up to the ore bins, According to L. N. Morrison, who returned from Beaver county yesterday, the King David shaft at the 300-foot level cut four feet of ore which carries good values in copper and silver. The ore is an iron sulphide showing copper chalcopyrite. Sinking has been con-tinued and at the same time the ore is being drifted on. Chicago, May 25.-Wheat for May deliv-ery advanced to new heights today when it sold on initial transactions at 1854 per bushel, which is nearly ic. above the best mark recorded yesterday. The fresh advance was due to covering by a few belated shorts. The mailet in general, however, showed easiness, with quota-tions a shade to 3 below yesterday's closing figures. The unarkel was bear-ishly affected by more favorable weath-er reports both in this country and in Europe. July, which opened at 1.1836 to 34, advanced to 1.19, but dropped back again early in the day to 1.1834, During early trading the May delivery held within the opening range of 1.344s to 1.354. clared that the ground had the best surface showings of any in the district.
