

## "AMERICANS" HAVE VERY FEW FRIENDS

This Was Plainly Apparent at the  
Republican Primaries Last  
Evening.

ALL WERE LARGELY ATTENDED.

Tribune's Paradoxical Estimate of the  
Result—Miserable Attempt  
Fails.

"On the whole the Smoot program  
was followed without a discordant  
note."

"Smootites lost their straight Church  
clergy in several districts at last night's  
primaries, and there is a difference of  
opinion as to which have the majority  
of the convention delegates, the cler-  
gical or the Mormon. In some districts  
several young Mormons helped defeat  
clergy put up by prominent church-  
men."

Of course, both are from this morn-  
ing's Salt Lake Tribune and give a  
varied account of the Republican  
primaries last night. As will be seen,  
the first statement is that "on the  
whole the Smoot program was fol-  
lowed without a discordant note,"  
while the other would have us believe  
that in several districts, due, doubtless,  
to "discordant notes," "Smootites lost  
their straight Church clergy" in other  
words, according to the mouthpiece of  
the "Americans," the Smoot program  
was not followed, all of which is truly  
refreshing.

One significant feature of the primar-  
ies was the fact that nearly all were  
largely attended than they have  
ever been. In many of the districts  
upwards of 200 votes were cast during  
the evening, and there was more gen-  
eral enthusiasm than there has been for  
a long while. This, it is argued, aug-  
urs well for the Republicans and the  
fact that the new (insect), which had  
hoped to draw most of its strength from  
that party. If the defec-  
tion proves no greater than it ap-  
peared to be last night, then, it is as-  
serted, Republicans have no great need  
to fear.

The organization of the new party  
has not even feazed the Democrats. In  
fact, they regard it as the best thing  
that could have happened for them,  
at least. From this it will be seen  
that neither party views with alarm the  
miserable concoction above referred to,  
and while it is claimed that the new  
party has many friends, wise ones ask  
themselves the question, "Where are  
they?" and answer it in the only logical  
manner possible, "Nowhere."

### A GENUINE "HOODOO."

History of One of the Leaders of  
The New Party.

What is considered as a sure sign  
among the superstitious that the so-  
called new "American" is doomed to  
defeat, is the fact that one of its lead-  
ing members has been a "ho-do" so  
many times in the past. The follow-  
ing is given as his record:

Fourteen years ago he ran a lodging  
house and went "busted."

After that he ran a cigar store on  
Main street below Second—"busted."

Then he was connected with a cigar  
store on Main below First South—  
"busted."

Cigar store on East Second South—  
"knocked out."

Connected with club rooms in D. F.  
Walker building—"busted."

Had club rooms in cigar store on  
West Second South—"abolished."

Held official position in Salt Lake  
county office—"office abolished."

Was in charge of recent campaign for  
a leading candidate—"candidate de-  
feated."

Again identified with the Republican  
party, result—"present trouble."

Left Republican party and holds po-  
sition with new party—"history repeats  
itself."

The politician who gave the fore-  
going record said he trusted he would  
never come back to the Republican  
party even when the new party goes  
to smash, but commended him to the  
Democratic, Populist, Anarchist or any  
old party, but prayed that he might re-  
main out of the party of "ho-do," Grant,  
McKinley and Roosevelt. He further  
said that no name need be mentioned,  
as everybody would recognize the indi-  
vidual alluded to.

### Politics in Cache County.

Special Correspondence.

Logan, Sept. 19.—The result of the  
Republican primaries Saturday night

throughout the county is pretty well di-  
vided between the two factions of the  
party and indicate a desire on the part  
of all to bury their differences and get  
together and name a good, strong  
county ticket at the convention next  
Saturday.

City Chairman D. R. Roberts re-  
signed in the interest of harmony and  
it is likely J. C. Knowles will be elected  
to succeed him.

Democratic primaries will be held this  
week and it is understood that their  
county convention will be held on Mon-  
day, the 26th.

### GARFIELD REPUBLICANS

Held Convention and Nominated  
A Full County Ticket.

Special Correspondence.

Escalante, Garfield Co., Sept. 18.—The  
Republicans met here today and held  
their county convention and placed the  
following ticket in the field:

For representative, Alfred Luther;  
county commissioner, long term, D. R.  
Haywood; short term, John Ahlstrom;  
county clerk, Geo. B. Hancock; county  
attorney, G. J. Goulding; county sher-  
iff, Thomas Haycock; county recorder,  
Marie Worthen; county assessor, John  
H. Davis; county superintendent of  
schools, Samuel E. Henrie.

Our public schools began here on the  
12th, with the exception of one grade,  
the teacher employed in this depart-  
ment being sick.

### POLITICAL POINTERS.

The Republican delegates from the  
Fourth precinct will hold a caucus to-  
night.

A. J. Weber will expound Democratic  
principles at Richmond, Cache county,  
Saturday night.

Angus McKellar, Jr., has withdrawn  
from the race for county recorder on the  
Republican ticket.

"The Utah Pioneer," brimful of inter-  
esting political talk, made its appear-  
ance again today.

William Grossbeck, a pioneer resi-  
dent of this city, will be a candidate  
before the Republican county conven-  
tion for assessor.

