THE EVENING NEWS PUBLISHED DAILY, SUNDAYS EXCHPTED, AT OUR O'CLOCK.

GEORGE Q. CANNON, BRIGHAM YOUNG, JUN., EDITORS AND PUBLISHURS.

September 7, 1977.

EDITORIAL NOTES.

Forty Swedish immigrants have Iowa, and taken up several homesteads adjacent.

The States of Minnesota, Iowa, Wisconsin and Kansas will this year turn out 117,000,000 bushels of To foster industry is better than to wheat. In 1875 they raised 93,-000,000; in 1878, 61,000,000 hushels.

According to the London Economist, the price of wheat in Eng- in demand, or where it can itself land is now thirty-three and onethird per cent. higher than was a year ago. If this is correct it ought to stimulate the market all over the United States.

The sting of some spiders is poisonous. A colored woman at Providence, Rhode Island, was bitten on the lip by a spider, three weeks ago. Swelling and severe pain ensued, and she died from the venom ployer was enriched the workman Fix days after, medical treatment was properly sustained, and at the being unavailing.

is The Ellenton, N. C. Times tells in his own practice, and thereby of a big haul made by a fisherman gained the admiration of the of Dare County. He threw his thinking men of the world in every seine, only 280 yards long, into the ocean, and caught 102 sharks. Those sharks must have been small fish, or the Times must be trying to catch big flats.

A young lady in Bellevue, Iowa who was engaged to be married shortly, and was in vigorous health, went into a cool cellar to make butter a few days ago, and was foolish with bare feet. She is now the is he who cures pauperiam by debride of Death. But for this unwise act she might be a living happy wife. Girls, take warning.

A farmer in Canada a short tim since treated his hands to some whiskey, about a pint of which he left in the barn with his son six years old. The boy drank all the liquor remaining, and was found shortly after intoxicated and in-censuble. In twenty-four hours the Isn't that nice stuff for a daily ham City no man, woman or child beverage.

THE Hungarians of New York have been conferring logether upon the best means to provide for the indigent of their nation in that city. ault.

Indeed, he says they The Turkish Bagdad army, 35,000 establish a colony in the West for were boys together. Ross strong is going to Nish. Turkey

which arrangements were made to establish a colony in the West for unemployed Hungarian artisans and laborers. A committee of fif-teen was appointed to carry the plan inte practical operation. This movement shows that the managers are blessed with good f managers are blessed with good recently purchased 6,000 scres of managers are blessed with good as interpreter by Father Pronix, on sweeks ago an Indian known as managers are blessed with good Manitoniin Island, but whother the Sant, lost his rquaw through the old gentleman is dead or not he blandishments of another red man sense and a conception of true political economy. They have hit upon the principle which should gevern measures to provide for the poor. Labor, not alms, is what the honest healthy worker desires. To foster industry is better than to encourage pauperism. And when the labor market is overstocked, wisdom suggests the removal of the overplus to regions where it is in demand, or where it can itself ereate opportunities for profitable exercise. This is "Mormon" polley. It marked the course of our late Presi-dent Brigham Young. He despis-ed a system which made men and

about fifty of the tribe, including Jim and several squaws, escorted her to the hills just back of Washoe Lake, last Saturday evening, where, safe from Caucasian intrusion, they made a huge pile of sagebrush, and, after tying her firmly in the middle of it, set it on fire. Then they commenced a war dance around the

cens of cremation, in which all oined except Jim-Bam being very fierce in his leaps and yells. The screams of Mary added to the zest of the dance. Jim meantime at quietly by, and seemed an indiffer-ent spectator of what was going on. When the body of the unfortunate Mary had been reduced to ashes Sam expressed himself as satisfied, and they all dispersed. The war-riors threaten their squaws with a similar fate if they are not a little more discreet in their conduct.-

correspondent remembers meeting him at a gathering in Somerset Co. THE MAN OF HONOR.-What glorious title that is. Who would He was a brilliant speaker, and so bold in his talk that the timid men not rather have it than anything kings can bestow? It is worth all declined to accompany him. After living in Chestertown some three the gold and silver in the earth. years, he departed suddenly, leav- He who merits it wears a jewel in years, he departed suddenly, leav-ing behind him a host of unpaid his soul, and needs none upon his bosom. His word is good, and if debts, but carrying off all his perthere was no law in the land, he sonal property. He had established there was no law in the land, he a perfumery factory, which failed, might be just as safely dealt with. and the great curse of the large cities of the earth, with much of the suffering and crime which are its consequences, will be swept away.
