Gordon moved to postpone pending and all prior orders and take up the House bill to prevent the introduction of contageous or infectious disease in the United States. Agreed to and the bill passed.

The Senate resumed consideration of the bills on the calendar.

The following were disposed of:
The Senate bill authorizing the citizens of Colorado, Nevada and the territories to fell and remove timber on the public domain for mining and domestic purposes, passed. The Senate funding bill, reported from the railroad committee, which still remained on the calendar; indefinitely postponed. Oliver moved to concur in the Henate amendment appropriating \$20,000 for railroad postal clerks.

Defeated, yeas 116, nays 126.

The report of the committee was then agreed to and a new conference with the Benate was asked

for.

As soon as the conference report was disposed of, the Speaker announced that the regular order was the Senate adjournment resolution, and the pending question was the motion to reconsider the vote by which the Senate, yesterday, refused to refer the resolution to the committee on ways and means.

CREAT BRITAIN. The Dispatch of Troops from India to Malta-Preparing War Shipe-

LONDON, 18.—The dispatch of the troops from India to Malta is the leading topic of political discussion. It is regarded by the supporters of government as only a natural ac-companiment of other precaution-ary measures, and that indicative of belligerent intentions. The opponents of government regard it as another step in the development of a warlike policy. They point to the fact that the news was an- BUILD ALL SIZES OF FARM the fact that the news was announced the day after the adjournment of Parliament for the Easter recess, thus preventing criticism or an explanation of the measure for three weeks. The opinion is expressed that this is one of the determinations of the Cabinet Lord Derby referred to in his remarks in the House of Lords on the 8th inst., as causing his resignation of the Fereign Secretaryship.
