen."

ADOLPH BIORNBERG, M. D., physician to Emperor Napoleon, wrote, after using his sight restored by our *Patent Eye Cups*: "With gratitude to God, and thankfulness to the inventors, Dr. J. BALL & Co., I hereby recommend the trial of the *Eye Cups* (in full faith) to all and every one that has any impaired eyesight, believing, as I do, that since the experiments with this wonderful discovery has proved successful in my case, any advanced period of life is no bar of failure. I believe they will restore the vision to any individual if they are properly applied." ADOLPH BIORNBERG, M. D.

Communicated to Brownville Enterprise, June 8th, 1872, personally appeared Adolph Biornberg, made oath to the following certificate, and by him subscribed and sworn before me. PETER CRAWFORD, N. P.
