IN MINING CIRCLES.

Dignowity Manning His Many Mining Proporties.

PAYTON'S SUCCESS IN THE RASE.

he Stock Exchange and What the peakers Did-Mercur's Enlarg d hill-Elented Their Officers.

A Nawa reparter stapped into the cilies of C. L. D. Goowity total variety and won't be distingt to the cilies of C. L. D. Goowity total variety and won't be faring no cutfits to each out to fix a start of the factor. One party is preparing to go out to Dugway, in Dress Creek, where Mr. Digwowly has some very promisting claims, from which lead ore will be immediately allipsed at the rate of about three cares mouth. Another outstoften men has lust one out to Bluganian to commence work on the O-d Reliable and Dexter claims in their camp. The work there will cansist of the driving of a tunnel as alleance of 200 feet, longelner with the stantage of stantage of the driving of a tunnel as alleance of the control of the driving of a tunnel as alleance of 200 feet, longelner with the stantage of a stant. Claims in Little Cottonwood will also treates attention in a level ways and in all probability we have they drive they support in Little Cottonwood Mr. Digmowity says that the slighteen man put to work three several weeks and leadour, are quite good, although no essenting development have been made pret.

Mr. Gill R. Peyton who went East.

indications, are quite good, amongs in materials developments have been made yet.

He person who was these made yet.

He person who was these made yet.

He person who was the set in the interest of the Chierties Point company, sends word by letter that his visit thus far has been highly successful; in fact so much re not warrant the early emotion of the mill to consensation of the consensation of the mill to consensation the second was the second by the second was the second with the arresting and he thicks that is soon as to reject the following the second was the second with the arresting accessful of the control of the arresting accessful operation.

Things from the mine are to the select that immures one budgles have been opened up during the last law weeks and this of source will should as weeks and this of source will should us weeks and this of source will should us weeks and this of source will should us the mill.

Mr. Demovity is a husy man just the second was the second will be set in the second will be set in the mill.
