Correspondence.

Report From the St. Louis District.

ST. LOUIS, Mo., Sept. 8th, 1877.

President John Taylor:

Dear Brother—I herewith submit a report of our missionary labors in the St. Louis District for the last three months ending August 31st.

The District comprises the States of Ohio, Indianna, Illinois, the south and middle portion of Missouri, and the south-eastern part of Iowa.

In this large breadth of country there is but one Elder besides myself, and that is Orson F. Whitney, who is laboring in Ohio with some success. Elders P. P. Pratt and Nels Madson, Jr., are laboring under my direction at present. They were called to labor with Bro. Little, in Iowa, but he having returned home, they reported to me and I set them to work, telling them, as I do all others laboring with me, it is no matter where we labor if we labor with an eye single to the glory of God and the salvation of souls.

There have been twenty persons added to the Church by baptism in the last three months, and forty have emigrated to Utah. Elder Alonzo Winters has just returned home with a family of seven souls from Keokuk, Iowa, where he has been laboring for some time with Brother Farnsworth and others. Before leaving he had letters from a small branch of the Church, about twenty miles above Keokuk. He paid them a visit and found said branch consisted of several families, all rejoicing in the truth, although they had not seen an elder from Utah for several years. Brother Madson is with them now, and has baptized three since Bro. Winters left. I have been impressed by the Spirit for the last two years, and so expressed myself to the brethren, that quite a number would be gathered up from that corner of Iowa, and in and around Nauvoo, also a few from the other States, but as a general thing the hearts of the people are hardened against the truth, and their prejudice grows more and more bitter against the Saints. The most diabolical statements are made daily from the pulpit and through the press, that have no foundation in truth or reason, yet the people swallow it as a sweet morsel. Surely the Lord has withdrawn his spirit from the nation, for they have eyes and see not, ears but they hear not, and hearts but they cannot understand. They are in the condition of the blind leading the blind, and both will most assuredly fall into the ditch, and remain there until the "Mormons" pull them out, politically.

The death of our beloved President came upon the Church suddenly, but not unexpectedly. He had filled the measure of his days in usefulness, had finished his work and kept the faith, and, with his brethren of the Twelve, established the kingdom of God in the tops of the mountains, according to the prophets, and, after having set the House of God in order on the earth, has gone to the spirit world to assist the Prophet Joseph in preparing a place for the faithful, that where they are we may be also, if we follow in their walks.

Since the Elders returned home I have turned my attention to the gathering of the Saints, and the Lord has opened the way for many in a wonderful manner.

My health has been very good the past summer, but of late I have been troubled with chills and fever, which clings to me in this malarious climate, exposed as I am to its virus in every breath I draw and in the water I drink. Perhaps a change of climate would effect a cure better than all the medicine I could take.

The branch of the Church in St. Louis is under the care of Elder A. Burman. He is an exemplary man and trustworthy. The Saints under his watchcare are all feeling well in the work of the Lord.

We have a small branch in Braidwood, Mill Co., Ill., under the care of Elder John A. Mason. He is full of zeal and good works, but there, as elsewhere, the Saints are out of employment, and they have to scatter all over the country to find work, so that it is nearly impossible to keep up a branch organization.

The branch at Canton have all emigrated with their President, Elder David Williams.

All the Saints who remain in the St. Louis District are on the move Zionward, and many of the old time "Mormons" and their children are being admonished by the signs of the times that they must needs flee to Zion for safety. Elders P. P. Pratt and Madison will labor for the present in and around Keokuk, Nauvoo, and vicinity. Brother Whitney will remain in Ohio until otherwise directed.

Your Brother in the gospel covenant. D. M. STUART.

HIGHEST HONORS

AT THE

UNITED STATES CentennIaL

World Exhibition, 1876.

MASON & HAMLIN CABINET ORGANS

Unanimously assigned the

"FIRST RANK IN THE "SEVERAL REQUISITES"

of such Instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so thus it will be easy for many makers to advertise that they have received "first medals."

The differences in competing articles, and their comparative excellence, are recognised in the Reports of the Judges from which the following is an extract:—

"*THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal distribution of tone, scope of expression, resonance and singing quality, freedom and quickness in action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action.*"

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the Only ones assigned this rank. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA, 1873; SANTIAGO, 1875

PHILADELPHIA, 1876;

and have thus been awarded highest honors at

Every World's Exposition!

at which they have been exhibited; being the Only American Organs which have ever obtained Any Award at any competition with best European makers, or in any European World's Exposition!

NEW STYLES, with improvements, exhibited at the CENTENNIAL, elegant new cases in great variety. Prices very lowest consistent with best material and workmanship. Organs sold for cash on installments, or rented until rent pays. *Every Organ warranted to give entire satisfaction to every reasonable purchaser* or THE MONEY REFUNDED. ☞ ILLUSTRATED CATALOGUES sent free.
