The ladies claim that the convention just closed has been the best ever held and in every respect most successful. The program rendered yesterday afternoon was very pleasing and instructive. The ed-ucational session was led by Mrs. W. A. Nelden of Salt Lake City. The most interesting feature of this session was the illustrated lecture delivered by Prof. Wm. M. Stewart of the University of Utah. The gentleman spoke en-ouragingly for the introduction into our schools of kindergarten teaching for the children, and other necessary branches of education. His lecture was Hustrated by 30 stereopticon views. One of the most pleasing and enter-

taining sessions of the convention was the music session, which followed the educational. A splendid musical program was rendered. a resolution was presented by Mrs.

AN IDEAL MEDICINE. A New Discovery Which Cures all Forms of Catarrh.

The tablet is the ideal form in which to administer medicine, but until re-cently no successful catarrh tablet had ever been attempted. There is now, however, an excellent and palatable remedy for catarrh in tablet form, known as Stuart's Catarrh Tablets and sold by druggists, composed of the most recent discoveries in medicine for cure of catarrh and results from their use have been highly gratifying.

The old time treatment of catarrh was in the form of inhalers, washes, douch-

es, sprays, etc. Later on internal reme-dies were used with greater success, but being in liquid or powder form were onvenient to use and like all medicines in liquid or powder form, lose their medicinal properties when opened

or exposed to the air.
Stuart's Catarrh Tablets contain highly concentrated antiseptics, Hydrastin, Blood root, and Red gum which kill the catarrh germs in the blood and mucous membrane, and in this respect are strictly scientific and modern, be cause all authorities are now agreed cause all authorities are now agreed that catarrh is a constitutional blood disease, and local applications can have only a transitory effect.

The use of inhalers, douches and sprays is a nuisance and inconvenience

and can in no wise compare favorably with the same antiseptics given in tab-let form internally, where they can reach the stomach and blood and kill catarrh germs right where they are produced.

A prominent lawyer and public speak-er of Pittsburg says: I have been trou-bled with catarrh of the head and throat for twelve years. In this climate t seems impossible to get rid of it The continual dropping of mucus fron the nose into the throat caused irrita tion and hoarseness, seriously interfering with my public speaking. be an hour or more of coughing, gagging, expectorating and sneezing every morning before I could settle down to work and this condition gradually brought on catarrh of stomach, causing loss of appetite, poor digestion and a foul breath, which annoyed me exeedingly. My physician advised me ry Stuart's Catarrh Tablets and I took them for two months and was aston-ished to find how quickly they cleared my head, throat and stomach and l have no hesitation in recommending them. They are not only pleasant to take, but they seem to get at the very root of the trouble, because since using them I have had no trace of catarrh. Druggists sell Stuart's Catarrh Tab-ets at 50 cents for full sized package. They can be carried in the pocket and used any time and as often as desired since they contain no cocaine, mercury or any other injurious drug.

Dunn, died today at 11 a. m. from the effect of an operation for an abscess performed last Thursday. Of Contagious Blood Poison never exis-It is always bad, though sometimes no external symptoms of the disease appear for a long time.

Because the disease is slow in developing does not indicate that the case is a mild one, for the poisonous virus at work in the blood and system may be spending its force upon, some internal vital organ while you are looking for external signs. Contagious Blood Poison does not affect all alike. In most cases the first little sore is quickly followed by painful swellings in the groins, a red eruption upon the body, sores or ulcers in the mouth and throat, unsightly copper colored blotches, loss of hair and eyebrows and other symptoms of this miserable disease. When the poison is thus fighting its way to the surface, exposing the disease in all its hideousness, we call it a bad case; but Contagious Blood Poison, whether working internally or externally, is a dangerous, treacherous disease. S. S. S. is the only remedy that cures Contagious Blood Poison thoroughly and permanently. It is an antidote for the the bones. Mercury and Potash dry up

deadly virus that produces the awful eruptions, sores and ulcers, and destroys the skin eruptions, but in so doing drive the poison further into the system, where it slumbers for a time, but comes back again with redoubled fury.

S. S. S. is a vegetable remedy that has been used successfully for years in treating this viledisease and cures it in all stages and forms. If you have the slightest symptom; an occasional sore mouth, or muscular and bone ingthis viledisease and or muscular and bone pains, your blood is tainted and the disease is liable to break out again at any time. special Correspondence. Annabella, Sevier Co., Oct. 30 .- The haystack and outbuildings of George Roberts were entirely destroyed by fire yesterday afternoon. The fire started at the back part of the yards and got under good headway before discovery, and in a few minutes everything about the yard was enveloped in the flames. Mrs. Roberts was quite badly burnt about the head and face while endeavoring to save the pigs. Her burns are not serious, but very painful. It is sup-posed that small children with matches aused the conflagration. The loss is about \$200, and comes very heavily upon Mr. Roberts as he is a poor man and at the time of the fire he was away in he mountains after timber. Chicago won the decision over Kid Broad of Cleveland in a six-round contest here tonight. Ryan won on points done and had but a slight shade the better of the fighting. Choynaki and O'Brien

Ryan vs. Broad.

Philadelphia, Oct. 31. - Articles of agreement were signed today for a sixround boxing contest between Joe Choynski and Philadelphia Jack O'Brien in this city on Nov. 20. The match arranged yesterday be-tween Terry McGovern and Sammy Smith of this city was today declared off, the conclusion having been reached that McGovern's superiority would render the bout uninteresting

#### Gardner is Beaten. San Francisco, Cal., Oct. 31. - Jack

Johnson, a colored heavyweight, won the decision tonight over George Gardner of Lowell, Mass. Johnson tipped the scales at 185 pounds, while Gardner went in at 155. Besides being heavier, Johnson was fully as clever as Gard-ner. The betting was 3 to 1 and 10 Eastern Football Games.
