Y.M.C.A. BOYS  
WIN RELAY RACE

Salt Lake Youngsters Defeat New Yorkers by One Minute and Three-Quarters in Marathon Event.

There is much jubilation at the Salt Lake Y. M. C. A. today. The glad tidings were received at the association of places this morning that the Salt Lake team won the inter-association relay marathon race Wednesday evening, New York getting second place and Lynchburg, Va., third. Salt Lake won by a minute and three-quarters.

The distance covered was 25 miles and 104 boys ran around the track, being urged by more than 30 spectators Wednesday night. The boys ran about a quarter of a mile each. The other teams in the race were New York, Lynchburg, Va., Cleveland, Cincinnati and Fresno. New York's time was 2 hours and 1 second, while Salt Lake's time was 1 hour, 44 minutes, 27.4 seconds. Each boy ran six laps.

Dee Stone made the best individual time and captured the gold medal offered by the association. His time was 24.2 seconds. Roy McIntyre won the silver medal and the third prize will have to be contested for as Walter Catto and Frank Whitsett tied.

HIGH SCHOOL TEAM  
DEFEATS SOLDIERS

In one of the hardest fought basketball games of the season the Salt Lake high school team defeated the soldiers of company I at Fort Douglas Wednesday afternoon, the score being 25 to 22. When the first half came to an end the teams were tied, 14 to 14.

In the second half the soldiers played desperately to gain the victory and Romney and Red and Black managed to get the winning points. The teams lined up as follows:

SENIORS AND SOPHS  
WIN FIRST GAMES

The race for the interschool championship at basketball among the girls' teams of the Salt Lake high school started Wednesday when the seniors and juniors and the sophomores and freshmen played interesting games. The first named teams were victorious, the seniors winning by a score of 11 to 3 and the sophomores by a score of 11 to 2.

Although they were the first of the championship contests, the games were fast and interesting, particularly so between the seniors and freshmen. The seniors had all the better of it with the juniors, the latter having no chance to defeat their speedy opponents. The line-up for the two games follows:

The catalogue contains 32 pages of interesting matter and fine illustrations. The cover is handsomely decorated with embossed paper. The illustrations show all the parts of a big automobile.

BAN JOHNSON, PRESIDENT OF THE AMERICAN LEAGUE, WHOM THE NATIONAL MAGNATES FEAR.

While most persons scout the idea of another baseball war, the National league family has a serious row on its hands to settle during the present meeting of the magnates in New York. Charles W. Murphy of Chicago, whose name has been mentioned in the recent sale of the Philadelphia club, seeks the defeat of John Heydler, president of the National league, at the coming election. The former has the support of Branch of New York, Fogel of Philadelphia and Rhoads of Brooklyn in his scheme to elect John M. Ward, Dreyfus of Pittsburgh, Herrmann of Cincinnati and Dovey of Boston as making a determined fight on Heydler's behalf. President Robinson of St. Louis being the only other magnate who has not declared himself for Heydler or Ward. President Johnson of the American league complicates the row by asserting that he will not sit on the

I have eliminated Notre Dame from consideration altogether, though that team has some fine players. My reasons for so doing are that the Longman team has so many men who are ineligible under the college rules as accepted by the leading teams, that it is not properly to be classed with the others who

observe stricter regulations. Dolan, Miller, Dimmick and Ellbrook would be ineligible to compete at any of the conference colleges or at the University of Michigan and there may be others. One of the men I have mentioned has played nine years of college football. Adds from questions of eligibility. Notre Dame men are a great lot. Dolan is easily the best guard I have seen this season and I doubt if he has a superior, or even an equal in the country. Vaughan, Miller and Dimmick also would be worthy of places on the All-Western, Dolan, Dimmick and Vaughan certainly would have to be selected.

It may seem strange that I have picked so many Michigan men, but I think that I have good reasons for my choices. If I had the privilege of selecting from among all the teams in the west there isn't one of the six Wolverines whom I would be willing to trade. This ought to be a test. I have tried to be absolutely impartial in picking the players.

There can be no question about Benbrook's right to be picked as the best in the country. Every critic who has seen him play has been won in his praise. Smith is a magnificent kicker, getting his punts away quickly and for good distance. A place on the team hasn't a superior in the country. He plays a strong defensive game and is in good physical condition can hit the line hard.

Magidson is a great halfback. Easier as a line backer and runner he is generally to be depended on when ever called. His defensive work has been of the sensational order.

I am confining myself to selecting men in the positions that they have played this season, and for this reason omit Page of Chicago. This man unquestionably would get the call at end, but made rather a poor showing at quarter this year.

McGovern I selected on his past performance, though he showed nothing against us that would entitle him to the place. Joy Miller made him look like a schoolboy. However, the Minnesota man is a great player if we take his reputation up to the time of the final contest.

If Hamilton of Notre Dame could be considered eligible, he would be my choice over McGovern. Certainly he made a much better showing than any other quarterback who played against us this year.

Pickering looked like the best of the fullbacks, with the exception of Vaughan of Notre Dame. Rademacher played a fine game against Michigan, both on the offense and defense.

