

EDITORIAL NOTES.

-On Thursday, May 24, Mr Rignold was to play Romeo to six Juliets at Booth's Theatre, New York,

-R. C. Robinson, an Iowa farmersays there are1,500 grasshoppers to the sance, and 24,000 to the pound. But that must be when they are small enough.

---- Mr. L. J. Jennings tells the New York World that Gladstone designs to work so as to have several important measures passed by Parliament, two of them being the disestablishment of the Church of Jesus. We were told that all things were written for our profit and England, and the abolition of the learning. When we considered all law of primogeniture. that had been handed down to us law of primogeniture.

-An exchange says - "The Emperor Alexander has thanked of Mormon, and that which the Holy Synod for finishing, after had, been revealed to and twenty years of incessant labor, the translation of the Bible into the Russian vernacular. This is the first translation into Russian approved by the Czar and the Church. The British and Foreign Bible Society's translation is now prohibited in Russia."

-The Omaha Herald of June

On the stand were President John W. Young, Elders John Tay-lor, Erastus Snow, Franklin D. Richards and George Q. Cannon,

also Bishop Smoot and many of the Bishops of Utah County. choir singing the hymn-O Ged, our help in ages past.

Crook-Yes, sir, they are the most trouble we have. They are continually stealing, and when we compel the Indians to Live back to the whites the ponies and other property they have stolen, they think it entirely wrong that we do not also make the white men deliver up their property. Therefore I say a small band of horsethieves are more troublesome and danger-ous than all the Indians at Red Cloud, if the whites would let them alone.

Rep.- How about those y. u ar sending south. Some people seem to think they are dangerous unless under a heavy guard. Crook-I don'. apprehend any

trouble from them at all. Of course, we have to put them upon their bonor in making such a journey, but they have pretty well learned the necessity of respecting their obligations to us, and if there is any trouble, I think it will come from the whites after they reach their destination trying to steal from or molest them. But we can't do differently. It would take a full regiment to escort them under guard and we can't spare them .- Larcant Sentinel.
