pectig public, and has taken steps block their game. The women are Mrs Rilla Baldwin and Mrs. Annie Shimmir and, according to the statement of Mr. Sabine, they have formed a begging co-partnership which has been rather

successful. Mrs. Shimmin, posing as a philanthropist, has canvassed the entire city both the busines and residence portions colociting donations for Mrs. Baldwin and three children, whom she reprented were in destitute circumstance he woman would take the donation the room occupied by herself ar irs. Baldwin and family and then d de up the proceeds of her labors, she eping one-half for her commission.

Mrs. Baldwin has cost the county onsiderable sum of money since s rst asked for assistance from t ommissioners. She was first known them as Mrs. John Marcroft. She the mairled a man named White, and af

ving with him for three months, ca o the commissioners and asked transportation to her mother's home West Virginia. She said she was destitute circumstances, so the con missioners gave her the ticket. She w to the bed of the sleigh wrapped snugly in quilts and blankets. As they had no thought of anything but ot gone more than six weeks, howev then she returned to this city w re story that her mother had died a or brother had taken all the prop On her return trip she met a farr to whom she told her hard luck s He sympathized with her and gave aoney at that time and after he re d his home. She again became endent upon the county and was g ice. In May last she nough money to get a divorce White and to go to Oregon where were scattered about in the snow, from 10 to 20 feet from the track. Those

who were not utterly unconscious were so dazed that they only half realized ald she was going to marry Baidy n September, she returned again i colled for assistance, saving what had happened. The accident perhaps was due to the ould not get along with Baldwin a ad left him. The commissioners secured em-

inability of the driver to see the approaching train. The party was travel ment for her but she refused to w They then offered to provide a b ig west on Eighth South past the ce-ent works. The latter building stands for her children, but she also turn that proposition down. Her oldest g ose to the track, and obstructed the ew of the driver, so far as the comwith clothing and started to sche Her mother allowed her to attend it one week. At this point the comm trotting at a lively clip, and as rey reached the track the driver saw train, and perceived at once how doners refused to give her further a and it is presumed that she form tartlingly near it was. He made a rantic effort to check the animals but Le combination with the Shimmin e could not stop them. He uttered i nan and has been making her live ry of terror and warning to his com hood in that manner ever since

nothing disturbed the merry song if the pilot of the engine plowed the sleigh, and its occupants were This evening at the theater the pla of "Arizona," well remembered as on

of the strongest successes of last seacon, opens an engagement of a full week.

. . .

At the Grand tonight "The Gambler's Daughter" opens for three nights and a Wednesday matinee.

At the Ladies' Literary club house this afternoon and evening the Review-ers' club will present a unique and Laughable entertainment entitled "The Did Mald's Convention." Every men ber of the cast out one is a well about reclety lady, the exception being John D. Spencer who has the solitary mal-jart. The bill will be repeated to-morrow night for the benefit of the St. Paul's church choir,
