Must Use The Knife

Said the Surgeon, but Dr. David Kennedy's Favorite Remedy was taken and the knife avoided.

The Union and Advertiser of Rochester, N. Y., recently published the following interesting account of how William W. Adams of 127 South Avenue that city was saved from a painful operation by the use of Dr. David Kennedy's Favorite Remedy.

Mr. Adams said: "Three years ago I was taken with kidney disease very badly, at first it was completely unnoticed, in fact, was so bad that the day was set for the operation to perform an operation upon me. But I decided I would not submit to a knife, and I tried every means was tried to help me. Upon the day set for the operation I commenced the use of Dr. David Kennedy's Favorite Remedy, and from that moment began to gain, and it was not long before I was cured, and have had no return of the trouble since. My weight has increased and I never was so well as I am now. I have recommended Dr. David Kennedy's Favorite Remedy to all my friends."

DR. DAVID KENNEDY'S FAVORITE REMEDY

To a pile of people, and it's worth its weight in gold, for it saved my life. My wife thinks it is the best medicine for kidney disease.

In speaking to Mrs. Adams, she said: "About a year ago I was in a very feeble state of health, being completely run down. I had doctor's orders, but without permanent relief. One day one of my neighbors advised me to take Dr. David Kennedy's Favorite Remedy, which I did. My trouble was completely cured, and for a long time I was unable to be about at all, but after taking a few doses I was completely cured, and now enjoy good health."

Hundreds of men and women with that "run down" condition written all over their faces, unable to work, have recovered health and strength through this remarkable remedy. It purifies the blood, stimulates the liver and kidneys to a healthy action.
