stooping. I had to get up many times during the night to urinate and go often through the day. After having the best physicians prescribe for me without relief, I decided from my symptoms that the medicine I needed was Dr. Kilmer's Swamp Root, the great kidney liver and bladder remedy. After trying a sample bottle with good results, I purchased six bottles of the regular size and after taking them was entirely cured. Swamp-Root is a wonderful remedy when a man is not iceling well after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up a man's system. Other members of the Police force are using and recommending Swamp-Root. They like myself, cannot say too much in plaise of this great remedy.

The officers (whose signatures accompany this letter), as well as myself, thank you for the good you have accomplished in the compounding of Swamp-Root.
