

1864, leaving Liverpool early in the March of that year. There is property in abeyance, awaiting them. Application to be made to William Hughes, Coom Terrace, Neath Road, Haford, Swansea, South Wales, England; or to H. G. Barker, Esq., Solicitor, Wem, Salop, England.

**OPERATION FOR NECROSIS.**—Brother Whittaker of Willard city, informs us that his little son has just been successfully operated on for the above affection. He received an injury of the leg several months since, which resulted in Necrosis, or death of a large portion of one of the bones of the leg. Yesterday morning, Dr. Anderson, assisted by Dr. Bernhisel, dissected from the leg some 12 or 15 pieces of dead bone, the little fellow being under the influence of chloroform. He is doing well now, and hopes are entertained of his complete recovery from so severe an affliction.

We acknowledge the receipt of a collection of illustrated and other periodicals and papers, from Major Stratman, San Francisco. He will please accept our thanks for the courtesy. Harper's Weekly, Frank Leslie's, Ballou's Monthly, with some other illustrated serials, and a few newspapers, though the latter are rather old, when they travel from the east to California and then come east again to us, form a nice variety of reading, pleasant and interesting.

**PARTY.**—There was a very pleasant party in the Townsend House on New Year's Eve. A large company assembled and enjoyed themselves very much to an early hour.

**SERENADE.**—On New Year's day Captain Mark Croxall's brass band serenaded President B. Young, H. C. Kimball, D. H. Wells, and the members of the Twelve who reside in the city, with other prominent citizens, discoursing most bewitching strains of music in excellent style. This, with other local matters, would have been noticed at the proper time, but for a crowd of other matter.

**QUIET.**—There is no police report to-day, nor has there been this year. All is quiet in the city, although business is not so dull as many anticipated. Our quietness might not suit the tastes of some of the self-righteous and self-supposed super-extra moralists, who prefer drunkenness, corruption, and vice of every kind to sobriety, virtue and "Mormonism," but it suits us very well.

**CALLED.**—D. K. Allen, Esq., correspondent of the Chicago Republican, on his way east, called in to see us this morning. He has traveled extensively, during the past Summer and Fall, through what is now designated in many places the New North West. He speaks most favorably of the fine agricultural country undeveloped in the Wind River, Green River and other valleys. The scenery and situation of the Green River valley, especially, drew eulogium from him, being a most beautiful country with rich soil, well watered, and might be called the "Valley of a thousand lakes." It is about 50 or 60 miles east of Bear Lake valley. He has strong faith in the rapid growth of the Sweet-water country; considers the mines there the richest ever discovered; and looks for a great agricultural and mining country being developed all through that region.

The gentleman starts for New York on Monday.

The Levant Herald of October 23, announces the death of the fourth wife of Selim III. at the extreme age of 100. An infant son of the present Sultan died on the same day. Both were buried with great pomp.

### Special Notices.

Mr. Sherman and Thatcher, of Logan, Cache Valley, want to trade for stock.

The success which attends Mrs White, in her tuition of pupils by "Robbins American Method" for the Piano, is very gratifying. They are acquiring a knowledge of music with a rapidity which is astonishing to those who only comprehend the old mode of teaching. A knowledge of the delightful art of music is sought by thousands of the community; and as this new method of teaching offers a means by which it can be obtained quickly, her services should be in great requisition. She is to be found at the Townsend House.

## PUBLIC NOTICE.

YEAR 1868.

We return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

### CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

### ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get held of "Ten Dollars," a chance to buy Goods Cheap.

### COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.
