TABERNACLE CONCERT.

OGDEN, Oct. 21.—The tabernacle tonight promises to be one of the finest ever given here and much interest is manifested by all who attend music. It has been some time since the Ogden public have had an opportunity of hearing Prof. Willard Waite as he has been kept busy as leader of the Orpheum orchestra in Salt Lake City. His splendid work has never failed to win audience here and wherever he has appeared. He is, without doubt, the best violinist in the West. Prof. J. McClellan needs no introduction to an Ogden audience, as he has been closely associated with the work of the Ogden Tabernacle choir for several years. He has many admirers in Ogden who will be pleased to again have the opportunity of hearing him. As an organist he ranks very close to the top in America. Mr. Alfred Best, making his annual appearance here and joining from the press comments from Salt Lake and elsewhere there is no doubt that his work will be greatly appreciated. Mr. Best has a very fine voice. In addition to these meetings the Ogden tabernacle choir, under the leadership of Prof. Joseph Ballantine, will render four special choruses.

UNIMPEACHABLE.

If you were to see the unequalled volume of unimpeachable testimony in favor of Hood's Saraparilla, you would uphold yourself for so long delaying to take this effective remedy and to tell the world of the benefit that hood gives.

It eradicates scrofula and all other humors and cures all their inward and outward effects.

Take Hood's.

DEMOCRATIC TICKET.

The Democratic primary was held on the 18th inst. and a placard of the party of 1000 voters was introduced, favoring saloon high license and strict regulation carried by vote of 118 for and to against it. There is considerable dissatisfaction among members of the Republican party.

It was conducted. It was generally understood that the primary would be held on the 18th inst. but for some reason known only to the chairman and others favoring high license. The date was changed to the 18th inst.

The convention packed with high license advocates many of whom were boys from 17 years upwards, and Democrats who had never before taken part in a Republican primary. The three saloons closed their doors and did not re-open at 8 o'clock. When the drinks were given to the boys and then they were hustled off to the primary to vote against prohibition. All were permitted to vote and thus the above result was obtained. The candidates nominated however, are all of sound reputation. The following is a list of candidates:

For Mayor—Francis M. Snell.

Councilmen—Four year term, Frederick Matley; two year term, David Williams, Wm. G. Jones and Joseph Herbert; one year term, James N. Nielsen, Justice—Neil Dahl.

Treasurer—Ammon Tuttle.
