

# ANDRIE'S PIGEONS.

Question Billed as to Whether They  
Came From the Explorer.

WHICH BELIEVES HE IS LOST.

Great Chance to Hear for the Safety  
of the Arctic Explorer.

London, July 22.—A special dispatch from Copenhagen says a carrier pigeon, which was caught in the vicinity of Tromsø Island, near the North pole of Norway, with the following message upon its wing:

"New York, July 2.—A carrier pigeon, which was caught in the vicinity of Tromsø Island, near the North pole of Norway, with the following message upon its wing:

"New York, July 2.—A carrier pigeon, which was caught in the vicinity of Tromsø Island, near the North pole of Norway, with the following message upon its wing:
