Dr. Gardner read a paper last night on insomnia before the Salt Lake County Medical society, and Dr. A. C. Ewing re-ported on the meeting at New Orleans of the American Medical association, which he attended as a Utah delegate.

The executors of the estate of the late Col. J. K. Halt of Columbus, O., are looking for Miss Ferona E. Hall, his granddaughter, who is supposed to have been in Salt Lake City recently. The es-tate is said to be worth about one million.

M. B. DeLong, secretary of the Twin Fails Land & Water company, is in Colo-rado. The company is rapidly getting things in shape for the opening of the first allotment of lands, consisting of about 60,690 acres, which event takes place on July 1.

Daniel Jones, who was released from the insane asylum in February last, has been arrested and will be returned to the nsylum, as he has become irresponsible again, and imagines that his family have all turned against him, and that they are all going to be hanged.

An oil stove blew up last evening in the rooming house, 167 west First South; but the department was promptly on hand, and the fire was quickly extinguished with little damage. While en route to the fire the chemical engine broke a tire, and had to return to the station for re-pairs.

The Union school committee appointed to secure funds for a continuance through the school year, reported last evening that the fund was 3000 short. A collection was taken at the meeting amounting to \$120, and a house to house canvass will be made to raise the re-maining \$480.

John Allen, a man aged about 65 years, fell from a landing of the stairs, in a First South street rooming house yes-terday and sustained a broken nose. The old man had been drinking quite heavily and in addition to receiving the njury, he was arrested for drunkenness and lodged in the city jail. The distance of his fail was about 15 feet.

The Miners' home and hospital on the mast bench is expected to be finished by the first of the year. There has been a delay in the electric wiring owing to troubles with the union because of em-ployment of non-union men, and the springs running under the building have given serious trouble. But the latter have now been trenched, and the flow directed elsewhere. elsewhere.

Bessie Knecht, the girl who has slept for 34 days, is once more showing signs of reviving from her long nap, and the doctors believe she will get well. The pa-tient is beginning to take nourishment and talk a little. The cause of the trou-ble is thought to be an abcess on the brain, which is not discharging as much as formerly and show signs of healing up. Miss Knecht has been kept alive most of the time by liquid foods injected into the stomach.

The Men's club of the First Congrega-tional church held a well attended meet-ing last night in the parlors of the church, and listened to a male quartet, a paper on the "Acquisition of a Foreign Language" by a member of the "News" staff, and a disquisition from Deacon Hall on the uses to which a garden hose may be put. Refreshments were served. The club will decide at the next meeting whether to adjourn during the hos whether to adjourn during the months.

The guards at the state prison regis-tered a large and healthy kick yesterday before the state board of correction ngainst Acting Ward®n Wright's inter-pretation of the eight-hour law. The guards claim that favoritism is shown the older guards over the new ones; that with the idea of holding guards at the peni-tentiary for emergency sake, which is provided under the new law, the men are really compelled to work more hours now than when they were employed for 12 really competen to work more neurs now than when they were employed for J hours. The governor said that Warde Dow will be home in a few days, when he feit certain all differences could be amicably settled.

siderably about the reflaminty of short hostile reports so extravagantly cir-culated about the "Mormons" by the so-called ministers of the Gospel, who are united upon this one thing only, came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain'sPain Balm him a bottle of Chamberlain stand bar und told him to use it freely and if not satisfied after using it He need not pay a cent for it," says C. P. Rayder, of Pattens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saving, 'give me another bottle of Chamber-lain's Phin Balm. I want it in the house all the time for it cured me.'"

Spring Allments. There is an aching and tired feeling; the liver, bowels, and kidneys become singgish and inactive, the digestion im paired, with little or no appetle, no ambition for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during winter there has been an accumulation

of waste matter in the system. Herbin will remove it, secure to the secretions a right exit, and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness, 50c at Z. C. M. L. Drug Department.
