THIS morning two little fellows, one aged ten years, the other three and a half, passed through here from San Beneday afternoon and searched a num-ber of houses where they supposed Francisco, on their way to New York. Their names are Emralbruck, and they are traveling alone. Both were contentedly munching doughnuts on the U. P. emigrant car shortly before the more houses, but made no arrests. Mr. Richardson, of Richmond and train started.-Ogden Heraid, March of the firm of Richardson Bros. Snake A LITTLE episode connected (with and purchase of the water elevating

the performance by Clara Morris at the attracting so much attention in Logan Matinee on Saturday afternoon, was of late. The machine is to be put in almost entirely unnoticed by the audience. She fainted dead away at the end of the third act, and the physician who always attends her had just gone away; she was brought around in wan named George Olson, of Millaway; she was brought around in time to finish the piece and conclude her engagement here in a respectable manner. It is a respectable officers, as they supposed he had been warning polygamists. He was brought to Logan and taken before Commis-

poned until the first Saturday in May at 2 o'clock p. m

Appointment.-A telegram received | Logan to the commissioner's court, late this afternoon announces that the where he pleaded guilty to the charge. Iate this afternoon announces that the President has appointed Wm. C. Hall, of this city, Secretary of Utah Territory. The gentleman is well qualified to fill the office, and the people generally will be satisfied with the selection made.
A Successful Raid -A special dist

A Successful Raid.-A special dispatch from Beaver says that six deputy marshals made a raid on Paragoonah Sunday, and after much searching, assisted by one John Nowers, who is well posted, arrested Bishop William Jones, who waived examination before Commissioner Smith and was put under \$1,500 bonds; also the witnesses were put under bonds to appear before the grand jury at the May term.

R. R. Rates and Passes .- The local railroads have decided to conform to the action of the through lines ing in the State of Michigan. He under the inter-state commerce bill. After April 4th all passes and special rates will be withdrawn and a uniform passenger tariff will be enforced. It there is a good field for missionary is anticipated that there will be a re- labor in North Michigan. There are at duction in passenger rates of 20 to 25 present no Elders in that section, but per cent., though no conclusion has quite a number of people bave been yet been arrived at in this regard.

Released .- To-day Brothers Joseph 1wo. H. Dean, of this city, and Andrew Hansen, of Mill Creek, were released from the penitentiary, where they have served a six months' term on conwictions for unlawful cohabitation. They had an examination before Commissioner McKay, and took the oath required for their discharge.

Wm. Mnir Arrested .- Ou Saturday afternoon, Wm. Muir, of Bountiful, came to this city on husiness and was arrested on the charge of unlawful cobabitation. He was taken be-

Horses Killed.-Last evening's Union Pacific passenger train had a narrow escape from serious accident a short distance above Ogden. The train had latt Morte 25. From the Northwestern States .-We had a call this morning from Elder F. P. Petersen, of Koosharene, Piute County, who returned from a mission to the Northwestern States last evening. On May 5th, 1885, he left Utah, and was assigned to labor in the Minnesota Conference. He traveled in Dakota and Minnesota, preaching the Gospel, and meeting with fair success. The last six months of his time was spent in the IndianaConference, travelperformed this duty alone, being the only Elder in the State. He was well treated by the people, and says

investigating the truth. Elder Petersen will leave for his home in a day or

such preclict will hear objections of the right to vote of any person regis-tered, until sunset on the fifth day preceding the day of election. Said objection shall be made by a qual-ified voter, in writing, and delivered to said Deputy Registration Officer, A Woman Shoots at an Officer.-Yesterday afternoon officer M. F. Brown went to the residence of a Mr. Broschinski, near and U. P. track to serve some papers in a civil case in the Justice's Court. He was also to levy upon a couple of mares. His application was refused and he returned for assistance. On reaching the place a second time Mr. had left instructions with his wife not had left instructions with his wife not the break the bre Broschinski, near Taylor's mill on the tion is to be heard. In our opinion the objections should specify the grounds thereof, and should be made the woman while the levying process fore Commissioner McKay and pleaded guilty. His bonds were fixed at \$1,500. Two of his wives were subponded to appear this morning as witnesses, but on arriving at the Commissioner's found they would not be needed until the grand jury met. Horses Killed.-Last evening's Union Pacific passenger train had a

passing of the share through the ground wears off the underside of the cutting Deputy Registration Officer for .....

