years at the High school, and was highly respected not only by the students of the institution, but by his fellow teachers and the board of education, and his untimely demise has brought sorrow to the hearts of many, whose sympathy goes out to the grief-stricken relatives. He was not well the early part of last week, but as school had just started for this year he was very anxious to continue at his post of duty, and though weak and suffering pain he stayed with his work until Friday noon, when he had to be taken to the Ogden general hospital, and although all that medical skill could do for him was done, yet he sank into unconsciousness in a few hours and passed away at the hour mentioned. Out of respect to him the High school closed at noon today and at 3 o'clock a short funeral service was conducted over his remains by Rev. J. E. Carver, attended by the High school in a body and many friends, who also accompanied the remains to the depot and they were shipped east on the Los Angeles limited for Chicago.

### ARRESTED FOR WIFE BEATING.

Charles Seaton, an employee of the local railroad shops, was placed under arrest shortly before noon yesterday by Detective Pender on the charge of beating his wife and little child.

Saturday Seaton received his pay and after giving his wife a portion of the money he went into the saloon and gambling houses and squandered the rest. Filled with bad whisky he returned home yesterday morning, and demanded of his wife more money, when she refused to comply with his request he brutally struck her with his fist in the face. She ran from the house into the street and he followed with a large rock in his hand, but being unable to overtake her he went back to the house and thrashed the child. The screams of the wife attracted the neighbors who notified the police and Detective Pender quickly went to the home on Butler avenue, placed Seaton under arrest, and locked him up at the city jail. Mr. Pender states this is not the first time the police have had trouble with Seaton, as several times they have been obliged to go to gambling houses and demand his money back.

### HOMER BURGLARIZED.

The home of John Still on Twentieth street was entered by burglars yesterday afternoon, between 3 and 7 o'clock, and seven \$10 gold pieces, a loaf of bread, and a dozen eggs were taken. Mr. Still and family left the home at 3 o'clock, returning four hours later. They found the back door broken open, and on entering the home found it considerably out of order. The burglars had taken their time to go through the rooms apparently, and had thoroughly searched the place for valuables. A trunk containing clothing and the \$70 was broken open and the money taken. Immediately on the discovery of the burglary the police were notified but having little clue to work on were not successful in locating the burglars.

### FUNERAL OF ADOLPH MULLER.

Many friends assembled at the Methodist church yesterday afternoon to pay a tribute of respect to the memory of Adolph Muller who was accidentally electrocuted last Tuesday. At 2 o'clock the funeral services were commenced. Rev. David N. Crane presiding. A ladies quartet sang several appropriate selections and Miss Olga Wehrand sang a beautiful solo. Mr. Dunn, a close friend of the deceased, eulogized his memory and spoke of him as a young man possessing true Christian principles and many sterling qualities. The Decorators and Painters' union and Women of Woodcraft attended the services in a body and conducted their ritual at the grave in the Mountain View cemetery where he was laid to rest.

### PASSED BOGUS MONEY.

A young man giving his name as James Lane is now at the city jail awaiting trial on the charge of passing counterfeit money. He was arrested Saturday evening. Lane is supposed to be the man who has been causing the Ogden police department considerable trouble for some time past by circulating bogus money. Saturday evening he went into a Wall avenue restaurant, where he made a 10-cent purchase and presented a 10 bill in payment thereof. The proprietor not being able to change the bill, left the restaurant to get it changed. On the street he met Officer Malone, and as the bill did not look good it was shown to the policeman, and Lane's arrest followed. Lane has been identified by a Japanese on whom he passed a \$20 bill.

### FUNERAL OF MRS. SMITH.

Encomiums of Friends on Beautiful Life of the Deceased.

Special Correspondence.

Provo, Sept. 22.—The funeral services over the remains of Mrs. Hannah M. Smith were attended by a large congregation of relatives and friends in the stake tabernacle, yesterday. The speakers' stand, draped in white, was beautifully garnished with plants and flowers and many floral offerings covered the casket. In addition to the local church authorities, President Anthony H. Lund and First, Francis M. Lyman and Elder Reed Smoot of the apostles' quorum occupied places on the stand. Bishop Manwaring of the Fifth ward presided.

