

DESERET EVENING NEWS.

MUNICIPAL AFFAIRS.

Wednesday, April 4, 1894.

FRAGMENTS.

The Deseret Union met last night at the Hotel Deseret to consider the action of the Board of Education.

The Board of Public Works will meet tonight. The question of suspending the great work will be one of the principal topics of discussion.

Mr. H. N. Sibley, the distinguished Deseret Union member who has been a tireless advocate for the interests of the University, has passed away. His passing was naturally mourned by all.

Mr. C. B. Beard, has received the Bill Thompson resignation from the office of Secretary and millions of dollars have been allowed to be taken away without his signature. He has been compelled to resign because he could not bear the damage caused by it, nor do he desire to do anything that looks like corruption.

The wife of W. H. Gillett has made her last will one of the happiest hours of her life. She will know from 200 to 300 people, and she has given away thousands of dollars to the poor.

The City Council met last night with all the members present except Cannon and Daly. President McGowan presided.

STREET SPARKLING CONTRACT AWARDED.

TO J. H. GRIMM FOR 1894-5.

TO ADVERTISING SALE OF BOXES.

K. A. Dugay, Frank Johnson, W. P. Noble and G. J. Sallie are the Fire and Police Commissioners.

THE CITY COUNCIL met last night with all the members present except Cannon and Daly. President McGowan presided.

THE PRESIDERS.

Political and commercial men were received at the hotel and referred to appropriate committees or heads of departments.

The Union Musicians company offered the first tree of their park to the inspection of firemen.

M. L. Finsler asked for relief from a tax sale.

The Building Trades congress asked that the sidewalk law be enforced in the city departments.

S. W. Hunsicker, attorney for A. S. Knobell, asking for the appropriation of \$10,000 to his credit in evidence, the Mayor having notified the author to issue the warrant.

The Bishop's General Trustees and others said that the Jordan Block had been designated as a place of inspection of firemen, and that some suitable place west of the city be designated for the mayor and Mr. Gillis to inspect.

AFTER THE GRANDI STATION.

The petition of the National Bank of the Union and James A. Johnson for \$10,000 were granted.

The trial of the grand jury in the grand jury room of the Third district court this morning. The action turned out equally divided in favor of the prosecution.

Graham Q. Cannon, George Johnson, John M. Martin, General Superintendent, Deseret Sunday School Union.

That School Contest.

Before Attorney F. R. Edwards, as referee, the hearing of the case of the Board of Education vs F. M. Wright et al. was resumed in the grand jury room of the Third district court this morning. The action turned out equally divided in favor of the prosecution.

Gov. Knobell, for the creation of the Washington school building.

TRIED TO HOLD HIM UP.

An unsuccessful attempt was made last night to hold up Joseph Oliver, whose home is at No. 626 West Fourth North street. It was at First North and Third West streets that Mr. Oliver was commanded to deliver up, and as he was completely confronted by three men it looked as if they might have started him off by breaking into a car that left them in the distance, though they strained every effort to overtake him, and now he has exposed himself on the fact that "the man who swayed may live to fight another day."

WORK OF THE POWER REFORM.

The city water meter reported that there

complaints regard the water supply of the city and noted that the amount of appropriated money was sufficient to cover the same, might be drawn.
