NUMBER 20

HAY-PAUNCEFOTE TREATY AMENDED.

The Senate, by a Vote of 65 to 17, Adopts the Amendment of the Foreign **Relations Committee.**

sdopted the foreign relations committee mendment to the Hay-Pauncefote reaty by a large majority. The foreign elations committee amendment was adopted by a vote of 65 to 17.

The following is the Davis amendment passed today. Insert at section 2 the following:

"It is agreed, however, that none of he sections numbered 1, 2, 3, 4, and 5 of his article shall apply to measures thich the United States may find it ssary to take for securing by its forces the defense of the United and the maintenance of public

special order the Senate coni today at 11 o'clock. The an-ced purpose of the early convenwas to enable Mr. Hanna of Ohio dress the Senate on the ship subbill before taking up the special of the day-the further consideraexecutive session of the Hay-

efote treaty. Fairbanks (Ind.) offered a joint tion from the committee on pub-lidings and grounds directing the atment by the President of the e of three members of that comand by the Speaker of the of five members of the same

ttee of the House to constitute a commission to ascertain a feasi-cation for and the probable cost hall of records to be located in the let of Columbia. The resolution dopted.

conclusion of the routine busi-Mr. Hanna was recognized. His h was in a sense a reply to that d a few days ago by Mr. Clay Georgia.

Like Mr. Clay, Mr. Hanna is a mem-er of the committee on commerce, from the measure now pending was rted to the Senate.

THE MINISTERS ARE INSTRUCTED

opening his address Mr. Hanna 1 that the remarks of Mr. Clay had ught into question the motives of who had assisted in the prepara-of the pending measure. As a mber of the maritime committee as I as a member of the committee on

Weshington, Dec. 13 .- The Senate , his right and duty to explain the work those committees. "For myself," he declared, "I resent imputation that any other motives than those of interest in our country and good public policy actuated the committees."

Mr. Clay interrupted Mr. Hanna to Mr. Clay interrupted Mr. Hanna to disclaim any such imputation. Discussing the rise and fall of the American merchant marine, Mr. Han-na declared that the beginning of the decline in the industry was coincident with the outbreak of the civil war. Mr. Vest (Mo.) interrupted the Ohio sension to challenge his statement that

and vest they intervalues the obst senator to challenge his statement that the civil war caused the decline of shipping. He declared the decline had begun as far back as 1855. In response to Mr. Vest's challenge, Mr. Hanna reviewed the history of the Amelican mechanism from the

Mr. Hanna reviewed the history of the American merchant marine from the establishment of the nation to the present time. He maintained that the decadence in American shipping had begun in 1860 and not in 1855 as the Missouri senator had asserted. Mr. Hanna declared that the four ships of the American line which he said had not made a net dollar since they came under the American flag, would receive less than \$290,000 a year each if the bill became a law. At 2 o'clock Mr. Hanna concluded his speech on the ship subsidy bill, and the Senate went into executive session to consider the Hay-Pauncefote treaty.

to consider the Hay-Pauncefote treaty.

HOUSE PROCEEDINGS.

Washington, Dec. 13.-When the House met today it adopted a resolu-tion on motion of Mr. Payne (of New York) the floor leader of the majority, for a holiday recess from Friday, Dec. i, to Thursday, Jan. 3. Before going into committee of the

whole to resume the consideration of the war revenue reduction bill, it was agreed that general debate upon the bill should close tomorrow at 2 o'clock. The regular Friday order for the consideration of private pension bills was postponed until Saturday. The debate on the revenue reduction will was then

resumed. Mr. McCiellan, of New York, a memerce, Mr. Hanna said he felt it

Southern Pacific and Santa Fe Aiming to Head Off the San Pedro, Los Angeles & Salt Lake Railroad.

[SPECIAL TO THE "NEWS,"] Los Angeles, Cal., Dec. 13 .- The Times this city today says:

"The Southern Pacific and Santa Fe will have direct rail communication with Salt Lake before any other comany," said a Southern Pacific repremattive to a Times reporter.

"I pon what do you base your infornution," was asked.

"I am not at liberty to talk, but mark my words, the two railway companies now in sole occupation of the local field are bound to meet such competition as is now threatened by the new San Fedro, Los Angeles and Salt Lake road, and it is but natural that they should essay to take time by forelock by build-ing to Sait Lake City on the lines of the surveys long ago completed," was the reply. "Why have they not done so hafees?"

