### Broken Leg.

Joseph Nattrass, aged about 9 years, son of John T. Nattrass, of the Seventeenth Ward, met with a painful accident about seven o'clock last evening, by walch his right leg, just above the ankle was broken. It seems that he caught hold of the rear endgate of a wagon loaded with sand, which was passing near the Valley House, for 'a ride, and in attempting to get down his leg caught in the spokes of the hind wheel and was twisted and broken as stated. Dr. II. J. Richards set the bones and the little fellow who never whimpered during the painful operation, is doing as well as could be expected under the circumstances.

The remaining member of the band was Charles L. Nixon, who had cash \$4.55: checks on various banks \$330. All three were booked for drunkenness, Higley having the additional offense of profanity to answer for, and their \$467.65 was taken care of by the Marshal till the cases were disposed

Mrs. Charles was lodged in jail last night for "getting drunk and making herself a general nuisance." Rasmus Larsen was also taken in drunkenness, profanity and trespass.
