

## FORECASTS OF TUESDAY'S ELECTION

Secy. Loudenslager of National Republican Congressional Committee Sure of Gains in House.

### WOODRUFF VERY SANGUINE.

Predicts Taft's Plurality in New York State Will be Over Hundred Twenty-Five Thousand.

New York, Oct. 29.—Representative Henry C. Loudenslager, of New Jersey, secretary of the national Republican congressional committee, who has been in charge of the New York headquarters of the committee during the campaign, today gave out his estimate of the complexion of the national house of representatives in the Sixty-first Congress.

"From the several thousand letters received," said Mr. Loudenslager, "and from personal interviews with politicians and other observers from all sections of the country, I am convinced that a conservative estimate of the political complexion of the new house is that it will show 227 Republicans and 164 Democrats."

"I am confident that the election results will give an increased number of Republicans rather than a decrease," Chairman Hitchcock, of the Republican national committee, said late today when he would probably give out his forecast of the electoral vote tomorrow afternoon. He said that the statement would include the doubtful as well as the certain states for both parties. Mr. Hitchcock is still of the opinion that

Nevada will be probably close, but he is still confident of Montana. Information from leaders in Kentucky and Tennessee is to the effect that the Republican candidate has more than a fighting chance there. While he feels sure about Maryland, he thinks the fight will be close. Mr. Hitchcock said that Mr. Taft was feeling unusually happy last night over the result of the meetings which he had addressed here yesterday, and particularly the great one in Madison Square Garden.

The following forecasts were made at Republican national headquarters today:

**Senator Lodge of Massachusetts:** "New England will give its entire electoral vote for Taft. Massachusetts will give about the same plurality that it gave to McKinley, 62,000. I have been up state in New York, and am confident that not only Judge Taft, but Gov. Hughes, will receive large majorities in this state."

**Secy. Strauss of the department of commerce and labor:** "Judge Taft will carry the state of New York by a majority ranging between that received by Roosevelt in 1904 and McKinley in 1900. Gov. Hughes will receive a larger plurality than has been supposed."

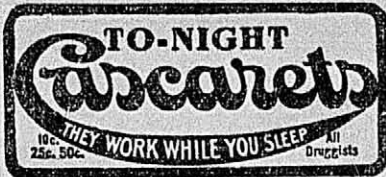

**Former Gov. Murphy of New Jersey:** "It is a question of majority only for Taft and Sherman in New Jersey." Congressman Hawley of Oregon: "Taft will carry every state west of the Mississippi, with the possible exception of Missouri, Oklahoma, Texas and Arkansas. Taft will carry Nebraska from 6,000 to 10,000."

**Chairman Woodruff of the Republican state committee:** "From the canvass made up state, I predict that Taft's plurality will be over 125,000, and Hughes' will not fall below 75,000. I do not hesitate to say he will poll a bigger vote in Greater New York than his most sanguine friends think."

### BRITISH WORKMEN.

John Burns Brings Down Wrath on His Head by Telling Some Truths.

London, Oct. 29.—John Burns, the labor leader and president of the local government board, drew upon his head the anathemas of the laborites in the house of commons this afternoon when he intimated that the main disadvantages under which the British employed labored as to the unemployed in Amer-

ica was that the Britons drank more than their transatlantic confederates.

Mr. Burns repudiated the suggestion that the difference lay in the fact that the American unemployed had money in their pockets. "I have been in America three times," he said, "and the only difference I saw between the unemployed in America and those of this country was that the former, for a short time after losing work, were better dressed. Many of them don't drink so much as do British unemployed workmen, but the workmen of this country have an advantage in the number of days they are idle."

Loud cries of "It is untrue; it is a shameful comparison," greeted Mr. Burns' statement.

### GOV. PATTERSON RELEASES NIGHT RIDER SUSPECTS

Camp Reno, Sanburg, Tenn., Oct. 29.—There are now more than 50 prisoners in camp here and it is practically certain that the most important night riders are under guard.

Last night Capt. Zopf of Nashville, with a small squad of men, arrested Bob Huffman. He is believed to be a prisoner of importance.

Gov. Patterson remains in camp but refuses to talk for publication. Thirty-five prisoners confined in the guard house were set free by Gov. Patterson today.

This leaves over 50 prisoners in the guard house but some of these may be released soon. It is here that the six leaders, whose names have been forwarded, will be sent to Nashville at once.

## BRYAN'S LAST TALK IN EMPIRE STATE

Well Pleased With Results of His Campaign There and Now Speeding Westward.

### MR. TAFT AND PANIC OF 1907

Expressed Wonder That He Had Not Been Able to Stave It Off, Having Been in the Cabinet.

Syracuse, N. Y., Oct. 29.—Having delivered in this city tonight his last speech of the campaign in the Empire state, William J. Bryan is now speeding westward and in the morning will make another invasion of Ohio. A feature in connection with Mr. Bryan's arrival here was his initiation, in his private car, to the Order of the Mystique Krewes of Kanooona, a Syracuse boosters' club. According to the rules, he was given the initiation of the "Big Talk," the purpose of the "Platte," which, interpreted means "The Boy Orator of the Platte." Before boarding his car tonight the candidate expressed himself as well pleased with his reception here, as well as with the other welcomes received during his five days' tour of the state. The Bryan special arrived here early this evening and found a big crowd on hand to welcome the candidate. In response to the demand of many present, Mr. Bryan stopped on the station platform long enough to shake hands with several hundred persons who crowded about him. He was then hurried away for the two addresses scheduled for the evening. The principal gathering was at the Wieting Opera House, where Judge Alton B. Parker also spoke. Judge Parker lauded Mr. Bryan in a speech which contained also much of criticism for Mr. Taft and Gov. Hughes.

