

# CHAMPIONSHIP FIGHT TOMORROW

Tommy Burns and "Philadelphia Jack" O'Brien Are Now Ready for Gong.

## FIERCE BATTLE EXPECTED.

But Very Little Difference in Weight Of the Two Fighters—But Nelson to Help Man From Slowlown.

Los Angeles, May 6.—With the strenuous portion of the fight at an end, "Philadelphia Jack" O'Brien and Tommy Burns, who will battle before the Pacific Athletic club next Wednesday night, for the heavyweight championship of the world, today announced themselves in perfect condition, and each expressed himself as confident of gaining the victory.

From present indications the men will enter the ring with less than five pounds difference in weight. For a week Burns remained stationary at 171 pounds.

Afternoon it was announced that O'Brien tipped the beam at the same notch.

Battling Nelson, William Nolan, "Bob" Ward, "Battling" Swanson and Abdul "The Turk" are named as O'Brien's seconds. In the opposite corner, "Blitz" Woods, "Jimmy" Burns, "Young Brasso" and Prof. Lewis will officiate.

A difference of a point in the odds is limiting the amount of betting. O'Brien's backers offer 10 to 5 and the Burns' supporters offer large amounts at 10 to 2. With O'Brien favorite. Some adjustment of these figures is expected before they enter the ring.

When Tommy Burns and Jack O'Brien came through the ropes at Los Angeles tomorrow night to show their love for each other by exchanging slaps, jabs and uppercuts, the latter is expected to have met for the championship of the world, in the heavyweight division, the first time in the history of the sport, understood, that one Jim Jeffries is eliminated from the reckoning.

It appears that the odds have been made a strong favorite but the reason for this is not apparent, unless it be that his firm out of the tight places he is sure to get into. He is undoubtedly speedier than the other, and his punches are fast. In their last fight he chased O'Brien all over the ring in nearly every round, and from all accounts gave the Philadelphia a sound thrashing, but Jim Jeffries, who was the third man in the ring, received a verdict which spelled "victoria." Burns is the stronger of the two, is a harder puncher and can take a "good" punishment.

While the fight is billed as a championship affair, the winner will have to make a settlement with Schwab, Squires, et al, before the claim will be taken seriously, and it will be with the understanding that Big Jim Jeffries is out of the game for all time.

## WON KENTUCKY DERBY.

Important Event Captured by Chums, Lumbering Pink Star.

Louisville, Ky., May 6.—Moving past a spent and reeling field with an ease which his chums, lumbering stride did not indicate, Pink Star, the longest priced horse in the race, today won the Kentucky derby by two lengths from Zal, a track almost a mile, the slowest in the history of the race.

The thirty-third running of the Kentucky derby, a unusually open betting proposition, due largely to the heavy track, which caused the race, a colt which has been an overwhelming favorite in the future, was also a heavy favorite at 3 to 1. He had some little support, but Orlandville, at 10 to 1, and Pink Star, at 15 to 1, were virtually overlooked. In some ways, the race was a hard fought one, but the winner, who closed at 12 to 1 on the strength of a little play by sharpshooters.

The field was sent away to a good start. Woodlands jumped into the lead but relinquished it to Zal, Boland on Zal, with Woodlands and Orlandville alternating in second place, set a stiff pace. The first six furlongs, considering the condition of the track, Red Gauntlet and Orlandville seemed along behind, and trailing six lengths in the rear, and Star, by the time the mile was reached Zal had all except Pink Star in distress. Thousands acclaimed Zal as the winner as they turned into the stretch. The big boy colt speedily closed up the four lengths between him and Zal, and was moving down Woodlands and Orlandville with the greatest ease. Half way down the stretch Pink Star's pink muzzle showed in front. Zal, in first place almost the entire distance, and when called upon in the stretch the best he could do was to move into fourth position, ahead of the wobbly Woodlands and the very tired Orlandville. The winner is a bay colt by Pink Coat, dam Mary Maller, and owned by J. H. Woodford.

Summary:  
First race, five and a half furlongs—Mike Sutton won; Cleburner, second; Rickett, third. Time—1:29.25.  
Second race, five furlongs—Rebel Queen won; Dew of Dawn, second; Geneva S., third. Time—1:32.5.  
Third race, six furlongs—Rahbert won; Time—1:42.5.

