## MINING SHARES HELD STRONGER.

Some Outside Orders Strengthened  
The Market Considerably.

## DAILY WEST ON THE DECLINE

Statement That Salt With Quinoy  
(Cannot be Staved Off Has Bearish  
Effect—Other Movements.

Trading on the mining exchange this morning was heavier than usual and was of an encouraging nature due to the fact that a considerable volume of outside orders to buy was in evidence. However, prices generally were not up and some noticeable declines were recorded. Daily-West, May Day and Martha Washington suffering most. Notwithstanding the lower prices in some cases there was considerable support given to many of the stocks. The tendency of the market is still towards lower prices and will be so until the volume of outside orders is large enough to give it support.

This morning the business recorded involved \$2,575 shares and \$2,954.50. Ajax was heavily dealt in and closed at 21.50, a share higher than the opening figures. Consolidated Mercantile was firm around \$1.80 and Daily-West sold down from \$2.00 to \$1.60, 435 shares changing hands. May Day around 49, was largely traded in and Yankees advanced from \$2.25 to \$2.35 on transactions involving 1,500 shares. Uncle Sam was stronger, the news of a promising strike favorably affecting it. Martha Washington was weaker, declining over 2 cents a share and Century was traded in at 12.