"It gives me pleasure," he said, "to come here tonight, especially because I am permitted to advocate for a little time the cause of one who has ideals, lofty character and exalted patriotism—the Democratic standard-bearer for the presidency."

The great crowd cheered itself hoarse when he concluded this tribute to Mr. Bryan.

Judge Parker arrived at the opera house ahead of Mr. Bryan, whose first engagement was at the city hall, where he spoke to an immense throng. Both there and at the opera house he received a rousing welcome.

**THREATS OF PANIC.** In his principal remarks Mr. Bryan called attention to the fact that the campaign was now drawing to a close and that the Republicans were resorting to threats of a panic in case he should be elected. He referred to the presence in the city of Mr. Taft and expressed wonder that Mr. Taft had not been able to stave off the panic of 1907, when he was in Mr. Roosevelt's cabinet.

Mr. Bryan caused a storm of applause when, in discussing the guaranty of bank deposits as advocated in the Denver platform, he quoted in refutation of Mr. Taft's statement that the guaranty of deposits would weaken the national banking system, an excerpt from a United States consular report, as follows:

"The well-known thrift of the German people is its foundation on facts. The savings bank of Germany have some 10,000,000 passbooks out, and their amount of deposits is \$3,213,000,000. These deposits are practically all guaranteed by the various municipalities of the empire, and the condition forms a bulwark of confidence in the security of private wealth and it cannot be shaken by hard times, panics, bank failures, etc."

"Here is a fact," said Mr. Bryan, "which I present in answer to Mr. Taft's opinion. The German people cannot be accused of carelessness in their banking business any more than they can in other business. Here is testimony to be found in a consular report printed by the present administration, completely answering the arguments that Mr. Taft has been making against the guarantying of deposits."

The only question, he said, was whether the deposit should be guaranteed by the banks or by the community. "We believe," he declared, "that the banks have advantage enough from the law to justify them in furnishing the security themselves."

The other issues of the campaign were taken up in turn by the Democratic candidate.

A feature of the meeting was the fact that it was presided over by Thomas W. Maccham, president of the Syracuse chamber of commerce.

Throughout the day the Democratic candidate's themes principally were "Honesty in Government" and "Republican Claims for Prosperity." He spoke at Cohoes, Utica, Rome, Oneida and Canastota.

### FOR CHRONIC DIARRHOEA.

"While in the army in 1881 I was taken with chronic diarrhoea," said George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief. Until I saw a notice of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by all druggists.

### PREIDENT ELIOT ON WINE DRINKING

Boston, Oct. 29.—After declaring that he had been a moderate user of alcoholic beverages in the form of wine and beer during most of his life, President Charles W. Eliot of Harvard university in a notable address today before the Massachusetts No-License league, of which he is the honorary president, said that his earlier ideas had undergone a radical change.

"I have been all my life what is sometimes called a moderate drinker," declared President Eliot. "That is to say, I have used beer and wine on occasions, not habitually, and I have never experienced any ill effects from either beer or wine and I recognize the truth of the Bible saying about wine, 'That it maketh glad the heart of man.' That is true. Whether it be expedient or not that the heart of man should be made glad in that way should be doubted."

Continuing, President Eliot declared that recent researches in physiology and medicine tended strongly to show that even the moderate drinking of alcohol was inexpedient.

## To The People of Utah.

During the past two weeks the Inter-Mountain Republican, Republican speakers and Republican Campaign Managers have been and are willfully and deliberately misrepresenting the Democratic party and its candidates and those charged with the conduct of the Democratic campaign.

The Inter-Mountain Republican during this time has repeatedly charged that a deal has been consummated by the Democratic party through its chairman, Samuel A. King, with the American party, by which the Democrats were to vote the American County, Judicial and legislative ticket in Salt Lake County, in exchange for votes for the State and National Democratic ticket. It has charged that the leaders of the Democratic party were bartering the votes of the Democrats within the state of Utah and were in league with the American party for the purpose of perpetuating trouble and contention within the State of Utah and for the purpose of making it possible to prosecute certain leaders of the dominant Church and to drive them from the state.

On behalf of the members of the Democratic State Central Committee, the members of the Democratic Executive Committee and of the Democratic Advisory Committee, we hereby denounce the statements as being wilful, malicious and deliberate falsehoods originated, circulated and proclaimed for the express purpose of alarming the members of the dominant Church and inducing them to support the Republican ticket. We charge that the Inter-Mountain Republican, the managers and leaders of the Republican party, are responsible for these outrageous and malicious falsehoods; that they are being circulated and proclaimed by them, and each of them well knowing that the charges are absolutely untrue.

We charge that the Inter-Mountain Republican, the Republican managers and leaders are not only responsible for these falsehoods, but are also responsible for their circulation, and by such acts they become the enemies of the people of this state. Defeat awaits them in this election and their methods have become desperate. Though trouble and turmoil must result from their methods in the state of Utah, yet they think more of a few petty offices than they do of the welfare of this state and nation. We declare to the people of Utah that in this campaign, as in all campaigns the Democratic party stands for Democratic principles and the representatives of its party, and has no other object or purpose in view than the triumph of its principles and the election of its candidates.

The Democratic party, its managers or leaders, have never at any time or upon any occasion intimated, suggested or contemplated any agreement or combination with the American party, or any other party.

The Democratic party of Utah, its managers or leaders are not now and never have been a party to any scheme, combination or deal with any other party whatsoever and in this campaign, it demands justice at the hands of the people of Utah and asks the voters to rebuke at the polls such wilful, disreputable and malicious campaign methods as are being resorted to at this time by the Inter-Mountain Republican and the leaders of the Republican party in this state.

Signed on behalf of said Democratic Committees by

SAMUEL A. KING, Chairman.  
JOHN F. TOBIN, Secretary.