## OLDEST AND BEST

## S.S.S. BLOOD PURIFIER

## GREATEST OF ALL TONICS

For nearly fifty years S. S. S. has been before the people, and in that time thousands upon thousands have tested its virtues and know that no other medicine so satisfactorily cleanses the blood of all impurities, humors or poisons, or is so well adapted to the entire system as a general tonic.

The majority of human ailments are caused by impure or impoverished blood. Every part of the body is dependent on this vital fluid for nourishment and strength. The muscles, nerves, bones, sinews, skin and other portions of the system are sustained and enabled to perform their different duties because they are supplied with nutriment and healthful properties through the circulation. When, however, the body is supplied with weak or impure blood the system is deprived of this strength, disease germs collect, and a general impaired condition of health is the result.

Coming in contact with contagious diseases is a frequent cause for the polluting of the blood; we also breathe the germs and microbes of Malaria, and like diseases into our systems, and when these get into the blood in sufficient quantity it becomes a carrier of disease instead of health. Then follow such symptoms as anaemia, boils, sores and ulcers, and often chills and fever and a badly weakened and disordered condition of health. Often a sluggish, inactive condition of the system and torpid state of the avenues of bodily waste leaves the waste and refuse matter to sour and form acids and humors which are absorbed into the blood, and some serious blood disorder or itching, annoying skin disease is the result.

Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acid fluid which forces out its impurities through the pores and glands of the skin.

Spring is the season at which a blood purifier and tonic is most needed. The accumulations in the system, caused by the inactive, shut-in Winter life, must be removed, for when warmer weather comes the blood is aroused, and in trying to rid itself of these impurities calls upon every part of the system for assistance, and few constitutions can withstand these demands without some manifestation of disorder. The physical weakness, a tired, worn-out feeling, changeable appetite, poor digestion, and general run-down condition of the system, together with skin affections and diseases in different forms, so common at this season, show that a blood purifier and tonic is made.

S. S. S. is Nature's blood purifier and tonic. It is made entirely of healing, cleansing roots, herbs and barks, and has long been recognized as THE KING OF BLOOD PURIFIERS and the GREATEST OF ALL TONICS. It goes down into the circulation and removes gently but thoroughly, every particle of impurity, humor or poison that may be there, restores lost energy, builds up the appetite, and steadily tones up the entire system by its fine tonic effects. S. S. S. neutralizes any excess of acid or humor in the blood, making it fresh and pure, and cures Eczema, Acne, Tetter and all skin diseases and eruptions permanently and promptly. It adds to the blood the rich, healthful properties it is in need of, and in every way prepares the system for the change from Winter to Spring. S. S. S. cures Rheumatism, Catarrh, Scrofula, Sores and Ulcers, and all other diseases arising from an impure or poisoned blood supply. If you have any evidences of a weak, impoverished condition of the blood, or feel the need of a tonic, begin the use of S. S. S., which is for sale at all first class drug stores, and prepare your system for the depressing Summer months which are to follow. Book on the blood and any medical advice desired will be sent free to all who write.

# A Woman's Gratitude

"For more than a year I had been a sufferer, completely broken down. I had not slept but two or three hours any night for weeks. I had such awful misery in my head, and oh, I was so irritable. I could not depend upon my judgment, and my memory was failing. I realized that I was losing my mind, and I thought the grave, or worse, the asylum, would be my doom. My doctor said my case was beyond the reach of medicine. I went to a druggist and told him my condition. He recommended Dr. Miles' Nervine; he was pretty sure it would help me, so I bought a bottle. That night I took a table spoonful, and fell asleep in a few minutes, the first rest I had in weeks, and oh, I will never forget that sweet sleep while I live. I have continued taking it, and sleep like a baby, and gain rapidly."

## NOTED AMERICAN PAINTER.

Frederic Remington has made himself famous by his delineation of frontier life. Today he is recognized as one of the two most eminent painters of Indian subjects, the other being Edwin W. Deming. Until recently Remington's Indian has been accepted as the best example of the interesting race, but now the critics are inclined to put a higher art value on the Indian of his rival. That does not prevent these artists from being the best of friends.
