Ayer's Cathartic Pills,

For all the purposes of a Laxative
Medicine.

Perhaps no one medi-
cine is so universally re-
quired by everybody as
a cathartic, nor was ever
any before so univers-
ally adopted into use, in
every country and among
all classes, as this mild
but efficient purgative
Pill. The obvious rea-
son is, that it is a more re-
liable and far more effec-
tual remedy than any
other. Those who have
tried it, know that it cured them; those who have
not, know that it cures their neighbors and friends,
and all know that what it does once it does always
— that it never fails through any fault or neglect of
its composition. We have thousands upon thou-
sands of certificates of their remarkable cures of the
following complaints, but such cures are known in
every neighborhood, and we need not publish them.
Adapted to all ages and conditions in all climates;
containing neither calomel or any deleterious drug,
they may be taken with safety by anybody. Their
sugar coating preserves them ever fresh and makes
them pleasant to take, while being purely vegetable
no harm can arise from their use in any quantity.

They operate by their powerful influence on the
internal viscera to purify the blood and stimulate it
into healthy action—remove the obstructions of the
stomach, bowels, liver, and other organs of the
body, restoring their irregular action to health, and
by correcting, wherever they exist, such derange-
ments as are the first origin of disease.

Minute directions are given in the wrapper on
the box, for the following complaints, which these
Pills rapidly cure:—

For **Dyspepsia or Indigestion, Listless-
ness, Languor and Loss of Appetite,** they
should be taken moderately to stimulate the stom-
ach and restore its healthy tone and action.

For **Liver Complaint** and its various symp-
toms, **Bilious Headache, Sick Headache,
Jaundice or Green Sickness, Bilious
Colic and Bilious Fevers,** they should be
judiciously taken for each case, to correct the diseased
action or remove the obstructions which cause it.

For **Dysentery or Diarrhoea,** but one mild
dose is generally required.

For **Rheumatism, Gout, Gravel, Palpi-
tation of the Heart, Pain in the Side,
Back and Loins,** they should be continuously
taken, as required, to change the diseased action of
the system. With such change those complaints
disappear.

For **Dropsy and Dropsical Swellings** they
should be taken in large and frequent doses to pro-
duce the effect of a drastic purge.

For **Suppression** a large dose should be taken
as it produces the desired effect by sympathy.

As a **Dinner Pill,** take one or two **Pills** to pro-
mote digestion and relieve the stomach.

An occasional dose stimulates the stomach and
bowels into healthy action, restores the appetite,
and invigorates the system. Hence it is often ad-
vantageous where no serious derangement exists.
One who feels tolerably well, often finds that a dose
of these **Pills** makes him feel decidedly better, from
their cleansing and renovating effect on the diges-
tive apparatus.
