BELOVED BRETHREN:-Ever feeling a deep and abiding interest in the prosperity of Ziou, and the advancement of our Redeemer's Kinglom upon the Eurth, and being also desirous of benefiting, cheering, and consoling the Saints in their warfare against the maching ations of Satan, and the power of the adversary, feel and the power of the adversary, and consoling the Galact and the power of the adversary, and consoling the Galact and the power of the adversary, and consoling the Galact and the power of the adversary, and consoling the Galact and the power of the adversary, and the power of the adversary and the advancement of our manufacture your own clothing, sond preserve your stock; raise your own leather; and which they enjoy, by their acts of selfishness and own wool and flux; make your own clothing, sond preserve your stock; raise your own leather; and which they enjoy, by their acts of selfishness and own wool and flux; make your own clothing, and which they enjoy, by their acts of selfishness and own wool and flux; make your own clothing, and which they enjoy, by their acts of selfishness and own wool and flux; make your own clothing, and which they enjoy, by their acts of selfishness and own wool and flux; make your own clothing, and which they enjoy, by their acts of selfi

had been sout among them. The brethren are exploring to find an island where they congather together and live in peace with each other, free from the pernicious influence that so unhappily prvades than, in all their intercourse with foreigners in their present locations.

From Australia we have the most cheering aceounts. Elder Wandell has arrived at San Barnardino, and Elder Augustus Frenhum of this city was chosen to preside in that mission. A paper called "Ziou's Watchman" had been established at Sydney. New South Whis, with a very fair prospect of being well sustained, and accomplishing great good. The Saints in the various Conferences numbered several handleds, and were constantly on the increase. Elder Burr Frost was at Melbourne, and the other Elders scattered over the Colony at various places. Elder Furnham expected to send from Sydney a mission to Hobart Town, Van Demau's Land, and New

The Calcutta mission, under the superintendency of Elder N. V. ones, has been wonderfully preserved from the postilence and imposts peculier to that frien while passing rom piece to place, in the error of their various duties.— The Elders have visited from this point, Ava. in the Burman Empire, Dinapore, Chinsarah, Mudras, and Ceylon, and it is expected that brs. Lod-ington and Savage are now at Siam. Elders Findlay, West and Dowy are at Bambay, and Eldor Willis has been laboring in the Northern Provinces of India.

Eldor Jesse Haven was af last advices at Cape

Town, where he had made a small beginning with good prospects.