Why have they not done so before?"

Santa Fe. The Clark road, with the connections which it may establish at Salt Lake, will prove a powerful competitor for transcontinental business, so it will behoove other lines to form a new connecting link with the least possible delay." The official above quoted, for reasons that are obvious, begged his name not be used. Other local Southern Pacific officials who have been approached profess to have no knowledge of the matter whatever, and are uncommunicative

General Manager Nevin of the Santa Fe said so far as he knew, his company was not contemplating the building of a line to Sait Lake at present. He pro-fessed to be entirely ignorant of any Southern Pacific-Santa Fe combination to hold off any compatition threatened to hold off any competition threatened by the San Pedro, Los Angeles and

"Why have they not done so befor?" "Because the necessities of the situ-ation did not require it. Now, there is to Salt Lake, in order to protect the interest of the Southern Pacific and the

the Herald from Vienna says the Neuste Wiener Tageblatt leanrs that all the European ministers in Pekin have received final instructions from their governments so that the beginning of peace negotiations can be made at once. The success of the American policy is even more complete than was expected. As an interesting proof of this it is learned from the very best ource that the powers constituting the triple alliance which at the beginning was strongly opposed to the American licy, have now requested their minsters to limit as far as possible all atters of formality in the peace negolations so that peace may be speedily oncluded.

GERMANY LIVING UP TO AGREE-MENT.

Washington, Dec. 13 .- The latest adce from Pekin, from official sources, that England has signified a willness to sign the agreement reached increase to sign the agreement reached by the foreign ministers with a slight mendment, which is said to be in the ature of a mere change in form, ra-her than an amendment of the scope of the agreement at any material point.

FEDERATION OF LABOR DOINCS.

Resolution Against Dowe's Lace-Workers.

bers and extending sympathy and moral support to the Iron Moulders' EIGHT-HOUR LAW DEMANDED

John Mitchell Resents Max Hayes' Statement-Adverse to Public Ownership of Means of Production.

Louisville, Ky., Dec. 13 -At the opening session of the American Federation of Labor today the following appeared to be the most popular list of new offleers to be elected on the last day of the convention:

President, Samuel Gompers; secretary, Frank Morrison, Washington, D. C.; treasurer, John B. Lennon, Bloomington, Ill.; first vice president, James Duncan, Boston; second vice president, John Mitchell, Indianapolis; third vice president, James O'Connell, Washington, D. C.; fourth vice president, Thos. Kild, of Chicago; fifth vice president, Max Morris, Denver; sixth vice presi-dent, Dennis Hayes, Philadelphia. These, if elected, will constitute the new granuting council executive council.

The first resolution called up at the orbing session was one presented by elegate Nelson, of Philadelphia, dis-proving of the alleged action of Dr. Alexander Dowie, of Chicago, in rting foreign lace-makers for king in an established industry in the United States. The resolution was dopted and copies ordered sent to resident McKinley, Secretary of the reasury Gage, and Commission of per cent and this has been drift infough the efforts of trade unionism. If the believers in Socialism can point to a practical solution of the industrial problem, I am not so biased as not to lgration Powderly.

be ready to join them." A resolution was also adopted directing the executive council to take such

New York, Dec. 13 .- A dispatch to 1 It was the understanding that England was the only power that was holding back and as according to the advices re ceived here, the slight changes made or proposed to be made by England, do not conflict with any of those held out here, from the point of view of the state department, there seems to be no. substantial obstacle to an almost immediate closure of the negotiations con-

cerning the preliminary agreement. Mr. Conger's latest advices to the that the German minister at Pekin, Mumm Von Schwarzensteln, was living up to the spirit of the promise of the German government to abate its demands for the imposition of the death penalty upon Princes Tuan and Chwang, Duke Ian and other Boxer ring-leaders. It was upon this very point that the United States made the issue with Germany and England, and was said to have prevailed, so that if

any demand is still made by Germany in the line indicated, it is contrary to Mr. Conger's reports, and would be dis-tinctly a surprise to the state depart-ment here. Therefore, the officials are fully prepared to hear at almost any moment that the plenipotentiaries at Pekin have signed the agreement and that the latter had been laid before Prince Ching and L! Hung Chang.

