WOMAN'S TRIUMPH.

A Severe Surgical Operation. It is Endured without taking Ether. Return of the Disease prevented.

From the Correspondence of the Kingston, N. Y. *Freeman.*

The case of Mrs. Edward Meyers, of Rondout, New York, furnishes an apt illustration of woman's power of endurance. This lady had been treated for months in the usual way for Erysipelas of the hand, without benefit. Not until her hand had become a mass of putrid flesh did she turn to Dr. David Kennedy, proprietor of the "Favorite Remedy," which is made at Rondout, N. Y.

He informed her that it was impossible to save the hand—it must be amputated. She received the terrible intelligence quietly, declined to take ether, stipulating merely to hold her husband's hand during the operation, and underwent the painful process without moving a muscle or uttering a groan. Dr. Kennedy then gave "Favorite Remedy" freely to cleanse the blood and prevent a return of the disease, and Mrs. Meyers now lives and rejoices in her great deliverance.

Dr. Kennedy's "Favorite Remedy" is fast becoming a trusted household friend in all cases of Female Weakness and diseases of the blood, Kidney and Liver complaints, and Constipation of the Bowels.

Dr. Prentice,

Recently from London, Eng.,

Whose unequaled success in the treatment of

EYE, EAR AND CATARRH

Astonishes Everyone,

Has been induced to again postpone his departure until

Sept. 1st.

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hocking, Salt Lake City.
Florence Peppers, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cantrell, Providence, Cache County.

Catherine Bivens, eye turned outward.

P. Pugsley's grandson, totally deaf in one ear, restored to hearing, and many others.

PILES.

Piles are almost instantly and painlessly cured by Dr. Prentice, and the cause forever removed.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

SEPT. 1st.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent daughter, nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

JUDGE CARLTON'S LETTER.

SALT LAKE CITY, August 1, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, so novel and beautiful as "Eden's rosy bowers," appeared to our first parents.

Yours truly,
A. B. CARLTON,
Chairman Utah Commission.

WHY?

Why live when life is sad?
Death only sweet?
Why fight, when closest ight
Brings but defeat?
Why pray, when in best prayer
Dark thoughts assail?
Why strive, and strive again
Only to fail?

Live! there are many around
Who need thy care.
Pray! there is one at hand
Helping thy prayer.
Fight! for the love of God,
Not for renown.
Strive! only in his strength,
Not in thy own.

Why hope, when life has proved
Our best hopes vain?
Why love, when love is fraught
With so much pain?
Why not cool brain and heart
In the deep wave?
Why not lie down and rest
In the still grave?

Hope! there is heaven's joy
Laid up for thee.
Love! for true love outlives
It's agony.
Fight! pray and wrestle on,
Loving God best.
Then, when thy work is done,
Lie down and rest.

MEAN MEN MEET.

THEY TELL WHAT HAS BEEN DONE THE LAST YEAR.

At the annual gathering of the Mean Men of the country a few days ago, the palm of the order, which is voted to the member who can prove himself guilty of the most despicable act, was awarded to Mr. Smallfellow. The meeting was an interesting one, and the attendance was larger than ever before in the history of the society.

After a banquet, the regular business was taken up. The competition for the palm was very close, and some fair samples of meanness were reported. During the year all the members had found opportunity to make an effort to secure the prize, and, as is the custom, each gentleman wrote out a statement of the affair and handed it to the secretary.

Some of the members had made out as many as ten reports, and much discussion was caused by a motion to consider five or more ordinarily mean acts on the same basis as one of a very despicable nature. Three gentlemen seconded the motion, but when the ayes and noes were called for, was voted down.

The reports were read by the secretary and showed the members to have been very assiduous in their efforts to secure the palm. They were of a rather entertaining character and elicited much applause. It took over two hours to read them all, and during that time the members were convulsed with merriment at the manner in which some of the fellows had sought to maintain their standing in the society. The papers were too numerous to be published in full. Only extracts from those which received honorable mention can be given.

Mr. Hogg reported having changed the placard on a paralytic's hand organ. The unfortunate mendicant showed a printed notice which read:

Paralized by a
Blast in the mines.

Mr. Hogg's store was in close proximity to the hand organ, and by the use of a pair of scissors and some glue he made the placard to read:

Paralyzed by a
Blast in the newspapers.

[Report received with cheers.]

Mr. Rost's paper was to the effect that the writer had taken the tomahawk from the hand of an Indian used for a cigar store sign. This report was hissed by some of the members, but the committee on awards declared it worthy of honorable mention.

Mr. Wigg's report showed that that gentleman had tried to pass a counterfeit quarter on a blind man. The latter arose, so the paper read, and, smiting the earth with the writer, stated that he had been watching the "endeavors of a man who was mean enough to steal a blind man's cigar." Mr. Wigg showed a black eye he had received in the fray with the fellow.

Mr. Stump stated that he had discovered a means of beating the defenseless weighing machines that stand in hotels, railway stations and other public places. He said it was his custom to weigh himself every twenty-five nights, and he was $35.50 ahead of the game. [Loud applause.]

Mr. Tobes' report was to the effect that he had bought a dozen red wigs, and hired a number of young women to wear them on the street, thus causing the already overworked and sad-eyed white horse much unnecessary running. [Cheers.]

The secretary read in a very droll way the paper handed in by Mr. Fickes. This member received the palm last year, and it was thought he would get it again, when it would pass into his possession entirely, it being the rule of the society to present the prize to any gentleman winning it twice in succession. The paper, however, was a dis appointment. Mr. Fickes gave a poor woman a pass to a lecture in the historical society series when she asked for bread.

