There is more trouble in the Rich family, whose misunderstandings and quarrels have been ventilated in the po-lice court several times during the last year or two. As usual the trouble this time is between the father, E. E. Rich, and one of the sons. The latter wants the former arrested because he alleges his father wilfully tore up a fume his father wilfully tore up a flume which the son had just completed on his property. Both were at police head-quarters this morning, but the warrant was not issued for lack of sufficient evidence upon which to base a complaint.

There was an interesting marriage There was an interesting marriage last evening, in the Maccabees lodge, where Seth Brown and Miss Tony Kes-ler were united by Rev. Frank Barnett of the East Side Baptist church, in the presence of 700 friends. Miss Leo-nora Brown, sister of the groom, acted as bridesmald, while Lew Halsett was the best man. After the ceremony, the following program was observed: Soprano solo, Miss Bes-sie Kosworth; comedy nonsensical, Ira F. Walden; recitation, Miss Nora Brown; Baritone solo, Lew Halsett Brown: Bartone solo, Lew Halsett; solo, "The Bride's Dream," Miss Ida Owen: overture by orchestra. The pro-gram was followed by a banquet.

Bulletins announce a probable strike by the silk designers at Pat-terson, N. J. Relative to this Sait Lake dry goods men say that in their judg-ment it will be very foolish for the slik designers to strike, as it means only bread taken from their mouths. The slik stocks of the country are well supplied, and in cases overloaded, as the demand for the last two years has been falling off, and fashions have been running to cottons and worsteds. There is very little business in sliks now as compared with the trade of the years previous to 1992. So a strike in the silk factories would have hardly more of an effect than to throw people out of employment, and manufacturers could af-ford to wait six months or a year for dealers to get rid of surplus stocks.