The strikers have broken their own rules, as I understand it, when they did not take a vote among themselves. They certainly broke their contract with the company. Further consideration cannot be expected."

JOHN MARSHALL DAY.

Chairman of the Salt Lake Bar Association Names Program Committee.

Attorney Charles S. Varlan, chalrman of the Salt Lake Bar association. has appointed the following committee

of nine to arrange a program for the celebration of John Marshall day on February 4th next: P. L. Williams, E. B. Critchlow, Andrew Howat, E. S. Ferry, Edward McGurrin, George L. Nye, D. H. Wells, Willey Brown and Charles W. Boyd. The first meeting of the committee will be held at the office of P. L. Williams in the Commercial building at 7:30 o'clock next Monday evening. It is evpected that the committee will then decide upon the kind of celebration to be given.

NEW IRRIGATION COMPANY.

Articles of incorporation of the Brown and Sanford Irrigation company have been filed in the office of the county clerk. The capital stock is \$19,-500, divided into 195 shares of the par value of \$100 a share. William J. Pan-ter is president; Charles F. Boyce, vice president; Charles Colebrook, treas-urar and secretary, who, with C. R. Wootten and John W. Foulkes also form the directorate. The object of the incorporation is to develop the waters of the Brown & Sanford ditch, a branch of Big Cottonwood creek.

AMUSEMENTS.

Lannananananananananan "The Great Ruby" went at the Theater last evening. In much better shape than on the opening performance. It is a pity that the excellent work of last night could not have been seen on. Tuesday, as the result at the box office ould surely have been much different. Fonight the company renders Gillette's famous war play "Secret Service," and the advance sale indicates that it will be the banner night of the engagement. "Trilby," in which Miss Van Buren is said to do her best work, will be the bill tomorrow night.

At the Grand "A Stranger in New York" closed last night to a big house. This evening "Tennessee's Pardner" opens an engagement of three nights and a matinee.

Mr. Ralph Cummings, head of the Mr. Raph Cummings, head of the Cummings stock company, which is to open at the Grand on Jan, 7th, reached Salt Lake from San Francisco last night thoroughly worn out by the de-lays incident to the wrecks on the Southern Pacific. He said the demol-table engines and one seen where the ished engines and cars seen where the wrecks occurred, were something terrible to contemplate, and everything on the road was demoralized for the time being. Mr. Cummings was much an-noyed at the report in the Tribune, giving the names of some of the members of his company. He says the report is entirely misleading and inaccurate, es-pecially the statement which gives Blanche Douglas as the leading lady. Miss Douglas is the ingenue of the company. The leading lady, whose name is now announced for the first time, will be Miss Laura Nelson Hall, who is now] go on to the continent.

gram for This Exening.

The fair and festival of the Twentleth ward opened last evening and will run till Friday night. The attendance was very large and the event was a great success from every point of view.

The opening program consisted of a recitation by Miss Maude May Babcock, a solo by Mr. Hugh Dougall, a humorous talk by Thomas Hull and a soprano solo by Mrs. Mary R. Ross. The eleven booths in which holiday

goods are sold by sweet girls were very beautifully decorated. One feature of he evening's program was a contest for the most popular lady and gentieman in the ward. The contest will continue until 10 a. m. Friday night when the winners of the context will be awarded a handsome prize. The fol-lowing is the result of last night's bal-loting. The five leading candidates only are listed;

YOUNG LADY HURT. Her Sister Faints at the Sight of the Blood.

Miss Lillie McAllister, the eighteenyear-old daughter of R. W. McAllister of S11 south Eighth East street, had her hand cut accidentally by a machine about 12 o'clock today and her sister, Ella, was so shocked at the sight of the gushing blood that she swooned away. Both of the young laswooned away. Both of the young la-dies are employed in the bookbinding department of the "News,' and while Lillie was working over a machine the power was inadvertantly turned on, and before she could jerk her hand away it was caught by the knife, which inflicted a severe cut across the wrist. Her sister Ella on soing the flow of blood uttered a cry and fell into a blood uttered a cry and fell into a dead faint. Her fellow employes imdead faint. Her reliew employes im-mediately began doing what they could for her and a doctor was called for. A physicaln could not be found, so Dr. Ezra Taylor, the dentist, was brought, and after working with her and apply-ing restoratives for nearly one hour, the unfortunate girl regained her con-ectorements.

