

## SANPETE STAKE CONFERENCE.

A large attendance and timely instructions—Good Report of Sanpete Stake generally.

Ephraim, May 17, 1897.  
To the Editor:

The conference of the Saints of Zion convened in the Mantle tabernacle at 10 a.m., on the 15th day of May, 1897. President Cannon Peterson presiding. There were present of the council of Apostles, Elder A. H. Lund; President Peterson, and Councillors Henry Best and John B. Mathen, members of the High Council; and the Bishop of the wards or commanders. After the usual opening exercises Bishop L. H. Anderson of Ephraim Ward was, W. T. Reid, Mantle North ward; John Rees of Wales ward and John Bartholomew of Fayette ward, each made a report of his ward. A general time of peace prevails among the Saints. Their poor are reasonably well cared for, and majority are anxious to live their religion.

Elder Henry Best of the Stake presidency addressed the conference. At 2 p.m. President Peterson presided over the meeting of quarterly conferences, and referred to the organization of the Sanpete Stake by President Brigham Young nearly twenty years ago, and the blessings to be enjoyed by the saints of God living in the holy priesthood.

Elder A. H. Lund spoke upon the ordinance of blessing the sick. He knew that God does it, and that we must do our duty, and serve the sick. He said this date was the anniversary of the receiving of the Aaronic Priesthood to the earth. Eternally armed who had not a testimony of the Gospel to teach the Lord, for a twelfth part.

Enter George Teasdale of the council of Apostles was present, and spoke on the necessity of obedience of commandments to parents. Wives to their husbands, and all the members of the church, who have established in the Church. Every family should take the Liahona News and Juvenile Instructor, as many questions are asked and answered in them. We must have an implicit faith that God would hear and answer prayers. Dedicated to humility and obedience, as it is the mark who shall inherit the earth; the Lord commands us to obey him, and should strive to overcome, or we run the risk of being confined in the spirit world a long time, when we might be enjoying a resurrected body in the society of the贤者.

President Cannon Peterson, president of the Stake, said the parents to have their children present by 9 o'clock Sunday morning; she gave notice of meeting at 10 o'clock Sunday evening.

At the close of the meeting was held, President Joseph F. Smith and Elder M. M. Lyman, having arrived this evening, on their way to the city of the Saints to speak to each other.

Sunday schools met in intervals at 9 a.m. Sunday, after singing and prayer an interesting time was had, especially by the young people. Elders Lund, Teasdale, and President Lyman, and by President Joseph F. Smith; at 11:15 the exercises closed.

Confession opened at 10:30 a.m. President Peterson was present to meet the saints, and he said he had enjoyed the privilege of meeting the good wintering to severe sickness and ensured, understood the stakes to be in a good condition. He believes the time has come when we must improve, a large crop wheat has raised last season, and better prices obtained than for sometime past; cattle also sold well, in consequence he believes God has given us a good growing season. As no complaint have come to him he supposed the saints had come to make, yet he believes that if the saints would pay a little more attention, and live a little nearer to the Lord, they would be much better off.

Elders Malone and Beale were testimony to the correctness of the presiding's report, and that the good feeling among the saints is on the increase.

Elder A. H. Lund read from a revelation given in 1881. He said that if we leave God we would not take his name in vain. So often were the saints in the time of the prophet lost that the Holy priesthood was called after that great man Melchizedek. He also said the saints could always depend on the faithful day.

Editor: The saints of Zion will always feel as well as we do in the meeting, it would be well for us. There are three classes among the saints in which they may be reported: some laymen, some apostles, and some saints; and some who, I wish to obtain the great blessing promised we must keep the law of God. His true testimony of the divine calling of the prophet, and the revelations given through them were given by the spirit of Christ.

At 2 p.m. sacrament was administered, and a statistical report read and approved. At 4:30—An offering for the saints of Zion, with 500 dollars in the field.

The general and Stake authorities were presented by Elder J. H. Mathen, and were explained by the presiding.

President Joseph F. Smith addressed the saints in a powerful discourse.

The meeting was over, their able leader Professor Smith, who died yesterday, presided over the conference.

A meeting in Gannett at 5 p.m. was attended by Eliom Lyman and President Cannon Peterson, who, in p.m. by Elder Lyman. Many people gathered about the houses built.

The tribal wreath is mostly formed in Germany of myrtle branches. In France and England it consists branches in Italy and France, wisteria, or white roses, in Spain, red roses, and pink in the islands of Greece, of myrtle, in German, wisteria, or a variety of small flowers.

Some idea of the magnitude of the real resources of Austria, Vienna, Czerny, may be formed when it is stated that there are about 40,000 acres, and each seat contains 100,000 acres, or a total of 4,000,000 acres—an amount beyond comprehension.

Diseases are more prevalent in cold than in warm countries, the rate being sensitive to changes of temperature.