A new candidate for the nomination  
of county surveyor on the Democratic  
ticket has been announced in the per-  
son of A. H. Rock of West Jordan.

Judge D. H. Wenger announces that  
he is still a candidate for county attor-  
ney on the Republican ticket, all re-  
ports to the contrary notwithstanding.

Fred Dryer has the contract for the  
labor on the carpenter work of the roof  
and vaulting of the new Catholic Ca-  
thedral, the bishop furnishing the ma-  
terial.

Secy. Cohen of the Democratic com-  
mittee says he has good reports from  
all over the state and is kept busy in  
answering letters pertaining to political  
matters.

The Polk directory people are at work  
on Ogden and Pueblo. The directory  
for the former will be ready Nov. 1,  
and for the Colorado town the last of  
this month.

Local politicians note that of the well  
known former law firm of Powers,  
Straup and Lippman, each member  
thereof is identified with a different  
political party.

Among the candidates for the lower  
house on the Republican ticket are Wil-  
liam McMillan, Harry Joseph and S. A.  
Kenner, whose friends predict victory  
in the convention.

The delegates elected from the Third  
precinct to the Republican county con-  
vention, will caucus tonight at the  
Seventeenth ward Relief society hall,  
271 West First North street, at 8 o'clock.

Dr. Nunn, the veterinarian, reports  
lively times in looking after horses  
whose owners reside within the smel-  
ter smoke infected district. Copper  
poisoning is the cause of most of the  
trouble.

H. V. Meloy, who was county clerk  
of Salt Lake county in 1898, is being  
actively pushed for the same position  
by leading Democrats. Mr. Meloy is  
now with the B. & O. Transfer company  
in this city.

Democratic primaries for the election  
of delegates to the county convention  
will be held in all the districts of the  
county on Monday night next, Sept. 26.  
The convention will occur the Wednes-  
day following.

Local army officers do not believe  
that Fort Duchesne will be abandoned.  
In response to the recommendation of  
Major Gen. Sumner, it will become an  
important post as soon as the Moffat  
railroad reaches Vernal.

Hon. James H. Moyle, the Democra-  
tic minister or governor, leaves tonight  
for Utah, where he will open his cam-  
paign. Judge Powers, Democratic nom-  
inee for Congress, will go to Washing-  
ton county for the same purpose.

The nominating committee of the  
American party will meet in a few days  
and report the ticket to be voted for at  
the coming election. There will be  
no primaries and much curiosity is  
manifested as to who will be the nomi-  
nees.

One of the most interesting contests  
which will come before the Democratic  
county convention is the race for county  
treasurer, the candidates for which are  
George Felt, of George F. Felt & Co.,  
S. H. Lynch of the Utah Savings and  
Trust company, and L. H. Young of the  
Insurance firm of Young & Young.

A telegram was received in the treas-  
urer's office this morning from County  
Treasurer W. O. Carbin stating that he  
will return home early tomorrow morn-  
ing from San Francisco where he has  
been for several weeks past on account  
of the illness of his wife. Mr. Carbin  
will arrive in plenty of time to look  
after his interests in the Republican  
county convention which meets tomor-  
row.

### 100 Doses For One Dollar

Economy in medicine must be  
measured by two things—cost and  
effect. It cannot be measured by  
either alone. It is greatest in that  
medicine that does the most for  
the money—that radically and per-  
manently cures at the least ex-  
pense. That medicine is

**Hood's Sarsaparilla**

It purifies and enriches the blood,  
cures pimples, eczema and all  
eruptions, tired, languid feelings,  
loss of appetite and general debility.

"I have taken Hood's Sarsaparilla and  
found it reliable and giving perfect satis-  
faction. It takes away that tired feeling, gives  
energy and puts the blood in good condi-  
tion."

Hood's Sarsaparilla promises to  
cure and keeps the promise.

## SECOND TRIAL OF LIBEL SUIT.

That Brought by G. A. Nichols  
Against Daily Reporter Com-  
pany Now On.

SEEKS TO RECOVER \$3,000.

Charged That Reporter Printed Cer-  
tain Libelous Statements Con-  
cerning Him.

The second trial of the libel suit  
brought by G. A. Nichols against the  
Daily Reporter company was com-  
menced before a jury in Judge Stew-  
art's court this morning. Nichols  
brought suit to recover \$3,000 as dam-  
ages to his character alleged to have  
been caused by certain alleged libelous  
statements concerning him printed in  
the Reporter and also printed on cards  
by the company and circulated among  
members of the typographical union at  
the time plaintiff was a candidate for  
the office of delegate from the local  
union to the National Typographical  
union in session at Washington, D. C.

It is alleged that the cards contained  
a statement that Nichols owed the Re-  
porter a certain sum of money and in-  
timidated that he was dishonest. On  
the former trial of the case the jury re-  
turned a verdict for plaintiff for the  
sum of \$1,500. Defendant's motion for  
a new trial was granted by Judge  
Stewart some time ago and testimony  
is now being taken on the second trial.

A second suit to recover possession of  
the store room at 35 south East Tem-

ing, on Aug. 15, 1904, at a monthly ren-  
tal of \$125, and was to have taken pos-