Both of the young ladies were taken home in a carriage. When last heard from Ella was getting along nicely, but she sustained a very severe shock.

STEAMSHIP ARRIVES.

The Steamship New England arrived at Queenstown at 11 o'clock yesterday, and at Liverpool at 2 p. m. today. The vessel sailed from Boston, Decem-The vessel salled from Boston, Decem-ber 5. There were on board a number of Utah people, who left Salt Lake City on November 28. Among these were Hon. James Quayle of Logan, El-ders John Stauffer, Gottlieb Fluckeyer, J. Stucki, and others. The first named will remain in Great Britain for a couple of months, and the others will go on to the continent.

It is Believed to be Over-Troops Now There Will Remain Till Danger is Past-Children Taken Home-School Believed to be Broken Up.

Most of the children who are suffer-Price, Utah, Dec. 13 .- The troubles ing from measles, were, during the night and today, removed from the boarding school to the homes of the parents. It is believed this will praclically break up the school at White main until there is no further danger Rock's agency.

race. Turville was badly injured by be-ing thrown into a box last night. Harry Elkes, who is looking very tresh, came on the track at 5:39 o'clock

after a rest of two hours and forty

Shortly after 6 o'clock Waller's rear-tire burst. The riders quickened their pace, and gained several laps on Waller, but only one lap was taken from Waller and Stinson's score. This did water and Sunson's score. This did not cause any change in the position of the riders. At 7 o'clock the leaders were fifteen miles behind the record made by Miller and Waller a year ago. The men were then riding at the rate of eighteen miles an hour. At the same time a year ago Miller and Waller were viding at twenty-mile pace.

NEW EXTRADITION TREATY.

United States and Great Britain Have Concluded One.

Washington, Dec. 13 .- A treaty has been concluded between the United States and Great Britain amendatory of the existing extradition treaty and intended to correct certain imperfections tended to correct certain imperfections in that instrument developed by recent experiences. The changes do not ma-terially affect the scope or principles of the existing treaty, the chief item in the list being a provision classifying as a crime subject to extradition the ob-taining of money under false protenses. At present the treaty, makes extradi-At present the treaty makes extradi-tionable the reception of money ob-tained under false pretenses, and the omission of the principal in the crime, constituting a manifest absurdity. To rectify this the amendment is made.

Killed on the Burlington.

Burlington, Ia., Dec. 13 .- The Chicago, Burlington and Quincy rallway's fast mall, No. 15, which left Chicago at 9:15 last evening was wrecked two miles west of Kirkwood early today. Fireman Shannon was killed and Engineer Sam-uel Dove was hadly hurt. The engine jumped the track and was demolished. Two mail cars with their contents were burned. The mail clerks were not transat injured severely.

Bryan Makes a Denial.

St. Louis, Dec. 13 .- William Jennings Bryan, in reply to a query put to him by the Lincoln, (Neb.) correspondent of the Post-Dispatch, as to the statement that he had agreed to accept the election of United States senator, said today:

"Simply say that there is no truth in the rumor; that I have other plans."

To Save the Ship Edmund.

San Francisco, Dec. 13 .- The tug L. Luckenbach will sail today for Santa Rosalia, in the Gulf of California, for the purpose of saving the German ship Edmund if that is found to be possible. The Edmund was reported to the marine underwriters here as having gone ashore broadside on, and was believed to be in danger of breaking up. The Turville and Gimm were out of the | Luckenbach takes wrecking appliances.

slightly injured.

will recover.

Only Six Teams Left.

New York, Dec. 13 .- Today found only six teams left in the six-day bicycle race at Madison Square Garden. The riders have taken on a haggard and exhausted appearance due to the terrific pace set for the first two days of the race. This morning the men in-creased their speed somewhat. The unlucky fails of yesterday caused two

eams to drop from the race, leaving but six.

Oscar Aronson is in the New York hospital with an injury to his spine. His partner, Babcock, fell from his wheel at 2 o'clock from sheer exhaustion. Referee Wilson was officially notified by the team's trainer that the men were unable to continue. About the same time it was announced that