4. The County Registration Officers cut No. C, with bevel downward, and and their Deputies will receive com-pensation as follows: For County the share virtually resharpened. The reversing process can be carried on till the metal in the share is worn back to where it is too ihick to cut, and always have a sharp edge. The hollow wing

Registration officers, four dollars per day; for each Deputy Registration Of-ficer, three dollars per day; the com-pensation to be paid for the time dur-ing which said officers have been necessarily employed in the discharge of their during have a sharp edge. The hollow wing and the two points will cer-tainly plow as long as two ordinary shares, without taking into consideration the peculiar fact that while one point is in front plowing, the other is the heel of the share, being worn to a sharp edge, so that when the f their duties. of their duties. 5. The law requires each County Registration Officer, in person or by deputy, during the week commencing the first Monday in June, at his office, to enter on his Registry List, the name of any voter that may have been omfi-ted, on such voter appearing and tak-ing the oath aforesaid. worn to a sharp edge, so that when the front nose has rounded off, the share can be reversed and the blunt end put on the heel of the wing, and the point that was on the heel, brought to the front, sharp. When the share has been reversed a number of times and in ing the oath aforesaid. reversed a number of times, and in consequence of the metal being worn 6. Upon the completion of the lists, each Registration Officer should pre-pare triplicate lists in alphabetical oreach degistration Officer should pre-pare triplicate lists in alphabetical or-der, for each precinct, containing the names of all registered voters, one of which lists should be filed in the office of the Clerk of the County Court on or before the first day of July pext; one list to be posted up in each precinct, each precinct, containing the other clerk of the county Court on or before the first day of July pext; one list to be posted up in each opposite page, which is moved down or up at the heel, to adapt the Plow to the suction required, be it on account precinct, at least fifteen days before the day of election, at or near the place of election, and the other list transmitted by him to the Judges of of a partly-worn share, or because the ground is hard and stony. We make deep suck shares, with

Election of the several precincts for use at the poils; and the oaths of regiswe make deep suck shares, with short noses, very strong for unusually hard soil, and can plow in a satisfac-tery manner, the most difficult ground. The construction of the share admits of making it stronger than the old style, and there is no limit to the strength that can be put in it. The olows are set up with a general pur of the election, delivered to the Clerk of the Probate Court of the proper County.

7. The law authorizes voters remov ing from one election precinct to an-other in the same County, to appear before the Registration Officer at any plows are set up with a general-pur-pose share, that combines lightness with strength. The adjustable land-side-shoe takes most of the wear, and can be replaced at a slight cost, sav-ing the expense of an entire new land-side. A very novel feature of this Plow is the time previous to the filing of the lists in the office of the Clerk of the County Court, and have their names erased therefrom, and they may thereupon have their names registered in the pre-cinct to which they may remove. 8. Prior to each election the Regisis the

NEW PATENTED SHIN JOINTER, tration Officer of each County should

cause to be written or printed, a nowhich as shown in the cut, rises from tice which shall designate the office or offices to be filled, and stating that the the ship, standing out at right angles to the course of the Plow and shearing designating the place for holding off itsislice from the angle of the mov-ing furrow, throwing the top of it, with sod or trash and manure that may be on the ground, to the bottom of the polls.) one hour after sunrise, and con-tinue until sunsct on the ...... day previous furrow.

The jointer being so close to the plow, it cuts ground that has already been lifted and partly broken, so that its work is much easier than to break the hard surface in advance of the plow, as in all old styles. It is always in line; the changing of the beam for two or three horses not affecting it. It is adjustable, vertically, to adapt it to \*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* Registration Officer. A copy of which should be posted up at least fifteen days before the day of election, in the three public places in the precinct best calculated to give of the Registration Officer to give no-tice on the lists posted as aforesaid, that the Deputy Registration Officer of such precinct will hear objections of the right to yote of any region s adjustable, vertically, to adapt it to the amount of work required. It is

impossible to choke it, and stones can-not get caught between it and the plow. It dispenses with a rolling confer in mammoth clover, and, in fact, it can be used to advantage in all kinds of plowing. The difficulty of the Blow mould-board not scope in a back of the iteration. board not scouring back of the jointer, as sometimes experienced with other styles, is entirely obviated, The joint-er on the No. 185, attaches to the knee cutter, bringing it exactly to the place where it meets the rising furrow slice at the right angle, and at the right time, to effect a ocautiful job. It is a triumph of inventive ingenuity, and no other plow maker can imitate it, on account of our having the exclusive right to make jointers on this princi-ple. In no case where the jointer has been tried has it given any but the most unqualified satisfaction. The jointer as before stated, fastens on a shin, on the Nos. 103, 104, 110 and 115, which is especially made to re-ceive it, and on No. 135 the jointer fastens to the knee cutter. We furnish regular plain shins for Nos. 103, 104, 110 and 115, to use without jointer, also cutter shins, which run out sharp and perpendicater in front, taking the place of a outter share. The 185 is furnished with plain knee cutters, both steel and cast. as sometimes experienced with other