The choir sang "Though deep shadows," etc., as the opening hymn, which was followed with prayer by Elder Harvey H. Cluff, and "Lead Kindly Light" was rendered by the choir.

President David John was the first speaker. He spoke of the early acquaintance with the deceased and her husband, the late President George A. Smith, and testified to the nobility of character, and the good work done by the departed in this world.

Elder J. E. Booth also spoke of his long acquaintance with the family, of the high regard this acquaintance had caused him to entertain for the deceased. He considered the day to be one not of mourning, but of rejoicing, for more dear friends and relatives would greet her in the spirit world than grieve over her departure here. Mrs. Hannah Clark spoke feelingly of her early acquaintance with the departed in poverty and in sickness, and testified to the kindness and sympathy which characterized her life.

Miss Florence Jepperson rendered "O Love Divine," with much feeling and beauty.

Elder Reed Smoot spoke of the good influence that the departed had always exercised, both in the family and upon all with whom she associated. Her one great purpose was to serve God and keep His commandments, and all could rejoice that she had so nobly finished her journey through life.

Wilford McAllister sang "Face to Face" with beautiful effect. President Anthony H. Lund spoke of the acceptance by the deceased of the gospel in her youth, when this was not popular nor easy to do, and of the noble duty she had discharged to her friends, and in bringing up her sister's son, John Henry Smith. He urged all so to live that when the mission of each is ended as much good could truthfully be said of them as of the departed.

President Francis M. Lyman read from the Book of Mormon: "For it shall come to pass that those who die in me shall not taste death, for it shall be sweet unto them." He spoke of the different forms of death which meet humanity; and held that whatever suffering a man or woman passes through death is sweet to those who die in the Lord; and none should believe that those who pass through great suffering before death do so because they were wicked.

He closed by speaking of salvation awaiting the righteous through the atonement of the Savior, and the faith and integrity of those who, like the departed, had served God to the end.

Bishop Manwaring, in behalf of the family, expressed thanks to those who had assisted in the illness of the deceased and at the services.

The choir sang "Nearer, My God, to Thee," and benediction was offered by Elder C. D. Gaster, after which the remains were taken to Salt Lake for interment.

The officers of the Utah stake M. L.

Charles Pike, Miss Florence Jepperson, a ladies' quartet from Springville and a duet from Provo Fifth ward, were among the musical numbers given.

The Y. L. M. L. A. officers presented Miss Jepperson, who goes east this week to study music, with a token of appreciation for A. meetings and Miss Nell Summison, assistant superintendent of the Y. L. M. L. A., presided at the meetings of the officers of that association. Reports presented indicated that a profitable season's work may be expected.

During the noon hour the Provo officers served luncheon to the visitors. In the evening a general meeting was held in the tabernacle, at which interesting and valuable addresses were made by Elder B. S. Hinckley, Miss Ellen Wallace and Presidents Lyman and Lund.

### DEATH OF MRS. ISABELLE KNIGHT.

Mrs. Isabelle Knight, wife of Raymond Knight of Raymond, Canada, died here yesterday morning, at 1:40 o'clock from diabetes, from which she had suffered for years; but her death at this time was unexpected. The deceased was born in this city about 49 years ago, and was the daughter of the late Charles V. Smith, and Mrs. Isabelle Martin Smith, who survives her. After her marriage to Mr. Knight she lived in Payson for a number of years, and about five years ago moved to Canada. She is the mother of five children, three of whom, with her husband, and numerous other relatives, survive her. The deceased was active in Relief society work, and in ministering to the needy and afflicted. Her husband was notified yesterday that Mrs. Knight was critically ill, he being at Shelby, Mont., and he is now on his way to Provo and does not know of his wife's death. Mrs. Knight was a granddaughter of Mrs. Hannah M. Smith, whose funeral took place yesterday. Mrs. Knight's funeral will be held Tuesday at 2 p. m. in the Fifth ward meetinghouse.
