

factures. What has made us great as a nation is protection.

If we take the tariff off wool it will drop in price from fifteen cents, as it is now, to five or six cents. So it is with lead. All our mines would have to close. The great majority of the people of Utah are protectionists whether they are Democrats or Republicans. I believe the Republican party is the one that will make Utah a great State. We invite you to our party, but if you cannot join us be Democrats. But whichever party you join I know you will be true and loyal to the Union of this great country.

The proceedings shortly afterwards terminated.

Dear Sir—The Supreme court of this Territory having decided that we, the undersigned, were not legally elected to fill the seats in the City Council, which we have heretofore held, from the Fourth precinct, we shall not hereafter appear to occupy these seats. In withdrawing we wish to thank you and our co-workers in the City Council for every courtesy and kindness that was extended to us.

LOUIS COHN,

W. P. NOBLE,

L. E. HALL.

The resignations were accepted and the following letter was next read:

SALT LAKE CITY, June 16, 1891.

Hon. George M. Scott:

As the Supreme court of the Territory of Utah in the case of the People vs. Louis Cohn, L. E. Hall and W. P. Noble, has decided that they were not elected as members of the present City Council, and while there was no action in my case, I consider the decision applicable and therefore tender my resignation, to take effect at once, and in doing so, wish to thank the mayor and members of the Council individually and collectively for the many courtesies extended me as co-workers together.

Respectfully and truly,

T. W. ARMSTRONG.

Accepted.

Mayor Scott—The contestants in these cases have filed their bonds and presented their certificates of election and are therefore entitled to the seats vacated by the outgoing parties.

Councilman Pickard—I move that they be allowed to take their seats.

Councilman Spafford—I second the motion.

On motion of Councilman James the matter went over until the next regular meeting of the Council.