Considerable enthusiasm was awakened when Mr. Whinstone's report was given out. He had been secretary for a year, and was considered one of the most prominent and meanest men in the society. He reported that he had remained at his club one night but sent a couple of parquet circle tickets to his wife and mother-in-law. When the ladies arrived at the theatre they found that the tickets had been issued for the night previous. [Storm of applause.] A second report by Mr. Whinstone was to the effect that he had sent a large bouquet of La France roses to the same ladies by messenger boy, confidently expecting that they would wilt and wither before the youth reached the house. [Cheers were raised when the secretary read that the gentleman's fondest hopes had been realized.]

Many of the members were in favor of declaring the writer of the last report the meanest man in the society, and loud calls were made for him to make a speech. Mr. Whinstone would have given further evidence of his fitness for the honored place had not the president ordered the secretary to continue reading the reports.

This ruling was received with favor and the members became good tempered again as they listened to the papers. When Mr. Smallfellow's was reached the gentlemen became wild with enthusiasm. The report of this member that the writer had been invited to attend a friend in his last sickness, and when alone by the dying man had drunk his negus. [Great applause.] In the morning the friend died, and Mr. Smallfellow removed from his back a porous plaster that had been put there the night before and which was not much the worse for wear.

As the members greeted this last statement the scene was an inspiring one. Hats, handkerchiefs and canes were waved, and cheer on cheer fractured the air. After the enthusiasm had tired itself, the palm was unanimously awarded to Mr. Smallfellow. The members then adjourned to meet one year from date. It is more than likely the general public will make the acquaintance of some of the gentlemen. —*San Francisco Chronicle.*

"Stopped His Paper."

Old Steve Bridgeman, who has several times been alluded to in these columns as the meanest white man in Arizona, has stopped his paper because we did not have a column editorial on the Fourth of July. He says we are no patriot, and that a man who can't whoop 'er up for Independence Day is a cussed rebel.

We have scratched his name off the list, and if he doesn't quit lying about us we'll scratch his carcass off the face of the earth.

As to the Fourth of July, we were born on that day. As to patriotism, we've got more in our heels than Old Steve could hold in his whole body. The man who intimates that we don't take our hat off every time we hear the name of George Washington is a liar and a horse thief. Our editorial on the Fourth was a solid chunk of patriotism weighing twenty-five pounds, but was crowded out to make room for advertisements. We know our gait and we think we know the great need of most of our towns-people. As to old Steve Bridgeman, we are expecting two or three of his six or seven wives to drop in on us any day and furnish us some powerful good reading matter. Don't be uneasy, Stephen—we'll get to you in a few days.

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, **Ayer's Hair Vigor** will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmitton, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

COLUMBIA, S. C., July 7, 1888.—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took over a dozen bottles of your S. S. S., and now I am as well as I ever was in my life. I am sure your medicine cured me, and I would recommend it to any one suffering from any blood disease. Yours truly,

WACO, TEXAS, May 9, 1888.—Gentlemen: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and she commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a hearty fine-looking woman. A FRIGHTFUL SKIN DISEASE.

Sufferings Intense. Head nearly raw. Body covered with Sores. Cured by the Cuticura Remedies.

Messrs. Stevens & Bruner, Monroe, N. C.

Dear Sirs,—About two months ago, on your recommendation, I bought a bottle of Cuticura Resolvent, one box Cuticura Salve, and one cake of Cuticura Soap, for my son, aged thirteen years, who has been afflicted with eczema for a long time, and I am pleased to say that I believe the remedies have cured him. His sufferings were intense, his head being nearly raw, his ears being gone except the gristle, and his body was covered with sores. His condition was frightful to behold. The sores have now all disappeared, his skin is healthy, eyes bright, cheerful in disposition, and is working every day. My neighbors are witnesses to this remarkable cure, and the doubting ones are requested to call or write me, or any of my neighbors.

We have written and herewith inclose what his father has to say about the matter,—wrote it just as he dictated.

We are selling quite a quantity of Cuticura Remedies and hear nothing but praises for them. We regard the Cuticura Remedies the best in the market, and shall do all we can to promote their sale.

MARRIAGE LICENSES.

TO MEET THE REQUIREMENTS OF the lately-enacted Territorial law, providing for a marriage license being issued by the Clerk of the Probate Court of the county in which the intended bride resides before a marriage can be legally performed, there has been issued from the press at this office a supply of licenses of approved form, which Probate Clerks will do well to avail themselves of. The law also requires that the person performing the ceremony return with the license, within thirty days after the marriage, a certificate over his own signature and countersigned by two or more witnesses present at the ceremony stating the date and place of the marriage. These certificates, suitable for either a civil officer or an Elder of the Church to use, can be had at this office in any quantity, and Probate Clerks ought to keep some of them on hand also, so that if necessary they could supply the person applying for a marriage license with a certificate also, to provide against the possibility of the person who is to officiate in performing the ceremony not having one to furnish them with.

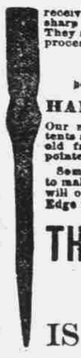
Every Putnam Nail

Is drawn down to a point from the rod, thus:



receiving over sixty quick, successive sharp blows, at a welding heat. They are then scalded by the water process,

NO ACIDS

being used, and afterwards

HAMMER POINTED.

Our nails, therefore, are to all intents and purposes the same as the old fashioned hand and hammer pointed.

Some other manufacturers claim to make a Hot Forged Nail, but you will observe on all such a Sheared Edge near the point.

THE PUTNAM NAIL IS THE ONLY

Hot Forged and Hammer Pointed

HORSE SHOE NAIL

Made by Machinery in the World.

We address these lines to HORSE OWNERS, because they are the parties most vitally interested. We feel assured that after knowing the facts, and giving the subject due consideration, they will INSIST that their horses be shod with the Hot Forged and Hammer Pointed Nail. A few months' trial will always convince.