Give me the team that I have picked and I will take a chance on beating anything that can be found in the west to oppose it. I believe that I have selected a well-balanced combination, strong in all sorts of football, both offensive and defensive.

SEVEN FIGHTERS  
TO HELP JEFF

Bob Armstrong, Who Trained Johnson, Has Been Added to the Big Fellow's String.

New York, Dec. 16.—Bob Armstrong, the colored heavyweight, who helped Jack Johnson train for his recent fight with Ketchel, has been added to Jeffries' long string of prospective sparring partners, according to Jeffries' advisers here. If Armstrong accepts the offer and the other pugilists already named are at the beller's training camp, the latter will have seven energetic helpers: Corbett, Tommy Ryan, Berger, Armstrong, Kid McCoy, Jack Root and Jack McCormick.

BOISE FANS ARE  
INTERESTED IN FIGHT

Boise, Dec. 15.—Local fight fans who are deeply interested in the approaching fight between Jack Johnson and Jim Jeffries, are well pleased that the combat is to take place at Salt Lake. The fight will be held at the arena of 2100, it is believed, will result in a large crowd from Boise being on hand.

Home Run Joe Marshall, who is recognized as a devotee of the fight arena in Boise, said yesterday: "I think there will be at least 100,000 fans near 2000—who will go to Salt Lake to see the big fight next Fourth of July."

Asked what the prevailing opinion appeared to be as to the outcome of the fight, Marshall said: "I think it will be a close one, but I believe Jeffries will win."

"Some of the boys are of the opinion, however, that unless Jeff gets in the ring before the fourth of July, he will be little show for him to win out. Johnson is admitted to be a wonder in the ring before the fourth of July. Jeffries would have done to him in his palmy days, the fact that he has been in the ring for so long a time, and years counts against him for the reason that there are few men who, after once gained the position of an importance in athletics, ever regain it if they leave that line of work for an interval of a few years."

## SAYS WILL FIGHT HERE

"Tex" Rickard Declares There Is No Purse Division Agreement.

New York, Dec. 16.—Tex Rickard, the prize fight promoter who has just returned here from Boston, denies there is any agreement between Jeffries and Johnson over a division of the \$100,000 purse he offered.

"While in conference with Jeffries and Johnson before they final article were signed," said Rickard today, "I told them they could divide the purse any way they pleased, but I suggested a 50 per cent division, as it seemed the betting odds would be about even. The fighters discussed the matter, but when I told them I would insist on the public being given the full details they dropped the matter."

"I will bet any one \$1,000 that there is no agreement between Jeffries and Johnson of any kind, excepting to divide the purse 50 per cent to the winner and 50 per cent to the loser. And I will bet Tom McCarty of Los Angeles or any one else another \$1,000 that I did not give Jeffries \$100,000 or any other secret inducement of favor, my bid for the fight."

"I have not the least doubt now that the fight will be held in Salt Lake City."

TWO IRISH TEAMS  
ARE COMING OVER

Chicago, Dec. 16.—To bring two Irish teams, one hurling and one football, to this country, was the proposition launched by Rev. J. K. Fiedling at the Gaelic Athletic association chambers last evening. The teams will come probably in August or September of next year.

ELIGIBLE COLTS  
LEFT FOR FUTURITY

New York, Dec. 16.—An announcement today of the eligible colts left in the rich Belmont stakes of 1910 was accompanied by the information that the preparation has been made for the renewal of that famous turf fixture after next year. It will be run for the 4th time and then the list of eligibles, which has now dwindled to about a dozen, indicates that James E. Keene's future winner, Sweep, is an almost certain winner of the \$25,000 stake and the \$1,000 plate which goes with it.

FANS PUZZLED  
ABOUT THE FIGHT

Many Are of the Opinion That Jack Johnson Is Afraid of Big Jim Jeffries.

By Ed W. Smith.

If Jack Johnson has developed any sudden fear that he will not be champion of the world after July 4 next it must have hit him with the suddenness of lightning. He didn't have the slightest sign of it when he was in Chicago last fall. Callahan's story of the real reason for that secret session in Hoboken between the fighters and their managers is that Johnson wanted a more equitable split of the gigantic purse. The articles call for \$5 and \$2,500 and loser, Johnson. It is said, wanted \$5 and \$2,500, but yet, \$5 and \$2,500. While that act wouldn't necessarily indicate fear of the result, it makes things look a bit bad on the Johnson end. Perhaps the strong Jeffries atmosphere that prevails around the east has caused Johnson to weaken in the knees, but it is not at all likely. Johnson was fairly bristling with confidence when he was here last and nothing has transpired in the meantime to make him change his tune.

WITH TOP WEIGHT  
BOGGS WINS AGAIN

Oakland, Dec. 15.—Boggs again displayed his class at Emeryville today by taking up 115 pounds and winning the Fruitvale handicap from some of the best horses at the track. The lightly weighted Raleigh, at odds of 5 to 1, was second.

Lady Elizabeth led all the way in the 2-year-old event. Salvage, the mild favorite, led the field in the third. Hereafter broke down after racing with him.
