S. W. Eccles, Esq., general freight and correspondent, "Selim," writing from passenger agent of the D. & R. G. W. Escalante, Gardeld Co., August 20th, Railway, retires from office. Last relates the following: Aug. \$1 1886 evening, at the parlors of the Alta A sad accident happened here at Club, he was the recipient of a testi-three year old son of Brother Jacob N. Lonial showing the high esteem in Butler, of this place, lost his life by

which he is held by the business men of drowning. The weather had been cloudy and this city. When Mr. Eccles entered the hall he greeted the assembled rainy for some weeks past and con-siderable rain had fallen on the mounguests, and the following speech was tains. Brother B. started from town made by ex-Governor Murray:

with his family early on the moralng of the 17th to go up to his farm in the canon 12 miles from town and harvest his crop. He was within half a mile Mr. Eccles: I remember well the sound of the first whistle of the engine that announced the completion to Salt of his farm when at the second crossing Lake City of the Denver & Rig Grande from there, while his wagon was in the Railroad. That road came as founding creek his borses for some inexplicable reason suidenly stopped. At that instant another flood came down and swept the whole family off the wagon. Brother B. grasped his wife and two of his children and helped them out of the water in a few muntee. The two youth comes over the mountains and into the valleys, to meet and greet in business rivalry the great ploneer lines which traversed the continent from ocean to ocean. With its coming, you came, and with it, and of it you have been a leading factor to the present. the water in a few minutes. The two boys, one eight and the other (the de-The announcement has been made that ceased) three years old, went down the you have tendered your resignation, creek, the older one holding to and tryand that on to-morrow your official

ing to help the younger. As soon as his wife and the two children with her Your friends, mindful of the event, were in a place of safety on the bank Brother B. plunged in and swam down the creek to whereine knew one of the ence to-night in order to give you an expression of their teeling and regard; boys was, for he could hear bim shoutand in doing so, to honor pluck, enering for help. He found the older of the two boys about two hundred vards gy and courage, which we believe are essential elements of success, and from the scene of the accident, holding which stand forth as characteristics of

to an oak root. The other had gone down. The father swam after, but Harrows, Hay Rakes. hough he looked for a long time he could not find the youngest boy. Still failing to do so, he went up the creek for the celebrated Vasaline Stand ard Wagon and Carriage Grease. This condensed and strictly Pure Fe-troleam Jelly possesses all the Lubricating, Softening, Preservative and healing properties of the other well known and familiar grades, differing to take care of the rest of his family. the wagon and horses were swept down about a quarter of a mile where the horses became unlitched and climbed up the bank out of the creek, pretty badly crippled. Brother B. and from them only in melting point as it family then witked along the west bank of the creek to Father Prince's. Brothers Prince and Batler weat down is many degrees higher. upon them.
